 business entities.

Strategic Planning Tips for Successful Mergers ...

The business plan is an invaluable asset when planning M&A. It creates a roadmap for what you're looking for from a business acquisition, as well as providing reassurance to those funding the deal that the rationale behind it is solid and that the decision to acquire is not being made on a whim. The format of the business plan for an acquisition has a similar structure to that of a business plan for a startup and includes many of the same sections.
