Don't Even Think About It Bloomsbury Publishing USA

The director of the Climate Outreach and Information Network explores the psychological mechanism that enables people to ignore the dangers of climate change, using sidebars, cartoons and engaging stories from his years of research to reveal how humans are wired to primarily respond to visible threats.

Don't Even Think About It Delacorte Press

A smart, sassy contemporary teen novel full of romance, secrets, and ESP from the author of Ten Things We Did (And Probably Shouldn't Have) and Bras & Broomsticks! We weren't always like this. We used to be average New York City high school sophomores. Until our homeroom went for flu shots. We were prepared for some side effects. Maybe a headache. Maybe a sore arm. We definitely didn't expect to get telepathic powers. But suddenly we could hear what everyone was thinking. Our friends. Our parents. Our crushes. Now we all know that Tess is in love with her best friend, Teddy. That Mackenzie cheated on Cooper. That, um, Nurse Carmichael used to be a stripper. Since we've kept our freakish skill a secret, we can sit next to the class brainiac and ace our tests. We can dump our boyfriends right before they dump us. We know what our friends really think of our jeans, our breath, our new bangs. We always know what's coming. Some of us will thrive. Some of us will crack. None of us will ever be the same. So stop obsessing about your ex. We're always listening. "Smart and frequently hilarious."--Publishers Weekly, starred "A tour-de-force comic narration that will leave you gasping in awe—if you ever catch your breath from laughing."—E. Lockhart, author of We Were Liars "Hilarious, moving, and utterly ingenious."—Robin Wasserman, author of The Book of Blood and Shadow and The Waking Dark "Sarah Mlynowski does it again with a fresh, fun, and fabulous story . . . Don't even THINK about passing up this hilarious read!" —Elizabeth Eulberg, author of The Lonely Hearts Club "Funny, realistic, heartfelt, satiric, and unpredictable." —Ned Vizzini, New York Times bestselling author of It's Kind of a Funny Story A 2015 Tayshas High School Reading List title

Don't Even Think About It *Simon and Schuster*

Three's company.... Best chums Sally, Jude, and Michael are living the single life in cool flats a mere stone's throw apart in London. But the girls find the sitcom life they love taking an unexpected twist when Michael's new girlfriend, Katie, moves in with him. Michael's a notorious womanizer -- he broke it off with Sally years ago -- and the girls have gotten used to his endless parade of brunettes. Sally acts like she's over Michael; Jude prides herself on knowing better; and they're both sure Katie's not going to last. Four's a crowd. Katie's not particularly thrilled that Michael's ex and her best friend live right across the street, but she makes the best of it. After all, things with Michael are going brilliantly, and he seems determined to commit to their future. But when another brunette from Michael's past arrives from Paris and Katie begins to fear that she's just another notch on Michael's bedpost, the girls realize that they're all just playing parts in Michael's drama. So what will his reaction be when they try to break free? Don't even think about it!

Don't Make Me Think *Pearson Education*

Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to _____. - Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. Don't Make Me Think! showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." -- Jeffrey Zeldman, author of Designing with Web Standards

I See London, I See France *HarperCollins*

"This endlessly fun and hugely entertaining romp through Europe had me laughing out loud and reaching for my passport." —Jennifer E. Smith, author of Windfall A POPSUGAR Best Young Adult Novel of 2017! Nineteen-year-old Sydney has the perfect summer mapped out. She's spending the next four and a half weeks travelling through Europe with her childhood best friend Leela. Their plans include Eiffel Tower selfies, eating cocco gelato, and making out with très hot strangers. Her plans do not include Leela's cheating ex-boyfriend showing up on the flight to London, falling for the cheating ex-boyfriend's très hot friend, monitoring her mother's spiraling mental health via texts, or feeling like the rope in a friendship tug of war. In this hilarious and unforgettable adventure, New York Times bestselling author Sarah Mlynowski tells the story of a girl learning to navigate secret romances, thorny relationships, and the London Tube. As Sydney zigzags through Amsterdam, Switzerland, Italy, and France, she must learn when to hold on, when to keep moving, and when to jump into the Riviera...wearing only her polka dot underpants.

