Total Project Control A Practitioners

"Stephen Devaux puts forth a manifesto for how project management can drive profits when projects are managed and measured as investments. Not only is Total Project Control a practitioner's guide, it is also an executive's overview of how to view projects and invest wisely for returns to the bottom line. The benefit of how Devaux lays out the text is that a project manager can use it a quick resource for any phase of the project without having to read it cover to cover.
