Economics requires thinking beyond the immediate consequences of decisions to their long-term effects. Because politicians seldom look beyond the next election, it is all the more important that voters look ahead—beyond stage one—rather than voting for a candidate or a policy that they will end up regretting later.

Applied Economics : Thinking Beyond Stage One

Book Summary:
Applied Economics - Thinking Beyond Stage One by Thomas Sowell. Posted by Silvia Emma May 22, 2020. This excellent, short, clear book should be part of everyone's reference library, particularly those who wish to

understand standard conservative economic thought. The distinctions author Thomas Sowell draws between political and economic logic should become a valuable part of each voter's mental apparatus.

Book Summary: Applied Economics - Thinking Beyond Stage ...

"Applied Economics: Thinking Beyond Stage One" is another great work by Thomas Sowell. This book is more of a summation of other, more detailed books of Sowell's. Rather than being about one particular topic like education or affirmative action, this unifies his positions and approaches to various issues into one book.
