2016 What Horses Teach Us

Horses teach us to be flexible, both physically and mentally. Sometimes when you're working with an animal that weighs 1,000 pounds or more, you're not going to get your way immediately. You have to learn to be flexible mentally. Horses are large animals, and you never know exactly what to expect from them.

What Horses Teach Us - The Odyssey Online

Horses are no longer just for transportation, sports or companionship. They are teachers and powerful personal development partners. Horses are like four-legged stars — bright shining lights that most of us stare at in awe. Their size, their power, and the way they light us up inside have the same effect as a cosmic star in the night sky.

What horses can teach us about managing people at work ...

What Horses Can Teach Us About Ourselves. ... Most of us horses are that way. We just shut down inside when we are around people, so most of the time we don't even know how we feel or what we think because we have to hide those feelings away in order to keep on going. We assume that no one really cares about what we have to say anyway.
