The Secret History
Vintage
INTERNATIONAL
BESTSELLER • A contemporary literary classic and "an accomplished psychological thriller ... absolutely chilling" (Village Voice), from the Pulitzer Prize-winning author of *The Goldfinch*. Under the influence of their charismatic classics

professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and forever, and they discover how hard it can be to truly live and how easy it is to kill.

My Secret History

Ballantine Books

"Theroux's best novel in years." CHICAGO TRIBUNE MY SECRET HISTORY is Paul Theroux's tour de force. It is the story of Andre Parent, a writer, a world traveler, a lover of every kind of woman he chances to

meet in a life as varied as a man can lead. From his days as an altar boy, to his job as a teenaged lifeguard, and then as a youth caught between the attentions of a beautiful young student and an amorous older woman. And as the boy becomes a man he turns his attention to writing, which brings him fame, and a wife, who may finally bring him to know himself. But not before he sets up his most dangerous secret life, one that any man might envy, but that could cost Andre Parent the delicate balance that makes him who he is....

The Secret History of Wonder Woman *Vintage*

A riveting work of historical detection

revealing that the origin of Wonder Woman, one of the world's most iconic superheroes, hides within it a fascinating family story--and a crucial history of twentieth-century feminism. Harvard historian and New Yorker staff writer Jill Lepore has uncovered an astonishing trove of documents, including the never-before-seen private papers of William Moulton Marston, Wonder Woman's creator. Beginning in his undergraduate years at Harvard, Marston was influenced by early suffragists and feminists, starting with Emmeline Pankhurst, who was banned from speaking on campus in 1911, when Marston was a freshman. In the 1920s, Marston and his

wife, Sadie Elizabeth Holloway, brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. The Marston family story is a tale of drama, intrigue, and irony. In the 1930s, Marston and Byrne wrote a regular column for *Family Circle* celebrating conventional family life, even as they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth--he invented the lie detector test--lived a life of secrets, only to spill them on the pages of Wonder Woman. The Secret History of Wonder Woman is a tour de force of

intellectual and cultural history. Wonder Woman, Lepore argues, is the missing link in the history of the struggle for women's rights--a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. This edition includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family's papers. With 161 illustrations and 16 pages in full color

Монголын Нууц Товчоо

The Life and Times of Chinggis Khan
Routledge

There has long been a need for a scholarly English edition of the great 13th century historical epic, The Secret History of the Mongols, the only surviving Mongol source about the empire. The book is mainly about the life and the career of Chinggis Khan, his ancestors and his rise to power. Chinggis Khan was not only a military genius, but also a great statesman and diplomat. Through a combination of armed force and diplomacy, he managed to merge the complex system of alliances which existed between diverse tribes into a powerful confederacy that swept across most of Eurasia, starting in 1219. Urgunge Onon's fresh translation brings out

the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text. This fully annotated edition is prefaced by a 36 page introduction setting the work in its cultural and historical context.

A Secret History of the IRA *W. W. Norton & Company*

A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi's regime, Margaret Thatcher's secret diplomacy with Gerry Adams, the Catholic church's negotiations with Republican leadership, and undisclosed activities by the Clinton administration. Reprint.

20,000 first printing.

The Secret History of Us *HarperCollins*

"Jessi Kirby's books just keep getting better and better, and *The Secret History of Us* is her best yet. It beautifully touches on all the most important things in life—love, family, friendship, memory, and bacon. I loved it."—Morgan Matson, *New York Times* bestselling author of *The Unexpected Everything* In this gorgeously written, emotional novel that fans of Sarah Dessen will enjoy, a teenage girl must piece together the parts of her life she doesn't remember after a severe collision leaves her with no memory of the past four years. When Olivia awakes in a hospital

bed following a near-fatal car accident, she can't remember how she got there. She figures it's because she was in a coma for a week, but as time goes on, she realizes she's lost more than just the last week of her life—she's lost all memory of events that happened years ago. Gone is any recollection of starting or graduating high school; the prom; or her steady boyfriend Matt. Trying to figure out who she is feels impossible when everyone keeps telling her who she was. As Liv tries to sort out her family and friends' perceptions of her, the one person she hasn't heard enough from is Walker, the guy who saved her the night her car was knocked off that bridge into the

bay below. Walker is the hardened boy who's been keeping his distance and the one person that has made Liv feel like her old self...whoever that is. With feelings growing for Walker, tensions rising with Matt, and secrets she can't help but feel are being kept from her, Olivia must find her place in a life she doesn't remember living.

