Time Crawlers: Stories From Parallel Universes eBook ...

One of the most famous time travel books ever written, this 1895 novel has had a huge impact on the way time travel is seen and explored in art. The book follows a Victorian scientist, known only as the 'Time Traveller' to the reader, who manages to fling himself into the year 802701 AD. Although this future world initially seems peaceful, he soon realises that there is something far more sinister going on. And when his time machine disappears, he is forced to intervene.