Don't Even Think About It *The O'Brien Press*

Hi, I'm Liz Jackson. I'm 13 (almost). I'm also a latchkey kid since Mam walked out: now it's just me and Dad and big-bum Marjorie, oh, and my best friend Bumble (soon to be ex-best friend). Things I love: White Musk perfume, Eminem, pepperoni and pineapple pizza and the pizza delivery boy. Things I hate: the girl next door, my Dad's lumpy porridge and my gross chin dimple. Things I'm terrified of: my first date (coming up soon), my first date (not long now), and my first date (just around the corner). This is my diary. Anyone who opens it will die a slow and horrible death. So Don't Even Think About It! Don't Even Think About It is part of the O'Brien Press's new Journal series for girls.

Shoe Dog *Simon and Schuster*

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named Shoe Dog one of his five favorite books of 2016 and called it "an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do." Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner

of the world. But Knight, the man behind the swoosh, has always been a mystery. In Shoe Dog, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

Love and Other Words *Simon and Schuster*

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel Love and Other Words...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

The Outsiders *Pearson UK*

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

The Inheritance Games *Little, Brown Books for Young Readers*

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

Daughter of the Pirate King *Macmillan*

A 17-year-old pirate captain INTENTIONALLY allows herself to get captured by enemy pirates in this thrilling YA adventure from debut author Tricia Levenseller.

Mybook *Scholastic Nonfiction*

MYBOOK: JUST FOR ME is a new style of quiz book, which includes tons of themed quizzes and unique activity pages in a sturdy board-backed format with a taped spine that lays flat for easier drawing, writing and creating. UK teens and tweens will love the super-cool American approach they know and love from their favourite TV shows.

Think Again *Penguin*

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Think Twice *Createspace Independent Publishing Platform*
Publisher information from iPage.IngramContent.com.

Don't Let the Pigeon Drive the Bus!

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

Gitme a Call *Ember*

Who better to take advice from than your future self? This hilarious novel from the author of Ten Things We Did (And Probably Shouldn't Have), Don't Even Think About It, and the Magic in Manhattan series is sweet, entertaining, and all-too-relatable. A new life is just a phone call away! Devi's life isn't turning out at all like she wanted. She wasted the past three years going out with Bryan—cute, adorable, break-your-heart Bryan. Devi let her friendships fade, blew off studying, didn't join any clubs . . . and now that Bryan has broken up with her, she has nothing left. Not even her stupid cell phone—she dropped it in the mall fountain. Now it only calls one number . . . hers. At age fourteen, three years ago! Once Devi gets over the shock—and convinces her younger self that she isn't some wacko—she realizes that she's been given an awesome gift. She can tell herself all the right things to do . . . because she's already done all the wrong ones! Except . . . what if getting what you think you want changes everything? "Mlynowski is in peak form: an outrageous concept, plot jammed with twists, a laugh on every page, and a heroine — no, two heroines in one! — you completely connect with." —E. Lockhart, New York Times bestselling author of Genuine Fraud and We Were Liars "Read this fast-paced, absorbing, and sweet story to find out what happens when senior-year wisdom meets starry-eyed freshman dreams!" —Melissa de la Cruz, New York Times bestselling author of The Isle of the Lost, Blue Bloods, and Alex and Eliza "A warm, wonderful (and hilarious!) story about learning to be your own hero. I ♥ this book like crazy!!" —Lauren Myracle, New York Times bestselling author of TTYL and Twelve

Daisy Jones & The Six *National Geographic Books*

A PENGUIN BOOK CLUB PICK NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: The Washington Post • Esquire • Glamour • CBC • NPR • Marie Claire • Real Simple • Good Housekeeping • Parade • Shelf Awareness • BookRiot • E! News • Mental Floss • Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." —Reese Witherspoon (Reese's Book Club x Hello Sunshine pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