The Secret History of Twin Peaks

A Novel *Flatiron Books*

From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. The Secret History of Twin Peaks enlarges the world of the original series, placing the unexplained

phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.

The Secret History

A Novel of Empress Theodora *Penguin*

Where Theodora went, trouble followed.... In sixth-century Constantinople, one woman, Theodora, defied every convention and all the odds and rose from common theater tart to empress of a great kingdom, the most powerful woman the Roman Empire would ever know. The woman

whose image was later immortalized in glittering mosaic was a scrappy, clever, conniving, flesh-and-blood woman full of sensuality and spirit whose real story is as surprising as any ever told.... After her father dies suddenly, Theodora and her sisters face starvation and a life on the streets. Determined to survive, Theodora makes a living any way she can—first on her back with every man who will have her, then on the stage in a scandalous dramatization of her own invention. When her daring performance grants her a backdoor entry into the halls of power, she seizes the chance to win a wealthy protector—only to face heartbreak and

betrayal. Ever resilient, Theodora rises above such trials and, by a twist of fate, meets her most passionate admirer yet: the emperor's nephew. She thrives as his confidant and courtesan, but many challenges lie ahead. For one day this man will hand her a crown. And all the empire will wonder—is she bold enough, shrewd enough, and strong enough to keep it?

READERS GUIDE INCLUDED

A Secret History of Consciousness
SteinerBooks

The Secret History of America

Classic Writings on Our Nation's Unknown Past and Inner Purpose St.

Martin's Essentials

A compilation of rare works on the untold history and destiny of America by acclaimed occult writer Manly P. Hall. Writer and scholar Manly P. Hall (1901-1990) is one of the most significant names in the study of the esoteric, symbolic, and occult. His legendary book *The Secret Teachings of All Ages* has been an underground classic since its publication in 1928. *The Secret History of America* expands on that legacy, offering a collection of Hall's works—from books and journals to transcriptions of his lectures—all relating to the hidden past and unfolding future of our nation. Hall believed that America was gifted with a unique

purpose to explore and share principles of personal freedom, self-governance, and independent thought. PEN Award-winning historian, Mitch Horowitz has curated a powerful collection of Hall's most influential and insightful works that capture and explore these ideas. Never before collected in one volume, the material in *The Secret History of America* explores the rich destiny, unseen history, and hidden meaning of America.

The Secret History of Here

A Year in the Valley *Canongate Books*

The Secret History of Here is the story of a single place, a farm in the Scottish Borders. The site on which

Alistair Moffat's farm now stands has been occupied since pre-historic times. The fields have turned up ancient arrow heads, stone spindles, silver pennies and a stone carved with the rune-like letters of Ogham. Walking this landscape you can feel the presence and see the marks of those who lived here before. But it is also the story of everywhere. In uncovering the history of one piece of land, Moffat shows how history is all around us, if only we have the eyes to see it. Under our feet, carved into the landscape, in the layout of paths and roads, in the stories we pass down, our history leaves its trace on the land. Taking the form of a journal of a year, *The Secret History of*

Here is a walk through the centuries as much as the seasons. We hear the echo of battles long since fought, of lives lived quietly or scandalously, of armies, of kings, of the common folk who mostly inhabited this land, and a little of those that live here now.

