For years, unbeknownst to his wife and teenage daughter, Martin Reese has been illegally buying police files on serial killers and obsessively studying them, using them as guides to find the missing bodies of victims. He doesn’t take any souvenirs, just photos that he stores in an old laptop, and then he turns in the results anonymously. Martin sees his work as a public service, a righting of wrongs. Detective Sandra Whittal sees the situation differently. On a meteoric rise in police ranks due to her case-closing efficiency, Whittal is suspicious of the mysterious source she calls the Finder, especially since he keeps leading the police right to the bodies. How can he know where all these bodies are located if he’s not the one putting them there? On his latest dig, Martin searches for the first kill of Jason Shurn, the early 1990s murderer who may have been responsible for the disappearance of his wife’s sister. But when he arrives at the site, he finds more than just bones. There’s a freshly killed body—a young and missing Seattle woman—lying there. Someone else knew where Jason Shurn left the corpses of his victims...and that someone isn’t happy that Martin has been going around digging up his work. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. "Funny, incisive, and timely ... Jameson does for geeks what geek culture does for its superheroes: he takes them seriously, respects their power, and refuses to hide his deep affection." —Lawrence Kasdan, co-screenwriter of *The Empire Strikes Back*, *Return of the Jedi*, *The Force Awakens*, and *Solo: A Star Wars Story* In *I Find Your Lack of Faith Disturbing*, A. D. Jameson takes geeks and non-geeks alike on a surprising and insightful journey through the science fiction, fantasy, and superhero franchises that now dominate pop culture. Walking us through the rise of geekdom from its underground origins to the top of the box office and bestseller lists, Jameson takes in franchises like *The Lord of the Rings*, *Guardians of the Galaxy*, *Harry Potter*, *Star Trek*, and, in particular, *Star Wars*—as well as phenomena like fan fiction, cosplay, and YouTube parodies. Along the way, he blasts through the clichés surrounding geek culture: that its fans are mindless consumers who will embrace all things Spider-Man or Batman, regardless of quality; or that the popularity and financial success of *Star Wars* led to the death of ambitious filmmaking. A lifelong geek, Jameson shines a new light on beloved classics, explaining the enormous love (and hate) they are capable of inspiring in fan and non-fan alike, while exploding misconceptions as to how and why they were made. *I Find Your Lack of Faith Disturbing* tells the story of how the geeks have inherited the earth.

A Line in the Dark *Penguin*

"A twisty, dark psychological thriller that will leave you guessing til the very end."—Teen Vogue "[A] riveting read..."—NPR The line between best friend and something more is a line always crossed in the dark. Jess Wong is Angie Redmond's best friend. And that's the most important thing, even if Angie can't see how Jess truly feels. Being the girl no one quite notices is OK with Jess anyway. If nobody notices her, she's free to watch everyone else. But when Angie begins to fall for Margot Adams, a girl from the nearby boarding school, Jess can see it coming a mile away. Suddenly her powers of observation are more a curse than a gift. As Angie drags Jess further into Margot's circle, Jess discovers more than her friend's growing crush. Secrets and cruelty lie just beneath the carefree surface of this world of wealth and privilege, and when they come out, Jess knows Angie won't be able to handle the consequences. When the inevitable darkness finally descends, Angie will need her best friend. "It doesn't even matter that she probably doesn't understand how much she means to me. It's purer this way. The Dark Hours *Little, Brown*

A Wall Street Journal and South Florida Sun-Sentinel Best Book of the Year "A masterpiece"—LAPD detective Renée Ballard must join forces with Harry Bosch to find justice in a city scarred by fear and social unrest after a methodical killer strikes on New Year's Eve (Publishers Weekly). There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto

shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that "relentless on their own, Ballard's and Bosch's combined skills...could be combustible" (Los Angeles Times).

The Most Dangerous Game *Open Road Media*

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale "has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill" (The Telegraph). "[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted." —Criterion

Citizen *Graywolf Press*

* Finalist for the National Book Award in Poetry * * Winner of the National Book Critics Circle Award in Poetry * Finalist for the National Book Critics Circle Award in Criticism * Winner of the NAACP

Image Award * Winner of the L.A. Times Book Prize * Winner of the PEN Open Book Award * ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR. Los Angeles Times, Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book *Don't Let Me Be Lonely: An American Lyric*. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV-everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.