The Dictionary of Obscure Sorrows *Simon and Schuster*

NEW YORK TIMES BESTSELLER “It’s undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. “ —The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don’t have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: “sonder.” Or maybe you’ve watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That’s called “lachesism.” Or you were looking through old photos and felt a pang of nostalgia for a time you’ve never actually experienced. That’s “anemoia.” If you’ve never heard of these terms before, that’s because they didn’t exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows “creates beautiful new words that we need but do not yet have,” says John Green, bestselling author of The Fault in Our Stars. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “astrophe,” the longing to explore beyond the planet Earth, to “zenosyne,” the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

The Subtle Art of Not Giving a F*ck *HarperCollins*

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we’ve been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let’s be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn’t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let’s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones

really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

How to Count to ONE

Embrace *Sourcebooks, Inc.*

It starts with a whisper: "It's time for you to know who you are..." On her 17th birthday, everything will change for Violet Eden. The boy she loves will betray her. Her enemy will save her. She will have to decide just how much she's willing to sacrifice. A centuries old war between fallen angels and the protectors of humanity chooses a new fighter. It's a battle Violet doesn't want, but she lives her life by two rules: don't run and don't quit. If angels seek vengeance and humans are the warriors, you could do a lot worse than betting on Violet Eden. LINCOLN: He's been Violet's one anchor, her running partner and kickboxing trainer. Only he never told her he's Grigori-part human, part angel- and that he was training her for an ancient battle between Angels and Exiles. PHOENIX: No one knows where his loyalties lie, yet he's the only one there to pick up the pieces and protect her after Lincoln's lies. In a world of dark and light, he is all shades of gray. Two sides: Angel or Exile. Two guys: Lincoln or Phoenix. The wrong choice could cost not only her life, but her eternity... The Embrace Series: Embrace (Book 1) Entice (Book 2) Emblaze (Book 3) Endless (Book 4) Empower (Book 5) Praise for Embrace: In her YA paranormal romance debut, Jessica Shirvington combines "the badass-action of Vampire Academy, the complex love triangles of Twilight, and the angel mythology of Fallen, taken one step further." -Book Couture "Shirvington's debut is smart, edgy and addictive-and sure to leave readers clamoring for the rest of the series."- Kirkus Reviews, STARRED "One of the best YA novels we've seen in a while. Get ready for a confident, kick-butt, well-defined heroine." - RT Book Reviews

Rework *Currency*

Rework shows you a better, faster, easier way to succeed in business. Most business books give you the same old advice: Write a business plan, study the competition, seek investors, yadda yadda. If you're looking for a book like that, put this one back on the shelf. Read it and you'll know why plans are actually harmful, why you don't need outside investors, and why you're better off ignoring the competition. The truth is, you need less than you think. You don't need to be a workaholic. You don't need to staff up. You don't need to waste time on paperwork or meetings. You don't even need an office. Those are all just excuses. What you really need to do is stop talking and start working. This book shows you the way. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you. With its straightforward language and easy-is-better approach, Rework is the perfect playbook for anyone who’s ever dreamed of doing it on their own. Hardcore entrepreneurs, small-business owners, people stuck in day jobs they hate, victims of "downsizing," and artists who don’t want to starve anymore will all find valuable guidance in these pages.

Hope in the Dark *Haymarket Books*

“[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes” (Vice). A book as powerful and influential as Rebecca Solnit’s Men Explain Things to Me, her Hope in the Dark was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian “No writer has better understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times–bestselling author of Falter “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker

Fahrenheit 451 *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

The Blue Book of Grammar and Punctuation *John Wiley & Sons*

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. Don't Even Think of Parking Here! *Touchstone*

Offers advice on how to travel by car in New York and discusses rentals, emergencies, parking lots, theft prevention, and repair shops

The Great Mental Models: General Thinking Concepts

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series

designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

Press Reset

Based on dozens of firsthand interviews and covering the development of landmark games including Bioshock: Infinite, Epic Mickey, Dead Space, and more, and through the studios' shocking closures, this book will tell the stories of how real people are affected by game studio shutdowns, and how and if they recover

