The Stranger *Vintage*

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

The Stranger

The Graphic Novel *Simon and Schuster*

The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm,

reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act. This new illustrated edition of Camus's classic novel The Stranger portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.

The Stranger by Albert Camus a Critical Introduction (Revised Edition) *CreateSpace*

The Second Edition of this popular critical study has been significantly expanded and completely revised, making it the most thorough single-volume study of Camus' classic novel. A Critical Introduction places Camus' ideas in context. Part One shows the development of his thought in the early essays, the unpublished "A Happy Death", the plays "Caligula" and "The Misunderstanding", and the philosophical work "The Myth of Sisyphus". Building on this foundation, Part Two gives a detailed, consistent reading of "The Stranger". The aim throughout, is to explain the meaning that Camus intended his text to have, thus meeting the needs of both the general reader and the student up to graduate level. This guide is thought provoking and encourages the reader to develop their own ideas about interpreting the central themes of the text.

Looking for The Stranger

Albert Camus and the Life of a Literary Classic *University of Chicago Press*

A New York Times Notable Book. A literary exploration that is "surely destined to become the quintessential companion to Camus's most enduring novel" (PopMatters). The Stranger is a rite of passage for readers around the world. Since its publication in France in 1942, Camus's novel has been translated into sixty languages and sold more than six million copies. It's the rare novel that's as likely to be found in a teen's backpack as in a graduate philosophy seminar. If the twentieth century produced a novel that could be called ubiquitous, The Stranger is it. How did a young man in his twenties who had never written a novel turn out a masterpiece that still grips readers more than seventy years later? With Looking for The Stranger, Alice Kaplan tells that story. In the process, she reveals Camus' achievement to have been even more impressive—and more unlikely—than even his most devoted readers knew. "To this new project, Kaplan brings equally honed skills as a historian, literary critic, and biographer . . . Reading The Stranger is a bracing but somewhat bloodless experience. Ms. Kaplan has hung warm flesh on its steely bones." —The New York Times "For American readers, few French novels are better known, and few scholars are better qualified than Kaplan to reintroduce us to it . . . Kaplan tells this story with great verve and insight, all the while preserving the mystery of its creation and elusiveness of its meaning." —Los Angeles Review of Books "The fascinating story behind Albert Camus' coldblooded masterpiece . . . A compelling companion to a novel that has stayed strange." —Kirkus Reviews

Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year “A tour-de-force reimagining of Camus’s *The Stranger*, from the point of view of the mute Arab victims.” —The New Yorker He was the brother of “the Arab” killed by the infamous Meursault, the antihero of Camus’s classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling’s memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa’s casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. *The Stranger* is of course central to Daoud’s story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, *The Meursault Investigation* is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.

Critical Essays *Cambridge Scholars Publishing*

Often marginalised on the sidelines of both philosophy and literature, the works of Albert Camus have, in recent years, undergone a renaissance. While most readers in either discipline claim Camus and his works to be ‘theirs’, the scholars presented in this volume tend to see him and his works in both philosophy and literature. This volume is a collection of critical essays by an international menagerie of Camus experts who, despite their interpretive differences, see Camus through both lenses. For them, he is a novelist/essayist who embodies a philosophy that was never fully developed due to his brief life. The essays here examine Camus’s first published novel, *The Stranger*, from a variety of critical and theoretical perspectives, each drawing on the author’s knowledge to present the first known critical examination in English. As such, this volume will shed new light on previous scholarship.

The Stranger. Illustrated *Strelbytskyy Multimedia Publishing*

The Stranger, also published in English as *The Outsider*, is a novella by French author Albert Camus. The title character is Meursault, an indifferent French settler in Algeria described as "a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture." He kills an Arab man in French Algiers, who was involved in a conflict with one of Meursault's neighbors. Meursault is tried and sentenced to death. The story is divided into two parts, presenting Meursault's first-person narrative view before and after the murder, respectively. The theme and outlook are often cited as examples of Camus' philosophy, absurdism, coupled with existentialism; though Camus personally rejected the latter label.

