The Analysis Of News Style

News style, journalistic style, or news-writing style is the prose style used for news reporting in media such as newspapers, radio and television. News writing attempts to answer all the basic questions about any particular event—who, what, when, where and why and also often how—at the opening of the article. This form of structure is sometimes called the "inverted pyramid", to refer to the decreasing importance of information in subsequent paragraphs. News stories also contain at least ...