At the Edge of the Universe Simon and Schuster

From the author of We Are the Ants and The Five Stages of Andrew Brawley comes the heartbreaking story of a boy who believes the universe is slowly shrinking as things he remembers are being erased from others' memories. Tommy and Ozzie have been best friends since the second grade, and boyfriends since eighth. They spent countless days dreaming of escaping their small town—and then Tommy vanished. More accurately, he ceased to exist, erased from the minds and memories of everyone who knew him. Everyone except Ozzie. Ozzie doesn't know how to navigate life without Tommy, and soon he suspects that something else is going on: that the universe is shrinking. When Ozzie is paired up with new student Calvin on a physics project, he begins to wonder if Calvin could somehow be involved. But the more time they spend together, the harder it is for him to deny the feelings developing between them, even if he still loves Tommy. But Ozzie knows there isn't much time left to find Tommy—that once the door closes, it can't be opened again. And he's determined to keep it open as long as it takes to get his boyfriend back.

Bras & Broomsticks Delacorte Press

From the New York Times bestselling author of the Whatever After series, the first book in the hilariously bewitching Magic in Manhattan series! What if all your wishes could come true? Blink your eyes, drink a fizzing pink potion, and poof! Life is perfect. That's Rachel's situation. Except she's not the one who suddenly has magical powers. Her younger sister is. And as Rachel would tell you, spellbooks are wasted on the young! Yes, yes, of course world peace and cures for horrible diseases are important. But so is dancing without looking like she's being electrocuted, winning back her best friend, stopping her dad's wedding, and finding a date for Spring Fling. Rachel's not bewitched. Yet. . . . "Sabrina fans will get a witchy kick out of Bras & Broomsticks!"—Meg Cabot, New York Times bestselling author of The Princess Diaries "Poof, instant bliss."—Lauren Myracle, New York Times bestselling author of TTYL and Rhymes with Witches "One magical romp you won't want to miss."—Discovery Girls "Hilarious." —Teen People

Ten Things We Did (and Probably Shouldn't Have) Harper Collins

Praised by New York Times bestselling author Lauren Myracle as “hilarious, moving and flat-out fun,” and Kirkus as a “pitch-perfect rendering...of the teen experience,” Ten Things We Did (and Probably Shouldn't Have) has captured the hearts of critics and readers alike. Fans of Sarah Dessen, E. Lockhart, and Maureen Johnson will love this hilarious and heartwarming tale of a girl on her own for the first time. If given the opportunity, what sixteen-year-old wouldn't jump at the chance to move in with a friend and live parent-free? Although maybe “opportunity” isn't the right word, since April had to tell her dad a tiny little untruth to make it happen (see #1: “Lied to Our Parents”). But she and her housemate Vi are totally responsible and able to take care of themselves. How they ended up “Skipping School” (#3), “Buying a Hot Tub” (#4), and, um, “Harboring a Fugitive” (#7) is a mystery to them. To get through the year, April will have to juggle a love triangle, learn to do her own laundry, and accept that her carefully constructed world just might be falling apart . . . one thing-she-shouldn't-have-done at a time.

Don't Even Think about Ripping Me Off!

Learn how to find good contractors, how to check them out, the building permitting process, insurance issues you may not know about, what should and should not be in your contract, how to set up payment schedules to protect your money, how not to get ripped off and a whole lot more! "I wish I had this book before I lost over \$5000 to a con artist that seemed like a really nice guy. This book has empowered me to avoid making that mistake again. GREAT information! Thanks!" S. Cooper "I'm so embarrassed that I got ripped off. I thought I knew how to handle the contractor, figured it was common sense. This book made me realize that I didn't know much at all. Hard lesson to learn, but I'm glad I now have the knowledge to match my ego! Thanks Phae!!" J. Smith "I'm so glad that I read this book before I installed my kitchen. There were so many things that I didn't even know that I didn't even know! I did everything you instructed and the job ran smoothly. I'm getting books for all of my clients!" D. Harrison