The Outsider *Penguin Classics*

'The sky seemed to rip apart from end to end to pour fire down upon me' Meursault will not conform. When his mother dies, he refuses to show his emotions simply to satisfy the expectations of others. And when he commits a random act of violence on a sun-drenched beach, his lack of remorse only compounds his guilt in the eyes of society and the law. Albert Camus' portrayal of a man confronting the absurdity of human life became a classic. Yet it is also a book filled with quiet joy in the physical world, and this new translation sensitively renders the subtleties and dreamlike atmosphere of *The Outsider*. Why People Believe Weird Things

Pseudoscience, Superstition, and Other Confusions of Our Time *Holt Paperbacks*

Revised and Expanded Edition. In this age of supposed scientific enlightenment, many people still believe in mind reading, past-life regression theory, New Age hokum, and alien abduction. A no-holds-barred assault on popular superstitions and prejudices, with more than 80,000 copies in print, *Why People Believe Weird Things* debunks these nonsensical claims and explores the very human reasons people find otherworldly phenomena, conspiracy theories, and cults so appealing. In an entirely new chapter, "Why Smart People Believe in Weird Things," Michael Shermer takes on science luminaries like physicist Frank Tipler and others, who hide their spiritual beliefs behind the trappings of science. Shermer, science historian and true crusader, also reveals the more dangerous side of such illogical thinking, including Holocaust denial, the recovered-memory movement, the satanic ritual abuse scare, and other modern crazes. *Why People Believe Strange Things* is an eye-opening resource for the most gullible among us and those who want to protect them.

The Rebel

An Essay on Man in Revolt *Vintage*

By one of the most profoundly influential thinkers of our century, *The Rebel* is a classic essay on revolution. For Albert Camus, the urge to revolt is one of the "essential dimensions" of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. As old regimes throughout the world collapse, *The Rebel* resonates as an ardent, eloquent, and supremely rational voice of conscience for our tumultuous times. Translated from the French by Anthony Bower.

Camus and Sartre

The Story of a Friendship and the Quarrel that Ended It *University of Chicago Press*

Until now it has been impossible to read the full story of the relationship between Albert Camus and Jean-Paul Sartre. Their dramatic rupture at the height of the Cold War, like that conflict itself, demanded those caught in its wake to take sides rather than to appreciate its tragic complexity. Now, using newly available sources, Ronald Aronson offers the first book-length account of the twentieth century's most famous friendship and its end. Albert Camus and Jean-Paul Sartre first met in 1943, during the German occupation of France. The two became fast friends. Intellectual as well as political allies, they grew famous overnight after Paris was liberated. As playwrights, novelists, philosophers, journalists, and editors, the two seemed to be everywhere and in command of every medium in post-war France. East-West tensions would put a strain on their friendship, however, as they evolved in opposing directions and began to disagree over philosophy, the responsibilities of intellectuals, and what sorts of political changes were necessary or possible. As Camus, then Sartre adopted the mantle of public spokesperson for his side, a historic showdown seemed inevitable. Sartre embraced violence as a path to change and Camus sharply opposed it, leading to a bitter and very public falling out in 1952. They never spoke again, although they continued to disagree, in code, until Camus's death in 1960. In a remarkably nuanced and balanced account, Aronson chronicles this riveting story while demonstrating how Camus and Sartre developed first in connection with and then against each other, each keeping the other in his sights long after their break. Combining biography and intellectual history, philosophical and political passion, Camus and Sartre will fascinate anyone interested in these great writers or the world-historical issues that tore them apart.

