How Can I Be Your Lover When I'm Too Busy Being Your Mother?

The Answer to Becoming Partners Again *Simon and Schuster*

Do you feel like your partner has become your child? Do you find yourself being his maid, his cook, his manager? Have romance, respect, fun—and sex—been drained out of your relationship? In How Can I Be Your Lover When I'm Too Busy Being Your Mother?

Sara Dimerman and J.M. Kearns lay bare an essential problem: the woman who finds she's turned into a mother to her man instead of the equal and intimate partner she once was. She has a day job just like he does, yet at home she finds herself doing most of the housework, running the home, and being in charge of the child-rearing, which makes her his boss in the one place they spend most of their time together. This leaves her feeling angry and resentful—hardly conducive to being lovers. Dimerman and Kearns boldly confront the issues, allowing both sexes to vent in a no-holds-barred exchange that ranges from hostile to hilarious. They deconstruct the problem using real-life examples and lay out a step-by-step path that will enable any couple to get back to being equal partners again.

How Am I Going to Grow Up?

Congregational Transition among Second-Generation Chinese Canadian Evangelicals and Servant-Leadership *Langham Monographs*

Second-generation Chinese Canadian evangelicals inhabit a complex liminal space, positioned between the world of their parents and broader Canadian society. In this study, Dr. Enoch Wong explores the "silent exodus" of these Canadian-born Chinese from their parents' churches, tracing their journeys to negotiate their cultural, ethnic, and faith identities for themselves. Utilizing both sociology of religion and leadership studies, Wong's research engages Robert Greenleaf's concept of foresight in servant leadership to examine the role of church leaders in mediating (or failing to mediate) these transitions for children raised in immigrant churches. This multi-case inquiry offers insight into the concerns of Canadian-born Chinese evangelicals and the cultural and generational conflicts that prompt them to search for new communities capable of understanding their identities and supporting their yearnings – whether inside or outside of the church.

How Can I Help? *Knopf*

Not a day goes by without our being called upon to help one another--at home, at work, on the street, on the phone. . . . We do what we can. Yet so much comes up to complicate this natural response: "Will I have what it takes?" "How much is enough?" "How can I deal with suffering?" "And what really helps, anyway?" In this practical helper's companion, the authors explore a path through these confusions, and provide support and inspiration for us in our efforts as members of the helping professions, as volunteers, as community activists, or simply as friends and family trying to meet each other's needs. Here too are deeply moving personal accounts: A housewife brings zoo animals to lift the spirits of nursing home residents; a nun tends the wounded on the first night of the Nicaraguan revolution; a police officer talks a desperate father out of leaping from a roof with his child; a nurse allows an infant to spend its last moments of life in her arms rather than on a hospital machine. From many such stories and the authors' reflections, we can find strength, clarity, and wisdom for those times when we are called on to care for one another. *How Can I Help?* reminds us just how much we have to give and how doing so can lead to some of the most joyous moments of our lives.

How Can I Keep from Singing?

The Ballad of Pete Seeger *Villard*

How Can I Keep from Singing? is the compelling story of how the son of a respectable Puritan family became a consummate performer and American rebel. Updated with new research and interviews, unpublished photographs, and thoughtful comments from Pete Seeger himself, this is an inside history of the man Carl Sandburg called “America’s Tuning Fork.” In the only biography

on Seeger, David Dunaway parts the curtains on his life. Who is this rail-thin, eighty-eight-year-old with the five-string banjo, whose performances have touched millions of people for more than seven decades? Bob Dylan called him a saint. Joan Baez said, "We all owe our careers to him." But Seeger's considerable musical achievements were overshadowed by political controversy when he became perhaps the most blacklisted performer in American history. He was investigated for sedition, harassed by the FBI and the CIA, picketed, and literally stoned by conservative groups. Still, he sang. Today, Seeger remains an icon of conscience and culture, and his classic antiwar songs, sung by Bruce Springsteen and millions of others, live again in the movement against foreign wars. His life holds lessons for surviving repressive times and for turning to music to change the world. "This biography is a beauty. It captures not only the life of the bard but the world of which he sings." -Studs Terkel "A fine and meticulous biography . . . Dunaway has taken [Seeger's] materials and woven them into a detailed, interesting, and well-written narrative of a most fascinating life." -American Music "An extraordinary tale of an extraordinary man [that] will intrigue not only his legions of followers but everyone interested in one man's battles and victories." -Chicago Sun-Times

