Clash At Fatal Fields

An Unofficial Fortnite Novel *Simon and Schuster*

Twelve-year-old Grey gets sucked into a hacked, virtual reality version of Fortnite Battle Royale along with one hundred other players. To get home, he must become one of the top five players before the season ends, or he's stuck in Fortnite for another two months. Grey logs into Battle Royale as usual, but unlike before he passes out and wakes up in the lobby and everything is as real as can be. Four others stand there with him as an admin tells them they are the "new meat" and their game has been hacked. Their consciousness will be trapped in this version of Fortnite until they can become the top five players for a season. New to the fighting arena but ambitious, Grey sets out for glory with one hundred other players on a flying bus. As they jump and land on the island to battle, he struggles to figure out the tools as people come to kill him. He dies quickly, much to his disappointment. Maybe this won't be as easy as he thought. While waiting for the next game in the lobby, someone gives him some tips to help him out and he fares a bit better. They form a duo in hopes of both escaping the game together. Will Grey be able to escape, now that he has an ally?

Coraline *A&C Black*

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Trapped in a Dating Sim: The World of Otome Games is Tough for Mobs (Manga) Vol. 1 *Seven Seas Entertainment*

Thanks to some unfortunate gameplay, a young man named Leon has been reborn into the world of an alternate universe otome game. Facing an absurd scenario where males are no better than livestock who serve at the whim of women, Leon only has one weapon--his knowledge of the dating sim genre--to survive the challenges he faces and inspire a revolt against the system!

Trapped in a Video Game! *Scholastic Incorporated*

"Kate and Charlie are playing their favorite video game. They're really good. In fact, they're about to reach the highest level. Suddenly, they feel themselves spinning. The next thing they know, they're inside the game! How did they get there? What will they do next? Most important, will they ever get out?"--cover p. 4.

Wolves of the Beyond #6: Star Wolf *Scholastic Inc.*

The latest in Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Ga'hoole. A great cold has seized the Beyond. The warmth of summer, the smell of sweet grass and the great caribou migrations are distant memories. Now the wolves know only ice, dark, snow and endless cold. The order that kept the wolf clans strong for thousands of years has broken down completely. The wolves have only one chance for survival. They

must find their way to a new land, a land of warmth and summer. But the journey will take them over a frozen sea and through thousands of miles of perilous territory. Will the wolves trust young Faolan to lead them?

Artemis

A Novel *Ballantine Books*

Augmenting her limited income by smuggling contraband to survive on the Moon's wealthy city of Artemis, Jazz agrees to commit what seems to be a perfect, lucrative crime, only to find herself embroiled in a conspiracy for control of the city.

Pottymouth and Stoopid *Jimmy Patterson*

In this "superwonderrific" New York Times bestseller (Jerry Spinelli), two bullied middle-school boys finally fight back with the power of funny. David and his best friend Michael were tagged with awful nicknames way back in preschool when everyone did silly things. Fast-forward to seventh grade: "Pottymouth" and "Stoopid" are still stuck with the names -- and everyone in school, including the teachers and their principal, believe the labels are true. So how do they go about changing everyone's minds? By turning their misery into megastardom on TV, of course! And this important story delivers more than just laughs -- it shows that the worst bullying isn't always physical . . . and that things will get better. A great conversation starter for parents to read alongside their kids! Official Notice to Parents: There is no actual pottymouthing or stupidity in this entire book! (Psst, kids: that second part might not be entirely true.)

Game Over, Pete Watson *Houghton Mifflin Harcourt*

In this rib-tickling illustrated middle-grade novel, video game obsessed Pete Watson discovers that the only thing scarier than espionage is the girl of his dreams. 20,000 first printing.

Trapped in a Video Game

Book Four *Createspace Independent Publishing Platform*

Alistair Gregory, the man who figured out how to put people into video games, is not what he seems. Jesse Rigsby is sure of that. Jesse's sure of something else too - he's being watched. To unravel the mystery, Jesse's going to have to transform himself into a superspy with serious retro gaming skills. Can he pull it off before the bad guys catch on?