The Stranger by Albert Camus Summary and Analysis *Createspace Independent Publishing Platform*

The Stranger by Albert Camus, is a French philosophical novel written in the mid-1940s. In the novel, we are introduced to our narrator, Monsieur Meursault. Meursault is a French man living in Algiers and has just received word via telegram that his elderly mother has passed away. He notes that he has asked for two days of leave from his job, even though his boss is quite annoyed by this. He is to travel to the Home for Aged Persons in Marengo, which is at least fifty miles from Algiers. He takes the bus and sleeps for most of the trip from Algiers to Marengo. Once he arrives in Marengo, he realizes he has a one-mile walk to the home. When he finally arrives to the home, he is greeted by the doorkeeper. The warden meets him in his office and tells him that even though Meursault all but abandoned his mother in this home, it was the absolute best decision he could have made. The director knows that Meursault makes very little money at his job and could not take care of his mother. He also claims that Meursault's mother had made great friends and had enjoyed spending her last few years with people of her own age. Meursault had felt judged by the warden, but after this conversation, he agreed with the notion that his mother had been better off in this home, instead of living with him. We see Meursault rationalizing why he had not been to visit his mother much, as it cost him an entire weekend day on Sundays, the commute to the home was an hour each way, and getting a ticket for the bus was a hassle in and of itself. The director then informs, Meursault that he has arranged for a religious funeral ceremony to be performed the next day.

Meursault knows that his mother was not religious and would not care. When it comes time for Meursault to see his mother, he does not want to see the body as it was already sealed inside the casket. This causes the doorkeeper to ask Meursault why, to which he responds he cannot think of a reason. The doorkeeper describes why they hold funerals so quickly in Marengo. He tells Meursault that it gets too hot there for them to keep the bodies for four or five days like Paris does. Meursault finds this topic interesting. The old man then informs him of the custom of allowing all the other residents to hold an overnight vigil by the casket before the funeral. Meursault finds this odd, but plays along. The doorkeeper offers him some coffee. Meursault gladly accepts and gives the doorkeeper a cigarette in exchange. Meursault eventually falls asleep in the room waiting for the elderly residents to arrive for the vigil. He is eventually woken up by the sound of people shuffling into the room. Once people are settled in their seats the only sound he hears is the sound of a woman sobbing in the second row. This perturbs him for a bit, but eventually he falls asleep again and sleeps until morning.

The Stranger

By Albert Camus - Summary and Analysis *Createspace Independent Publishing Platform*

The Stranger by Albert Camus, is a French philosophical novel written in the mid-1940s. In the novel, we are introduced to our narrator, Monsieur Meursault. Meursault is a French man living in Algiers and has just received word via telegram that his elderly mother has passed away. He notes that he has asked for two days of leave from his job, even though his boss is quite annoyed by this. He is to travel to the Home for Aged Persons in Marengo, which is at least fifty miles from Algiers. He takes the bus and sleeps for most of the trip from Algiers to Marengo. Once he arrives in Marengo, he realizes he has a one-mile walk to the home. When he finally arrives to the home, he is greeted by the doorkeeper. The warden meets him in his office and tells him that even though Meursault all but abandoned his mother in this home, it was the absolute best decision he could have made. The director knows that Meursault makes very little money at his job and could not take care of his mother. He also claims that Meursault's mother had made great friends and had enjoyed spending her last few years with people of her own age. Meursault had felt judged by the warden, but after this conversation, he agreed with the notion that his mother had been better off in this home, instead of living with him. We see Meursault rationalizing why he had not been to visit his mother much, as it cost him an entire weekend day on Sundays, the commute to the home was an hour each way, and getting a ticket for the bus was a hassle in and of itself. The director then informs, Meursault that he has arranged for a religious funeral ceremony to be performed the next day. Meursault knows that his mother was not religious and would not care. When it comes time for Meursault to see his mother, he does not want to see the body as it was already sealed inside the casket. This causes the doorkeeper to ask Meursault why, to which he responds he cannot think of a reason. The doorkeeper describes why they hold funerals so quickly in Marengo. Albert Camus