The Secret History in Literature, 1660-1820 *Cambridge University Press*

Secret history, with its claim to expose secrets of state and the sexual intrigues of monarchs and ministers, alarmed and thrilled readers across Europe and America from the mid-seventeenth to the mid-nineteenth century. Scholars have recognised for some time the important position that the genre

occupies within the literary and political culture of the Enlightenment. Of interest to students of British, French and American literature, as well as political and intellectual history, this new volume of essays demonstrates for the first time the extent of secret history's interaction with different literary traditions, including epic poetry, Restoration drama, periodicals, and slave narratives. It reveals secret history's impact on authors, readers, and the book trade in England, France, and America throughout the long eighteenth century. In doing so, it offers a case study for approaching questions of genre at moments when political and cultural shifts put

strain on traditional generic categories.

The Secret History of the World

Jonathan Black examines the end of the world and the coming of the Antichrist - or is he already here? How will he make himself known and what will become of the world when he does? - and the end of Time. Having studied theology and learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This

history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and been able to access supernatural levels of intelligence. This book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

The Little Friend

A Novel *Vintage*

The second novel by Donna Tartt,

bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson—sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her

town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

The Vanishing Stair *HarperCollins*

In *New York Times* bestselling author Maureen Johnson's second novel in the *Truly Devious* series, there are more twists and turns than Stevie Bell can imagine. No answer is given freely, and someone will pay for the truth with their life. The *Truly Devious* case—an unsolved kidnapping and triple

murder that rocked Ellingham Academy in 1936—has consumed Stevie for years. It's the very reason she came to the academy. But then her classmate was murdered, and her parents quickly pull her out of school. For her safety, they say. She must move past this obsession with crime. Stevie's willing to do anything to get back to Ellingham, be back with her friends, and solve the Truly Devious case. Even if it means making a deal with the despicable Senator Edward King. And when Stevie finally returns, she also returns to David: the guy she kissed, and the guy who lied about his identity—Edward King's son. But larger issues are at play. Where did the murderer hide? What's

the meaning of the riddle Albert Ellingham left behind? And what, exactly, is at stake in the Truly Devious affair? The Ellingham case isn't just a piece of history—it's a live wire into the present. Praise for Book One: "The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story." —New York Times Book Review "Remember the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating

heart." —Bustle

The Secret History of MI6

1909-1949 *Penguin*

The authorized history of the world's oldest and most storied foreign intelligence service, drawing extensively on hitherto secret documents Britain's Special Intelligence Service, commonly called MI6, is not only the oldest and most storied foreign intelligence unit in the world - it is also the only one to open its archives to an outside researcher. The result, in this authorized history, is an unprecedented and revelatory look at an organization that essentially created, over the course of two world wars, the modern craft of spying.

Here are the true stories that inspired Ian Fleming's James Bond's novels and John le Carré George Smiley novels. Examining innovations from invisible ink and industrial-scale cryptography to dramatic setbacks like the Nazi sting operations to bag British operatives, this groundbreaking history is as engrossing as any thriller - and much more revealing. "Perhaps the most authentic account one will ever read about how intelligence really works." -The Washington Times

The Secret History
Alfred a Knopf Incorporated

A transfer student from a small town in California, Richard Papen is determined to

affect the ways of his Hampden College peers, and he begins his intense studies under the tutelage of eccentric Julian Morrow. BOMC & QPB Alt. Tour.

Red-Blooded Risk

The Secret History of Wall Street *John Wiley & Sons*

From 1987 to 1992, a small group of Wall Street quants invented an entirely new way of managing risk to maximize success: risk management for risk-takers. This text examines this approach and offers valuable advice for the calculated risk-takers who need precise quantitative guidance that will help separate them from the rest of the pack.

The Secret History of the United States

Conspiracies, Cobwebs and Lies *SCB Distributors*

Everyone likes a good mystery, be it based in fact or fiction. The history of the United States is full of mysterious facts that are not taught in school, and most people don't know the untold stories surrounding many historical events. In *The Secret History of the United States* author Kross brings these little known stories to life. The book details conspiracy theories throughout our history, from the discovery of the continent to the founding of the nation to our modern day. The book also tells the stories of unexplained

events in our history, as well as mysteries that have never been solved. The events covered in the book range from the American Revolution, the Civil War, World War II, the Cold War, the assassinations of the 1960s, the Iraq war and the events leading up to 9-11. Among the subjects covered are the following: Was Christopher Columbus Jewish?; The plots to kidnap George Washington; Who was Agent 355?; John Wilkes Booth and the Confederate Secret Service; the Lindberg baby kidnapping; the plot to oust FDR; Flight 19; Who killed JFK?; Nixon and the mob, Watergate and the CIA, Iran-Contra, and the intelligence failures that led up to 9-11. These stories are

fascinating accounts of the underside of our hidden history that will amaze and inform the reader.