Ask a Manager Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you

should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Grit Simon and Schuster

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

The Book with No Pictures Penguin

A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, The Book with No Pictures is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

Beyond Words Macmillan

In a world where we usually measure animals by human standards, prize-winning author and MacArthur Fellow Carl Safina takes us inside their lives and minds, witnessing their profound capacity for perception, thought and emotion, showing why the word "it" is often inappropriate as we discover who they really are. Weaving decades of observations of actual families of free-living creatures with new discoveries about brain functioning, Carl Safina's narrative breaches many commonly held boundaries between humans and other animals. InBeyond Words, readers travel the wilds of Africa to visit some of the last great elephant gatherings, then follow wolves of Yellowstone National Park sort out the aftermath of their personal tragedy, then plunge into the astonishingly peaceful society of killer whales living in waters of the Pacific Northwest. We spend quality time, too, with dogs and falcons and ravens; and consider how the human mind originated. In his wise and passionate new book, Safina delivers a graceful examination of how animals truly think and feel, which calls to question what really does—and what should—make us human.

Don't Think of an Elephant! Scribe Publications

Don't Think of An Elephant is the antidote to decades of conservative strategising and the right's stranglehold on political dialogue. More specifically, it is the definitive handbook for understanding and communicating effectively about key social and political issues. George Lakoff explains in detail exactly how the right has managed to co-opt traditional values in order to popularise its political agenda. He also provides examples of how the centre-left can address the community's core values and re-frame political debate to establish a civil discourse that reinforces progressive positions. Don't Think of An Elephant provides a compelling linguistic analysis of political campaigning. But, more importantly, it demonstrates that real political values and ideas must provide the foundation for political progress by the centre-left.

Tikki Tikki Tembo (Spanish language edition) Square Fish

The Spanish language edition of one of the world's most beloved picture books, Tikki Tikki Tembo. Tikki tikki tembo-no sa rembo- chari bari ruchi-pip peri pembo! Three decades and more than one million copies later children still love hearing about the boy with the long name who fell down the well. Arlene Mosel and Blair Lent's classic re-creation of an ancient Chinese folktale has hooked legions of children, teachers, and parents, who return, generation after generation, to learn about the danger of having such an honorable name as Tikki tikki tembo-no sa rembo-chari bari ruchi-pip peri pembo. Tikki Tikki Tembo is the winner of the 1968 Boston Globe - Horn Book Award for Picture Books. This is the Spanish language edition.

Stuff They Don't Want You to Know Flatiron Books

“Interesting...Bowlin's calmly rational approach to the subject of conspiracy theories shows the importance of logic and evidence.”—Booklist "A page-turning book to give to someone who believes in pizza pedophilia or that the Illuminati rule the world."—Kirkus Reviews The co-hosts of the hit podcast Stuff They Don't Want You to Know, Ben Bowlin, Matthew Frederick, & Noel Brown, discern conspiracy fact from fiction in this sharp, humorous, compulsively readable, and gorgeously illustrated book. In times of chaos and uncertainty, when trust is low and economic disparity is high, when political institutions are crumbling and cultural animosities are building, conspiracy theories find fertile ground. Many are wild, most are untrue, a few are hard to ignore, but all of them share one vital trait: there's a seed of truth at their center. That seed carries the sordid, conspiracy-riddled history of our institutions and corporations woven into its DNA. Ben Bowlin, Matt Frederick, and Noel Brown host the popular iHeart Media podcast, Stuff They Don't Want You To Know. They are experts at exploring, explaining, and interrogating today's emergent conspiracies—from chem trails and

biological testing to the secrets of lobbying and the indisputable evidence of UFOs. Written in a smart, witty, and conversational style, elevated with amazing illustrations, *Stuff They Don't Want* You to Know is a vital book in understanding the nature of conspiracy and using truth as a powerful weapon against ignorance, misinformation, and lies.