Marked *Createspace Independent Publishing Platform*

Welcome to my fucking world. My name is Kaston Cox and I'm a criminal's worst nightmare. Most people run from darkness, but I live in it, require it, and thrive in the night. Some call me a monster, some a lover of evil, and others, the devil himself, but they're all wrong. I'm just a shadow in the dark. I speak for the innocent when no one else will. Once I have marked you, you better beg for forgiveness, because your time has run out... Revenge is the ultimate wage for evil. Some just can't stomach to do it themselves. That's where I come in. I am the ultimate judge when called upon for justice. I will decide who lives and who dies. Blood may be on my hands, but it's not the blood of the innocent. Remorse is nowhere to be found. I don't give a shit if you understand. I can live with the man I look at every day in the mirror. My soul was tainted the day I was conceived. You think you

know me? You have no fucking idea. I am who I am because of what they did to her, and to him. They were my family. This was the only form of restitution he believed in. I owed him everything. I took over the empire he built. This is how I repay him. There was only one rule: never allow emotions to form. Numb and heartless are the only two ways to live. What I never included in the plan...was her. My name is Lux Larsen. My life is as perfect as it can get. I'm a partier, a seductress when it comes to something that I want, and the ultimate sexual con artist. I use my body to get what I want and I'm not ashamed. Designer tags are what I'm after. I love sex. I'm good at it. Fuck double standards. Guys can do it, well guess what, so can I. I will never be caught back on the other side of the tracks for as long as I live. I left that hellhole years ago. I'll do anything to stay away. You can call me a whore if you want, but I just look at it as I've decided to become a player in a man's game, and I'm a fucking pro at it. Love is for the weak minded. Weak is something I'll never be. I never anticipated the predator that would find me. I'm now his prey...but I'm not sure I can run. The world likes to think that love is only pure, only for those that do good, but what no one considers is when bad has to be done to formulate a different type of good. Two of the most random people can be a perfect match, being placed together like pieces to a puzzle. Being in the wrong place at the right time can be terrifying and it can also be exactly what is supposed to happen, because sometimes...love is born in the dark.

The Village Blacksmith *Candlewick Press (MA)*

A contemporary envisioning of a nineteenth-century poem pairs artwork by G. Brian Karas with the Henry Wadsworth Longfellow classic. His brow is wet with honest sweat; He earns whate'er he can, And looks the whole world in the face, For he owes not any man. The neighborhood blacksmith is a quiet and unassuming presence, tucked in his smithy under the chestnut tree. Sturdy, generous, and with sadness of his own, he toils through the day, passing on the tools of his trade, and come evening, takes a well-deserved rest. Longfellow's timeless poem is enhanced by G. Brian Karas's thoughtful and contemporary art in this modern retelling of the tender tale of a humble craftsman. An afterword about the tools and the trade of blacksmithing will draw readers curious about this age-honored endeavor, which has seen renewed interest in developed countries and continues to be plied around the world.

Curry *Coach House Books*

No two curries are the same. This Curry asks why the dish is supposed to represent everything brown people eat, read, and do. Curry is a dish that doesn't quite exist, but, as this hilarious and sharp essay points out, a dish that doesn't properly exist can have infinite, equally authentic variations. By grappling with novels, recipes, travelogues, pop culture, and his own background, Naben Ruthnum depicts how the distinctive taste of curry has often become maladroit shorthand for brown identity. With the sardonic wit of Gita Mehta's Karma Cola and the refined, obsessive palette of Bill Buford's Heat, Ruthnum sinks his teeth into the story of how the beloved flavour calcified into an aesthetic genre that limits the imaginations of writers, readers, and eaters. Following in the footsteps of Salman Rushdie's Imaginary Homelands, Curry cracks open anew the staid narrative of an authentically Indian diasporic experience.

Light in the Darkness *Little, Brown Books for Young Readers*

Rosa and her mama go to school together-in the dark of night, silently, afraid that any noise they hear is a patroller on the lookout for escaped slaves. Their school is literally a hole in the ground, where they and other slaves of all ages gather to form letters out of sticks, scratch letters in the dirt, and pronounce their sounds in whispers. Young Rosa is eager to learn the letters and then the words, because after the words comes reading. But she must have patience, her mama reminds her, and keep her letters to herself when she's working on the plantation. If the Master catches them, it'll mean a whipping-one lash for each letter. No matter how slow and dangerous the process might be, Rosa is determined to learn, and pass on her learning to others.
