In Teen Angst! Naaah . . . Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many teens experience, and which often is dismissed as simple ‘angst’. From the author of Broadway musical sensation Be More Chill and It's Kind of a Funny Story, this is a quasi-autobiographical examination of one high schooler’s battle with social anxiety, written when the author was just nineteen. “Fiercely intelligent and introspective . . . "A debut worth picking up. Stark and realistic." —RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place--possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as "Sapphire"--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. A Georgia Davis Novel of Suspense *The Red Herrings Press*

How do you solve a murder when there are 42,000 suspects? That's the task facing Chicago PI Georgia Davis, hired to hunt down those ultimately responsible for the assassination of Resistance leader Dena Baldwin at a demonstration fourteen months after the 2016 election. The gunman, on a nearby hotel rooftop, dies within minutes of the shooting. As Georgia sifts through Dena's 42,000 Facebook followers, she discovers that unknown enemies hiding behind fake profiles have infiltrated the group. She finds others who will do whatever it takes—including murder—to shield right-wing, wealthy elites. When Georgia begins piecing together the facts, relatives of both victims

mysteriously disappear, and the danger escalates. Threats and bruises have never frightened Georgia, but she's side-swiped by the sudden reappearance of the mother who abandoned her when she was a child. Can she survive an emotional family crisis at the same time she pursues killers whose only goal is to protect themselves? PRAISE FOR HIGH CRIMES " (A) smart, multi-layered plot which perfectly exemplifies our modern society ... Fans of all political stripes will enjoy this combination of intricate family relationships and realistic crime fiction." Julie Whiteley, Library Journal "Entertaining...(Georgia is) a shrewd investigator... for readers who watch the nightly news with dismay, the novel offers a satisfying alternate reality." Publishers Weekly "HIGH CRIMES is the P.I. novel for our moment, not just because of its backdrop of political tension, but because of the resilient strength of its characters. Georgia Davis is a terrific lead, and Libby Fischer Hellmann calls on her own journalism background to add layers of realism to this all-too plausible plot." Michael Koryta, NY Times Bestselling Author of HOW IT HAPPENED "In this ripped from the headlines and rocket-paced thriller, Libby Fischer Hellmann is at the top of her game. You won't stop turning the pages, gripped by every twist and turn. And the tough, smart Georgia Davis is sure to take her place among the top female PIs in crime fiction." Lisa Unger, NY Times Bestselling Author of UNDER MY SKIN "More than just a murder investigation, but even if you ignore the broader truths, it's a fun read. How Hellmann managed to write this novel as if it was pulled from today's headlines is beyond me. Maybe she has a time machine. I highly recommend it." Pat Balester, Picks by Pat "While the story is politically driven, this is still a solid mystery filled with familiar characters who act without political motives... This series continues to improve with each novel." Ted Hertel, Deadly Pleasures Magazine

A Tender Thing *Penguin*

An exhilarating debut novel set under the dazzling lights of late 1950s Broadway, where a controversial new musical pushes the boundaries of love, legacy, and art. Growing up in rural Wisconsin, Eleanor O'Hanlon always felt different. In love with musical theater from a young age, she memorized every show album she could get her hands on. So when she discovers an open call for one of her favorite productions, she leaves behind everything she knows to run off to New York City and audition. Raw and untrained, she catches the eye of famed composer Don Mannheim, who catapults her into the leading role of his new work, A Tender Thing, a provocative love story between a white woman and black man, one never before seen on a Broadway stage. As news of the

production spreads, setting off an outpouring of protest that threatens the possibility of the show itself, Eleanor is forced to confront her own naive beliefs about the world. Pulsing with the vitality and drive of 1950s New York, *A Tender Thing* immerses readers right into the heart of Broadway's Golden Age, a time in which the music soared and the world was on the brink of change.

What follows is a series of events that will turn Adam's life into chaos as his decision unleashes the wrath of an obsessed woman determined to keep Adam by her side. Irene has only ever loved one man, and she will go to great lengths to keep him--by any means necessary. She knows that Adam has been in love with another woman for years, but is convinced that he will eventually fall in love with her and forget that the other woman ever existed.
