Representation of Gender Within Shakespeare's Othello Women are always victims because it is men who determine social

organisation. Considers the ways in which the representation of men and women in Othello supports or challenges this assumption. {?Women are always victims because it is men who determine social organisation.?

Representation of Gender Within Shakespeare's Othello

The study of representations of gender in the media understands gender to be socially constructed – an ongoing process of learned sets of behaviors, expectations, perceptions, and subjectivities that define what it means to be a woman and what it means to be a man. The main assumption of these studies is that a cultural ordering that presents gender differences as biologically determined and “natural” conceals the working of patriarchal ideology.

Gender: Representation in the Media - Lemish - - Major ...

Gender balance of power: Women's representation in regional and local government in the UK and Germany. Most countries in the world have political systems and local politics with majority male representation, but this imbalance results in a democratic deficit. This report compares the UK and Germany's record for the representation of women in local and regional politics, highlights transferable lessons for the UK, and recommends that we adopt new league tables for the representation of ...