A Life *Knopf*

In this enormously engaging, vibrant, and richly researched biography of Albert Camus, the French writer and journalist Olivier Todd has drawn on personal correspondence, notebooks, and public records never before tapped, as well as interviews with Camus's family, friends, fellow workers, writers, mentors, and lovers. Todd shows us a Camus who struggled all his life with irreconcilable conflicts--between his loyalty to family and his passionate nature, between the call to political action and the integrity to his art, between his support of the native Algerians and his identification with the forgotten people, the poor whites. A very private man, Camus could be charming and prickly, sincere and theatrical, genuinely humble, yet full of great ambition. Todd paints a vivid picture of the time and place that shaped Camus--his impoverished childhood in the Algerian city of Belcourt, the sea and the sun and the hot sands that he so loved (he would always feel an exile elsewhere), and the educational system that nurtured him. We see the forces that lured him into communism, and his attraction to the theater and to journalism as outlets for his creativity. The Paris that Camus was inevitably drawn to is one that Todd knows intimately, and he brings alive the war years, the underground activities that Camus was caught up in during the Occupation and the bitter postwar period, as well as the intrigues of the French literati who embraced Camus after his first novel, *L'Etranger*, was published. Todd is also keenly attuned to the French intellectual climate, and as he takes Camus's measure as a successful novelist, journalist, playwright and director, literary editor, philosopher, he also reveals the temperament in the writer that increasingly isolated him and crippled his reputation in the years before his death and for a long time after. He shows us the solitary man behind the mask--debilitated by continuing bouts of tuberculosis, constantly drawn to irresistible women, and deeply troubled by his political conflicts with the reigning French intellectuals, particularly by the vitriol of his former friend Sartre over the Algerian conflict. Filled with sharp observations and sparkling with telling details, here is a wonderfully human portrait of the Nobel Prize-winning writer, who died at the age of forty-six and who remains one of the most influential literary figures of our time.

The World Beneath: A Novel *W. W. Norton & Company*

A mesmerizing literary novel that begins when a boy goes missing—and winds into an obsessive hunt with murderous results. One cold November morning in Perser, Oklahoma, Sheriff Jerry Martin receives a disturbing call: a local fifteen-year-old has disappeared. The boy, J.T., who is half Mexican, half Chickasaw and has been raised by his grandmother, is known for starting trouble. Sheriff Martin

sets out on a fevered search, determined to find J.T., even as the hunt reopens wounds from a traumatic event in his past. In a seemingly parallel but ultimately intersecting story, Hickson Crider, a veteran of the first Iraq war, discovers a mysterious crevice, perfectly round and seemingly bottomless, in his backyard. The hole becomes Hickson's obsession—and an ominous clue in Sheriff Martin's investigation. Aaron Gwyn's perceptive, quietly beautiful prose is "reminiscent of Flannery O'Connor" (Kirkus Reviews), engaging us in a tale that is both savage and burning with heart, about the after effects of war, violence, faith, and random acts of devotion.

Wynne's War

A Novel *HMH*

A cultish commander's secret mission on horseback through Afghanistan "echoes adrenalized silver-screen war stories like *Three Kings* and *The Hurt Locker*" (The New York Times). When Cpl. Elijah Russell rescues an Arabian horse during a firefight in northern Iraq, the young army ranger's heroism and superb equestrian skill catch the attention of Capt. Carson Wynne. The commander is preparing a secret mission in eastern Afghanistan that requires a soldier of such skill and courage. Now, Russell is in charge of training an elite special forces unit of Green Berets to ride horses through treacherous mountain terrain. But as they press further into enemy territory, the nature of the operation only becomes more mysterious. Russell grows suspicious of Captain Wynne's secrecy and the cult-like loyalty he commands. Soon he will be forced to confront an impossible choice—stand up for his beliefs or follow his commander into hell. "A hard-eyed depiction of modern warfare . . . Gwyn's novel is rich in equestrian and military detail . . . it'd take wild horses to pull you away." —Entertainment Weekly "A gripping tale of men at war in the desolate snow-capped mountains of eastern Afghanistan . . . [Wynne's War] captures the essence of close combat—the terror, excitement, chaos, tension, and cruelty, as well as the harsh decisions men make under stress." —Publishers Weekly, starred review "The book pulsates with a verisimilitude that places readers in the war-torn mountains of Afghanistan. . . . Many folks have wondered when American authors would begin producing memorable fiction about the Iraq-Afghanistan wars; with this well-researched, heart-pounding novel, Gwyn stakes his claim." —Library Journal

