interactions, environmental scientists must gather and analyze information from many different disciplines. Many Fields of Study Environmental science is an interdisciplinary science, which means that it involves many fields of study. One important foundation of

environmental science is ecology.

Science and the Environment CHAPTER

Very happy with the Holt Environmental Science Text Book and it's accompanying work book (we bought both separately). We used this as a High School Environmental Science Curriculum with our home-schooled teen children. I recommend using both the text and workbook in conjunction with each other (sold separately).
