Pavement Marking Compatibility. Traffic paint may be applied over itself or over any other type of pavement marking. However, traffic paint debonds more quickly when it is applied over durable markings (i.e. epoxy, polyester, thermoplastic, or preformed tape). Traffic paint should not normally be applied over durable markings (longline or special

I loved the idea of the dot daubers. I am also worried about the water bottles being to thin that the students would squeeze to hard and would be wearing the paint. I am going to check out the travel section in the Dollar Store and see if they have small travel size bottles that would be a little sturdier.
