The Code of Canon Law

**Code of Canon Law,
Latin-English Edition**

New English Translation *Canon Law Society of America*
Ships from multiple locations.

The 1917 Or Pio-Benedictine Code of Canon Law

In English Translation with Extensive Scholarly Apparatus *Ignatius Press*

Available for the first time in a comprehensive English translation, this thoroughly annotated but easy-to-use presentation of the classic 1917 Code of Canon Law by canon and civil lawyer Dr. Edward Peters is destined to become the standard reference work on this milestone of Church law. More than just of historical interest, the 1917 Code

is an indispensable tool for understanding the current 1983 Code under which the Roman Catholic Church governs itself. Dr. Peters' faithful translation of the original Latin text of 1917, along with his detailed references to such key canonical works as Canon Law Digest and hundreds of English language doctoral dissertations on canon law produced at the world's great Catholic universities, now allows researchers to access directly this great fountain of ecclesiastical legal science. No student of canon law, and indeed, no one with a need to understand modern Church administration, can afford to be without this important volume.

The Catholic Formulary

In Accordance with the Code of Canon Law, Vol. 3

Vol. 3: First Instance Marriage Nullity Acts. This book is an attempt to meet the needs of canonists and other church officials who need a guide in drawing up ecclesiastical documents which meet the requirements of canon law. Many canonists and other

church officials, in the performance of their duties, draw up ecclesiastical documents such as official letters, decrees, rescripts, indults, &c. Such church documents must meet the requirements of canon law for drawing up ecclesiastical documents. Thus, this book is meant to serve as a guide to assist bishops, priests, deacons, religious, and lay church officials in the exercise of their ecclesial duties. It has several sample forms of church documents for use in chanceries, tribunals, religious houses, monasteries, nunneries, and parishes. Every effort has been made to ensure that the samples in this book meet the requirements of canon law. You will

find this book very useful and handy as a reference guide, a blueprint, a resource material for drawing up ecclesiastical documents.

The Code of Canon Law

New Revised English Translation

The Code of Canon Law, in English Translation *London : Collins ; Ottawa : Canadian Conference of Catholic Bishops*
Translated from the Latin. "Table of canons": pages 311-318.

Canon Law Explained

A Handbook for Laymen *Sophia Institute Press*
Not only inefficiency,

but frustration, disorder, anger, and injustice threaten all human endeavors, no matter how pure their motives or high their ideals. That's why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies, how conflicts are to be resolved, and, above all, how each organization's mission is (and is not) to be accomplished. Is it any wonder then that the Catholic Church—comprised not of 200 persons but 1.2 billion members in 200 countries—also governs itself by means of a handbook, which it calls the Code of Canon Law? Because handbooks and manuals concern themselves with the day-to-day inner working of organizations, they often reveal more than do news releases about the actual purposes and genuine spirit of organizations: a fact that's particularly true in the case of the Catholic Church. Indeed, if you want to know the Church for who She is, you need to be familiar with the Code of Canon Law. Unfortunately, it contains over 1,752 rules (or canons). Among them, you'll find fascinating canons that lay out the Church's official principles and procedures governing matters as various as abbots and annulments, scandals and Sacraments, monks and missions, bishops and books,

priests and popes, synods and sacraments, homeschoolers, hostile witnesses, baptisms, burials, parishes, penance, confessions, Councils, impotence, imprimaturs, and, even marriages to the person who murdered your spouse! Thankfully, Vatican expert and veteran author Fr. Laurence Spiteri has in the pages of *Canon Law Explained* relieved you of the need to read all 1,752 of them (fascinating or not). Here he acquaints you with the fundamental canons by which the Church seeks to bring about, as it declares in the very last canon, the purpose all of them serve: "The salvation of souls, which must always be the supreme law in the Church." Fr.

Spiteri's brief, but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non-Catholics about our Church and that sometimes frustrates even us Catholics. As he relates the Church's laws and procedures directly to Christ's command "to go forth and teach all nations"—and to the role those laws and procedures play in your salvation and mine—Fr. Spiteri transforms what seem to be dry-as-dust rules into the sweet waters of salvation. If you want to know the Church for who She is—and to love Her more—*Canon Law Explained* is the book for you.

**A Practical
Commentary on the
Code of Canon Law**

The Canon Law Letter & Spirit

A Practical Guide to the Code of Canon Law *Continuum*

This is a practical guide for priests in parishes, teachers and students in seminaries, for those working in diocesan administration, for members of religious institutes, and not least for interested lay people. Its stated aim is to show the public what, in practical terms, are the effects in the daily life of the Church of the many profound documents of the Second Vatican Council.

A Commentary on the New Code of Canon Law

Code of Canon Law Annotated

Latin-English Edition of the Code of Canon Law and English-language Translation of the 5th Spanish-language Edition of the Commentary

An Introduction to Canon Law *A&C Black*

This new edition of An Introduction to Canon Law has been updated to reflect changes and adaptations in canon law, as well as to uncover new resources in the field. It offers an introductory orientation to all of canon law, it outlines and overviews the various specialized areas of the law, and it sketches the structure and function of the offices within the church and how they relate to one another. The book gives historical perspectives,

and focuses on the rights and duties of Catholics in the church.

Introduction to Canon Law, Third Edition, An: Revised and Updated *Paulist*

Press

This is a clear, readable introduction to the basic structures and areas of church rules from one of the nation's most respected canonists. It is now revised, considering the most recent changes to church law, including those initiated by Pope Francis.