Bright Lights, Big City *A&C Black*

You are at a nightclub talking to a girl with a shaved head. The club is either Heartbreak or the Lizard Lounge. All might become clear if you could just slip into the bathroom and do a little more Bolivian Marching Powder. Then again, it might not... So begins our nameless hero's trawl through the brightly lit streets of Manhattan, sampling all this wonderland has to offer yet suspecting that tomorrow's hangover may be caused by more than simple excess. *Bright Lights, Big City* is an acclaimed classic which marked Jay

McInerney as one of the major writers of our time.

Donna Tartt's The Secret History

A Reader's Guide *A&C Black*

This series gives readers accessible and informative introductions to 30 of the most popular, most acclaimed and most influential contemporary novels. Each title includes a biography of the novelist and a full-length study of the novel.

Urbanities

"Sensuous, scandalous, satirical, tender, Brooke Clark's unique debut poetry collection is cynical and entertaining, replete with rich rhythms and playful rhymes."--

The Secret History of the World and How to Get Out Alive

Red Pill Press, Ltd

Previously published as *Ancient Science*, *Secret History* contains 150 pages of new material. *The Secret History of The World and How To Get Out Alive* is the definitive book of the real answers where Truth is more fantastic than fiction. Laura Knight-Jadczyk, wife of internationally known theoretical physicist, Arkadiusz Jadczyk, an expert in hyperdimensional physics, draws on science and mysticism to pierce the veil of reality. With sparkling humour and wisdom, she picks up where Fulcanelli left off, sharing over thirty years of research to reveal, for the first time, *The Great Work*

and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike. Conspiracies have existed since the time of Cain and Abel. Facts of history have been altered to support the illusion. The question today is whether a sufficient number of people will see through the deceptions, thus creating a counterforce for positive change - the gold of humanity - during the upcoming times of Macro-Cosmic Quantum Shift. Laura argues convincingly, based on the revelations of the deepest of esoteric secrets, that the present is a time of potential transition, an extraordinary opportunity for individual and collective renewal: a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science, art and spirituality. The Secret History of the World allows us to redefine our interpretation of the universe, history, and culture and to thereby navigate a path through this darkness. In this way, Laura Knight-Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms. With over 800 pages of fascinating reading, The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race. With painstakingly

researched facts and figures, the author overturns long-held conventional ideas on religion, philosophy, Grail legends, science, and alchemy, presenting a cohesive narrative pointing to the existence of an ancient techno-spirituality of the Golden Age which included a mastery of space and time: the Holy Grail, the Philosopher's Stone, the True Process of Ascension. Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations - a culture so advanced that none of the trappings of civilization as we know it were needed, explaining why there is no 'evidence' of

civilization as we know it left to testify to its existence. The author's consummate synthesis reveals the Message in a Bottle reserved for humanity, including the Cosmology and Mysticism of mankind Before the Fall when, as the ancient texts tell us, man walked and talked with the gods. Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind - or at least a portion of mankind - has the opportunity to regain his standing as The Child of the King in the Golden Age. If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world, then surely The Secret History of the World

and How to Get Out Alive is it.

The Secret History
Penguin UK

A trusted member of the Byzantine establishment, Procopius was the Empire's official chronicler, and his History of the Wars of Justinian proclaimed the strength and wisdom of the Emperor's reign. Yet all the while the dutiful scribe was working on a very different - and dangerous - history to be published only once its author was safely in his grave. The Secret History portrays the 'great lawgiver' Justinian as a rampant king of corruption and tyranny, the Empress Theodora as a sorceress and whore, and the brilliant general Belisarius as

the pliable dupe of his scheming wife Antonina. Magnificently hyperbolic and highly opinionated, The Secret History is a work of explosive energy, depicting holy Byzantium as a hell of murder and misrule.