Albert Camus' The Stranger

A Critical Commentary *Monarch Notes*

Resistance, Rebellion, and Death

Essays *Vintage*

In the speech he gave upon accepting the Nobel Prize for Literature in 1957, Albert Camus said that a writer "cannot serve today those who make history; he must serve those who are subject to it." And in these twenty-three political essays, he demonstrates his commitment to history's victims, from the fallen maquis of the French Resistance to the casualties of the Cold War. Resistance,

Rebellion and Death displays Camus' rigorous moral intelligence addressing issues that range from colonial warfare in Algeria to the social cancer of capital punishment. But this stirring book is above all a reflection on the problem of freedom, and, as such, belongs in the same tradition as the works that gave Camus his reputation as the conscience of our century: *The Stranger*, *The Rebel*, and *The Myth of Sisyphus*.

The First Man

The Graphic Novel *Pegasus Books*

A visually arresting adaptation of Albert Camus's masterful biographical novel that offers a new graphic interpretation for the next generation of readers. This new illustrated of Camus's final novel tells the story of Jacques Cormery, a boy who lived a life much like Camus's own. This stunning, fully illustrated edition summons up the sights, sounds and textures of a childhood defined by poverty and a father's death, yet redeemed by the austere beauty of Algeria—and the young protagonist's attachment to his nearly deaf-mute mother. In telling the story of his metaphorical search for his father, who died in World War I, Camus returns to the "land of oblivion where each one is the first man" and must find his own answers. Published thirty-five years after its discovery amid the wreckage of the car accident that killed the Nobel Prize-winning novelist, this graphic interpretation of *The First Man* is the brilliant consummation of the life and work of one of the twenty century's greatest authors.

O Pioneers! *Courier Corporation*

In this landmark of American fiction, Cather tells the story of young Alexandra Bergson, whose dying father leaves her in charge of the family and of the Nebraska lands they have struggled to farm.

The Wonderful Farm *Harper Collins*

Marinette and Delphine live with their parents on an enchanted farm where all the animals talk.

A Life Worth Living *Harvard University Press*

Exploring themes that preoccupied Albert Camus--absurdity, silence, revolt, fidelity, and moderation--Robert Zaretsky portrays a moralist who refused to be fooled by the nobler names we assign to our actions, and who pushed himself, and those about him, to challenge the status quo. For Camus, rebellion against injustice is the human condition.

None of the Above *HarperCollins*

A groundbreaking story about a teenage girl who discovers she's intersex . . . and what happens when her secret is revealed to the entire school. Incredibly compelling and sensitively told, *None of the Above* is a thought-provoking novel that explores what it means to be a boy, a girl, or something in between. What if everything you knew about yourself changed in an instant? When Kristin Lattimer is voted homecoming queen, it seems like another piece of her ideal life has fallen into place. She's a champion hurdler with a full scholarship to college and she's madly in love with her boyfriend. In fact, she's decided that she's ready to take things to the next level with him. But Kristin's first time isn't the perfect moment she's planned—something is very wrong. A visit to the doctor reveals the truth: Kristin is intersex, which means that though she outwardly looks like a girl, she has male chromosomes, not to mention boy "parts." Dealing with her body is difficult enough, but when her diagnosis is leaked to the whole school, Kristin's entire identity is thrown into question. As her world unravels, can she come to terms with her new self?
