From USMLE expert Dr. Conrad Fischer, Master the Boards USMLE Step 2 CK delivers the targeted review you need to excel on the exam and match into the residency program you want. Exam-like focus, using the Fischer Method: best initial test, most accurate test, and most likely diagnosis Step-by-step approach to patient care Hundreds of full-color diagnostic images Flow charts, decision trees, and comparison tables condense broad topics at a glance Expert tips for

recognizing incorrect answers

**Step-Up to Medicine**  
*Lippincott Williams & Wilkins*

"The questions serve as a self-assessment tool, allowing students to think through clinical scenarios without answer choices influencing their thought process. Most questions end in "what are the appropriate next steps in managing this patient?" Imagine yourself as the clinician taking care of these patients: What test(s), if any, would you order next?"--Provided by publisher.

**Step-Up to USMLE Step 2 CK**  
*Lippincott Williams & Wilkins*

Now includes Step 2 practice Questions and Answers, with explanations, for each

chapter! Current, concise, and easy to use, the updated fifth edition of Step-Up to USMLE Step 2 CK makes essential information engaging and retainable, delivering the perfect exam prep for today's busy medical student. Access just what you need to ace the USMLE Step 2 CK and make a confident transition to clinical practice with this high-yield, system-based review. This updated fifth edition of Step-Up to USMLE Step 2 CK helps you quickly memorize essential information and gives you the realistic test-taking practice to succeed. Full-color illustrations, "Quick Hits," and mnemonics clarify must-know information on causes, risk factors, history and physical exam, lab

studies and radiology, treatment, and complications for the most common diseases and disorders. USMLE-style study questions for each chapter mimic those found on the Step 2 exams, accompanied by complete explanations for maximum comprehension and test preparation.

**Step-up to USMLE Step 2 CK** *Lippincott Williams & Wilkins*

The third edition packs illustrations, Next Steps, Mnemonics, and Quick Hits in a single, ingenious tool. Each element is tailored for immediate content absorption, and an all-new full-color interior differentiates elements for faster, more efficient review.

### **International Medical Graduate and the United States Medical Residency Application**

#### **A Guide to Achieving Success** *Springer Nature*

This unique, socially conscience reference provides valuable guidance to international medical graduates (IMG's) looking to complete a residency in the United States. The medical residency application process in the United

States is competitive and complex. Additionally, many IMG's go through training programs that sharply differ from the medical school training and the sociocultural elements of United States medicine and residency are unlike any other country. Organized into three parts, this book meets the need for a pragmatic, evidence based guide that answers important questions, and imparts indispensable advice to IMGs. Part I directly tackles the concerns IMG's have regarding specific elements of residency applications, including the importance of a master's degree and how to get a strong letter of recommendation. Part II then addresses how to prepare for interviews, preliminary programs and travel. Finally, the book answers the common "what ifs" and "what's next" questions many IMG's ponder. *International Medical Graduate and the United States Medical Residency Application: A Guide to Achieving Success* is a first-of-its-kind resource that presents a holistic view of residency application peppered with real life examples, easy to grasp tables and flow charts and key do's and don'ts to drive home the complex process involved in residency application.

**First Aid Cases for the USMLE Step 1, Third Edition** *McGraw Hill Professional*

Vols. for - by: Tao Le, James S. Yeh.

**Reinforced Concrete Bridges**

**Oxford Handbook for the Foundation Programme** *OUP Oxford*

The Oxford Handbook for the Foundation Programme returns for a new edition with clear and thorough clinical guidance and honest advice to help you excel in your first two years as a doctor. This edition has been fully updated in line with the latest guidelines and gives you practical, step-by-step guidance on

everything from neurological to gastroenterological presentations. Emergency presentations are easily identifiable, giving you fast access to the information you need. This edition also includes a fully revised chapter on pharmacopeia with references to the British National Formulary, as well as chapters on practical procedures and interpreting results, acting as a guide for surviving on - and off - the wards. The Oxford Handbook for the Foundation Programme is also a unique resource for things they don't teach you at medical school about being a doctor and life on the wards. The authors have drawn on their own experiences

and careful research to help you understand issues ranging from your pay and pension, stress and workplace relations, paperwork, and career development. This is an excellent resource for Foundation Programme trainees and medical students preparing themselves for life as a doctor. With this pocket-sized guide at your side you'll never be alone on the wards again.

**Do More, Spend Less**

**The New Secrets of Living the Good Life for Less** John Wiley &

*Sons*

Achieve stellar savings with the techniques used on bradsdeals.com Do More, Spend Less provides tips, advice, real-world examples, and strategies consumers need to know to compete in the consumer world. Author Brad Wilson, founder of BradsDeals.com, explains the techniques and buying strategies that are used on his site, which have saved 19 million consumers more than \$200 million on BradsDeals.com in the past year alone. The majority of deals on his site provide free, or nearly free, products and services. This book provides tips, advice, real-world examples, and strategies consumers need to

know to compete in the consumer world. Shares why you should never buy an Apple product from the Apple store Details how to spend three weeks in a suite at the Park Hyatt Paris for \$20 Shares the unknown way to clean up your credit report and add at least 20 points to your score The entire basis for thinking about how best to shop, spend, travel, bank—essentially all aspects of being a consumer—has fundamentally changed. The power is now in your hands, and Do More, Spend Less shows you how to master your savings.