The Secret History of the World *Abrams*

They say that history is written by the victors. But what if history—or what we come to know as history—has been written by the wrong people? What if everything we've been told is only part of the story? In this groundbreaking and now famous work, Mark Booth embarks on an enthralling tour of our world's secret histories. Starting from a dangerous premise—that everything we've

known about our world's past is corrupted, and that the stories put forward by the various cults and mystery schools throughout history are true—Booth produces nothing short of an alternate history of the past 3,000 years. From Greek and Egyptian mythology to Jewish folklore, from Christian cults to Freemasons, from Charlemagne to Don Quixote, from George Washington to Hitler—Booth shows that history needs a revolutionary rethink, and he has 3,000 years of hidden wisdom to back it up.

The Secret History of Home Economics: How Trailblazing Women Harnessed the Power of Home and Changed the Way We Live W. W.

Norton & Company

The surprising, often fiercely feminist, always fascinating, yet barely known, history of home economics. The term “home economics” may conjure traumatic memories of lopsided hand-sewn pillows or sunken muffins. But common conception obscures the story of the revolutionary science of better living. The field exploded opportunities for women in the twentieth century by reducing domestic work and providing jobs as professors, engineers, chemists, and businesspeople. And it has something to teach us today. In the surprising, often fiercely feminist and always fascinating *The Secret History of Home Economics*, Danielle

Dreilinger traces the field's history from Black colleges to Eleanor Roosevelt to Okinawa, from a Betty Crocker brigade to DIY techies. These women—and they were mostly women—became chemists and marketers, studied nutrition, health, and exercise, tested parachutes, created astronaut food, and took bold steps in childhood development and education. Home economics followed the currents of American culture even as it shaped them. Dreilinger brings forward the racism within the movement along with the strides taken by women of color who were influential leaders and innovators. She also looks at the personal

lives of home economics' women, as they chose to be single, share lives with other women, or try for egalitarian marriages. This groundbreaking and engaging history restores a denigrated subject to its rightful importance, as it reminds us that everyone should learn how to cook a meal, balance their account, and fight for a better world.

The Secret History of the CIA

The Secret History of Las Vegas

A Novel Penguin

A gritty, riveting, and wholly original murder mystery from PEN/Hemingway Award-winning author and 2015 Edgar Awards winner Chris

Abani Before he can retire, Las Vegas detective Salazar is determined to solve a recent spate of murders. When he encounters a pair of conjoined twins with a container of blood near their car, he's sure he has apprehended the killers, and enlists the help of Dr. Sunil Singh, a South African transplant who specializes in the study of psychopaths. As Sunil tries to crack the twins, the implications of his research grow darker. Haunted by his betrayal of loved ones back home during apartheid, he seeks solace in the love of Asia, a prostitute with hopes of escaping that life. But Sunil's own troubled past is fast on his heels in the form of a would-be assassin. Suspenseful through

the last page, *The Secret History of Las Vegas* is Chris Abani's most accomplished work to date, with his trademark visionary prose and a striking compassion for the inner lives of outsiders.

MI6

The History of the Secret Intelligence Service 1909-1949

A&C Black

The first - and only - history of the Secret Intelligence Service, written with full and unrestricted access to the closed archives of the Service for the period 1909-1949.

The Templars

The Secret History Revealed *Skyhorse Publishing Inc.*

A history of the powerful medieval

military order, based on the author's discovery of the long-lost Inquisition transcript of their trial, traces their rise and fall against centuries of war, religious fervor, and power struggles.

Included on the CIA's Official List of Recommended Books for Intelligence Reading.