This straight-from-the-shoulder account written by an eighteen year veteran of the business, pulls no punches. Entertaining and informative, "How I Broke into the Movies - and How You Can Too!" is an easy-going, tell-it-like-it-is book that takes the reader along on the movie adventure Leona Toppel has been experiencing since 1983 (and she doesn't live anywhere near Hollywood). Aspiring actors will find tips about how to register

with agents, what kind of pictures they'll need, wardrobe, safety (yes safety), what to do on the set – and what not to do, auditions, résumés and a myriad of other information. Cameos about some of filmdom's brightest stars as told by those who were there are included. There's a "Who's Who and What's What" section which explains many of the terms used in the movie business. Readers can't help but smile at, and have compassion for, the ups and downs of the background actors who give movies that real look. Each chapter has its specific purpose: 1. Sex and Debauchery or Now That I Have Your Attention, Here's How I Fell in Love with the Movies (O.K., so there's not one bit of sex and debauchery anywhere in this book but this chapter will give you an idea of why movies have been important to me for as long as I can remember.) 2. How Would You Like to Be a Mother? The Day Fate Became My Agent. (You just never know when or how an important aspect of your life may change.) 3. A "Typical Day " on the Set? FUHGEDABOUDIT! (Actually, there is no such thing as a typical day – and that's just one of the aspects I love about the business. In this chapter you'll find out how "exciting" a day can be.) 4. I Was Told to Pat Paul Newman on the Shoulder: Little Pleasures, Big Breaks.and Bad Hair Days (Here are some experiences movie fans dream about – with a few nightmares thrown in.) 5. Short Takes on Big Stars (You may be surprised when you read first-hand accounts about some of your favorite stars.) 6. You Meet Some of the Nicest People - and Some Others Who Are – Don't Ask – I'll Tell You (You're sure to recognize some of these characters – whether you work in the movies or in an office.) 7. Did I Get It or Did She Get It? (Auditions are part of the movie/TV business, so deal with it.) 8. Safety First! (You've Got to

Watch Out for Lots of Dangerous Things in This Business) (Try not to trip over your own feet – or put your foot in your mouth.) 9. Sparky and Friends (The best picture of an extra's life can be gleaned through sharing their ups and downs.) 10. Show Biz Kidz (Got youngsters you'd like to get into the business? Think long and hard before you take that first step.) 11. A Wrap? No! Just the Beginning! (Here are detailed instructions for getting started in the business.) Each chapter adds another piece to the puzzle which, when completed, gives the reader the BIG PICTURE. Aspiring actor or movie fan, this is the book for you. After reading "How I Broke into the Movies – and How You Can Too!" you may find yourself on the way to a new career – or just on the way to see the latest flick. Either way, you'll never look at movies the same way again.

How Did I Get Here?

Finding Your Way Back to God When Everything is Pulling You Away *Thomas Nelson*

Bestselling author, speaker, and activist Christine Caine helps readers who are feeling weary and like things somehow aren't quite right to identify how they ended up where they are and what they need to do to course-correct and anchor themselves in the only One who does not change or shift with the currents. We've all at some point looked up from the daily grind and realized we had somehow drifted off course. Maybe we've been doing all the right Christian things and saying all the right Christian words, but inside we know something is just a bit off. Like we've run out of energy, vision, passion, and feel unable to move forward. The question we're pondering is not only How did I get here? but also What do I do now? In this new book, Caine

meets us all in that place of weariness and uncertainty, sharing her own journey of discovery with vulnerability, candor, and self-deprecating humor. She lays out what she has learned about staying the course when you're feeling untethered and guides us each to learn the questions to ask about our relationships with God, with others, and with our own hearts to stay continually anchored despite the world's shifting currents; discover how to trust God more deeply by moving from a "what if?" kind of faith to an "even if" kind of faith; identify nine signs we are drifting off course and learn how to reposition ourselves to get back on track; and wrestle honestly with life's hard questions so we can respond faithfully to all the ways God answers, including the times when it feels like he doesn't. Christine offers up deeply personal stories, scriptural insights, and an eye-opening admonition to start paying closer attention, helping us to stop drifting and start thriving as we place our anchor on our unchanging, trustworthy God.