Red Wolf Recovery Plan

The Eye of Minds (The Mortality Doctrine, Book One) *Delacorte Press*

The world is virtual, but the danger is real in book one of the bestselling Mortality Doctrine series, the next phenomenon from the author of the Maze Runner series, James Dashner. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. The author who

brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now brings you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling MORTALITY DOCTRINE series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —io9.com "Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd." —Christian Science Monitor

The Little Match Girl

Katrin Agency

The Little Match Girl The tale is about the little poor girl who is sent out to sell matches, Christmas Eve. She freezes but does not dare to go home, to get warm she strokes the matches one by one, but eventually there are no more left. The famous and much-loved Danish author Hans Christian Andersen celebrated his 200 anniversary the year 2005. On this occasion we have published five of his best tales retold for children aged 3-9 years and with new illustrations: Tinderbox, The Little Match Girl, The Nightingale, The Emperor's New Clothes and The Ugly Duckling. Hans Christian Andersen wrote The Little Match Girl in 1848.

Trapped in the Overworld

An Unofficial Minetrapped Adventure, #1 *Simon and Schuster*

Simon, Michael, and Lily are playing on a multiplayer server when a strange lightning storm hits their town. In the middle of an intense game, a bolt of lightning strikes, sucking the three friends into the game! They discover that they've been transformed into their Minecraft characters. They try to escape, but they are trapped in the Overworld! While battling other players and hostile mobs, Simon, Michael, and Lily try to find a way home. Just when they are ready to give up, their town is attacked and Simon's Minecraft home is destroyed. The friends now have to find out who is terrorizing them, and if the same person is responsible for trapping them in the game. If the trio can find and defeat the evil villain, will they finally be able to make a home in their favorite game? It's a battle against an unknown enemy in this first installment of the new Unofficial Minetrapped Adventure series. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Food Lab: Better Home Cooking Through Science W. Norton & Company

A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In The Food Lab, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.

My Body

Emily Ratajkowski's deeply honest and personal exploration of what it means to be a woman today - THE

NEW YORK TIMES BESTSELLER Hachette UK

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, My Body marks the debut of a fierce writer brimming with courage and intelligence.

This Is Not A Game

You Don't Get a Second Life *Hachette UK*

THIS IS NOT A GAME is a novel built around the coolest phenomenon in the world. That phenomenon is known as the Alternate Reality Game, or ARG. It's big, and it's getting bigger. It's immersive and massively interactive, and it's spreading through the Internet at the speed of light. To the player, the Alternate Reality Game has no boundaries. You can be standing in a parking lot, or a shopping center. A pay phone near you will ring, and on the other end will be someone demanding information. You'd better have the information handy. ARGs combine video, text adventure, radio plays, audio, animation, improvisational theatre, graphics, and story into an immersive experience. Now, one of science fiction's most acclaimed writers, Walter Jon Williams, brings this extraordinary phenomenon to life in a pulse-pounding thriller. This is not a game. This is a novel that will blow your mind.

The Most Dangerous Game *BEYOND BOOKS HUB*

♥♥ The Most Dangerous Game by Richard Connell ♥♥ The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has

won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

The Luckless

A Mmorp and Litrpg Online Adventure

Welcome to Retha, the full submersion video game where you can be the hero of your own adventure. Unfortunately for Kit, it only takes one moment to turn the game into a nightmare. When Chronicles of Retha experiences a software malfunction, Kit—a disenchanted veteran player—is stuck in the game without a way to log off. Even worse, she's trapped playing as the most defective character possible, an elf dancer that was meant to be a prank. Thankfully, she receives word that there is a way out. But the only escape route is to defeat the game's ultimate villain.

Kit, in her joke character, must fight her way through some of the worst Retha has to offer. Her only help is a party of low-leveled players just as powerless as she is, and the occasional act of mercy from one of the best players in the game, the taciturn (and aloof) Solus Miles. Can Kit and her new friends finish the quest, or will Retha be their end?

Trapped in a Video Game

Jesse Rigsby doesn't even like video games, yet here he is trapped in the video game Full Blast. His dumb friend Eric probably has something to do with this, but Jesse doesn't have time to worry about that now because he's got a blaster stuck to his