The Book of Hidden Things

Titan Books (US, CA)

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and

seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia

boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

The Secret History

of Soldiers

How Canadians Survived the Great War *Penguin*

There have been thousands of books on the Great War, but most have focused on commanders, battles, strategy, and tactics. Less attention has been paid to the daily lives of the combatants, how they endured the unimaginable conditions of industrial warfare: the rain of shells, bullets, and chemical agents. In *The Secret History of Soldiers*, Tim Cook, Canada's foremost military historian, examines how those who survived trench warfare on the Western Front found entertainment, solace, relief, and distraction from the relentless

slaughter. These tales come from the soldiers themselves, mined from the letters, diaries, memoirs, and oral accounts of more than five hundred combatants. Rare examples of trench art, postcards, and even song sheets offer insight into a hidden society that was often irreverent, raunchy, and anti-authoritarian. Believing in supernatural stories was another way soldiers shielded themselves from the horror. While novels and poetry often depict the soldiers of the Great War as mere victims, this new history shows how the soldiers pushed back against the grim war, refusing to be broken in the mincing machine of the Western Front. The violence of war is

always present, but Cook reveals the gallows humour the soldiers employed to get through it. Over the years, both writers and historians have overlooked this aspect of the men's lives. The fighting at the front was devastating, but behind the battle lines, another layer of life existed, one that included songs, skits, art, and soldier-produced newspapers. With his trademark narrative abilities and an unerring eye for the telling human detail, Cook has created another landmark history of Canadian military life as he reveals the secrets of how soldiers survived the carnage of the Western Front.

The Secret History of Nursery Rhymes

Linda Alchin

This book uncovers the Secret History of Nursery Rhymes. Many of the ... origins of the humble nursery rhyme are believed to be associated with actual events in history, with references to murder and persecution, betrayal, greed and to tyrants and royalty. Rhymes are usually short and therefore easy to remember, a critical factor during the times when many people were unable to read or write. They were passed verbally from one generation to the next before the invention of the printing press. Reciting old Nursery Rhymes to our children is one of the most pleasurable first steps to developing their language skills and extending their

vocabulary.

A Cruel and Shocking Act

The Secret History of the Kennedy Assassination

Macmillan

The best-selling author of *The Commission: The Uncensored History of the 9/11 Investigation* offers a groundbreaking new history of the Kennedy assassination.

III Will

A Novel

"In 1983, Dustin Tillman's family--his parents and his aunt and uncle--were murdered in a shocking massacre. His foster brother, Rusty, was convicted of the crime, in a trial that was steeped in the "Satanic Cult" paranoia of the

1980s. Thirty years later, Rusty's conviction is overturned, and suddenly Dustin, now a psychologist, must question whether his testimony that imprisoned his brother was accurate. When one of his patients, an ex-cop, gets him deeply involved in a series of unsolved murders, Dustin's happy suburban life starts to unravel, as his uncertainties about his past and present life begin to merge"--

The Secret History of the Jesuits

Chick Publications

Napoleon's invasion. A first novel. Reprint.

The Secret History of Vladimir Nabokov

Simon and Schuster

A startling and revelatory examination of Nabokov's life and works—notably *Pale Fire* and *Lolita*—bringing new insight into one of the twentieth century's most enigmatic authors. Vladimir Nabokov witnessed the horrors of his century, escaping Revolutionary Russia then Germany under Hitler, and fled France with his Jewish wife and son just weeks before Paris fell to the Nazis. He repeatedly faced accusations of turning a blind eye to human suffering to write artful tales of depravity. But does one of the greatest writers in the

English language really deserve the label of amoral aesthete bestowed on him by so many critics? Using information from newly-declassified intelligence files and recovered military history, Pitzer argues that far from being a proponent of art for art's sake, Nabokov managed to hide disturbing history in his fiction—history that has gone unnoticed for decades. Nabokov emerges as a kind of documentary conjurer, spending decades of his career recording a saga of forgotten concentration camps and searing bigotry, from WWI to the Gulag and the Holocaust. *Lolita* surrenders Humbert Humbert's secret identity, and reveals a Nabokov appalled by American

anti-Semitism. The lunatic narrator of *Pale Fire* recalls Russian tragedies that once haunted the world. From Tsarist courts to Nazi film sets, from the CIA to wartime *Casablanca*, the story of Nabokov's family is the story of his century—and both are woven inextricably into his fiction.