A Commentary on the New Code of the Canon Law

Quo Vadis?

Collegiality in the Code of Canon Law

Columba Press (IE)

A timely contribution to the current direction of Vatican II's teachings on collegiality.

The New Canon Law

**A Commentary on
the New Code of
Canon Law**

For several months past the articles by Father Stanislaus Woywod in the Ecclesiastical Review have informed the clergy of the most important features of the new Code of Canon Law. The same author now gives to the public a Summary and Commentary of the whole Code. As the present volume is published mainly with a view of the needs of the clergy engaged in the care of souls, the bulk of the book has been kept as compact as possible; wherefore in such places only where explanation and comment seemed necessary they have been given, and in as brief a form as possible. Chapters

which are not needed by every priest have been mentioned only with few words and en passant, as it were. The fourth and the fifth Book have been summed up very briefly, giving the most important points of legislation contained therein. A very complete Index will make it easy to find any desired point of law. We heartily congratulate Father Woywod on the good work and trust that the clergy of the United States will be pleased to find in this volume a welcome means of acquiring the necessary knowledge of the new legislation of the Church. This book was published shortly after the promulgation of the Codex Juris Canonici in 1917. It must be

remembered that the Code of Canon Law promulgated in 1917 did not replace the previous law, it was merely a codification in one place of the law of the Catholic Church. Canon Law remains constant throughout history, adapting to changing circumstances in those which are adaptable and remaining firm in those which are unchangable, such as the Natural Law and Divine Law which finds its way into the Code of Canon Law of the Church.

The Canon Law Digest

Exegetical Commentary on the Code of Canon Law

"The English edition of The Exegetical Commentary on Canon

Law represents the culmination of Professor Pedro Lombardia's visionary attempt to provide a thorough commentary on the Codex Iuris Canonici [CIC], which was promulgated in 1983."

The Sacramentals According to the Code of Canon Law

A Practical Formulary in Accordance with the Code of Canon Law

Createspace

Independent Publishing Platform

Although the Catholic Church in our democratic times tends to avoid excessive formalities in displaying its activities, such as it was wont to do in the Middle Ages, and also being inclined to simplify many legal

acts, nevertheless, the modern Code of Canon Law, one of the best, prescribes the use of determined forms in order that the life of this divine institution may properly function. Thus, the Code demands that some acts must be written under pain of invalidity, e. g., the erection of each moral person, the formal excommunication (c. 112), various acts in the judicial procedure, etc. Many other acts are merely required to be written, such as the provision of an ecclesiastical office (c. 159), the consecration and blessing of a particular place (c. 1158), dimissorial letters (c. 960), dispensations (c. c. 1046-1047), etc. The Code also establishes the necessary

elements for the drawing up of valid and licit documents. Concerning the language in which the acts should be written, the Code sometimes requires the Latin language, e. g., for petitions to be sent to the Holy See, or for the sentences in judicial procedure, etc. Sometimes the vernacular language (English) is permitted, according to the local customs. Since priests of many diocesan Curias, parishes, and religious orders exercising their essential duties do not always have sufficient time to consult the Code of Canon Law, I give in this book a quick and ready reference to the more important forms and elements which must be included in those forms concerning each occasion of the Church's activity according to the requirements prescribed by the Code of Canon Law and the approved consuetudes in the United States. Hence, the title of this book: "A Practical Formulary in Accordance With the Code of Canon Law." This formulary is the first of its kind in the United States. Therefore, I hope this book will be of great help to every secular priest and religious, the officials of Curias, pastors and curates, and all persons who are aware of legal acts concerning themselves. The book is divided into seven parts: The first part contains profession of faith and different oaths; the second part

gives forms concerning the diocesan administration; the third part regards the parish and parish organizations; the fourth part concerns the administering of all the Sacraments; the fifth part contains the forms for the use of religious orders and congregations; the sixth part regards the judicial and administrative procedure of processes; and the last part contains the ecclesiastical penalties. Before each form, brief notes explain the purpose, conditions, and possible changes to be made in the formula, and these notes prescribe the proper use of the form. In a case where the common law or the local custom of the United States or of the

diocese permits the form to be given in two languages, English and Latin, it is given here thus. The form in English, sometimes the outline of it, is sent to the priest or to the Bishop, and the Latin form is usually the one to be filed in the archives of the Chancery or of the parish. Since the Code of Canon Law does not prescribe the Latin language in many cases, the English form is given here for almost every case. The Latin form, however, may present the reader with the important material needed to draw up his own form, adjusted to conform with the particular case.

Principles of Privilege According to the Code of Canon Law

Revised Code of Canon Law for the Catholic Church, Background Materials

Custom as a Source of Law *Cambridge University Press*

A central puzzle in jurisprudence has been the role of custom in law. Custom is simply the practices and usages of distinctive communities. But are such customs legally binding? Can custom be law, even before it is recognized by authoritative legislation or precedent? And, assuming that custom is a source of law, what are its constituent elements? Is proof of a consistent and long-standing practice sufficient, or must there be an extra ingredient - that the

usage is pursued out of a sense of legal obligation, or, at least, that the custom is reasonable and efficacious? And, most tantalizing of all, is custom a source of law that we should embrace in modern, sophisticated legal systems, or is the notion of law from below outdated, or even dangerous, today? This volume answers these questions through a rigorous multidisciplinary, historical, and comparative approach, offering a fresh perspective on custom's enduring place in both domestic and international law.
