Five Faces Of Modernity Matei

Five Faces of Modernity is a series of semantic and cultural biographies of words that have taken on special significance in the last century and a half or so: modernity, avant-garde, decadence, kitsch, and postmodernism. The concept of modernity—the notion that we, the living, are different and somehow superior to our predecessors and that our civilization is likely to be succeeded by one even superior to ours—is a relatively recent Western invention and one whose time may already have ...
