Mayor of the Universe

A Novel *U of Minnesota Press*

A mild-mannered actuary, Fletcher Weschel lives at the crossroads of Bland and Humdrum—or so he thinks until a cosmic contest catapults him into the fantasy world he made up as a boy. Suddenly his childhood bedroom is aswarm with aliens, all bent on

discovering the human who best personifies their mission—in this case, the deeply serious pursuit of fun. Ejected from the boring comfort of his office chair, Fletcher finds himself astride the bare back of a horse, in front of a safe (that he happens to be cracking), and then . . . in the cabin of a weight-loss camp for kids? Apparently adventures come in all shapes and sizes, and it's up to Fletcher to make the most of these, conducted by his alien guide, Tandala, who takes on the corporeal form of a big-boned Jamaican and tends to get distracted by Earth's many surprising pleasures (garlic! libraries! love!). But even fantasies can have consequences, and as Fletcher struggles through them, he is cheered and assisted by Wanda Plum, a plucky second-grade teacher

who helps him realize what his ultimate role really is on this highly mysterious, infinitely marvelous pale-blue dot in a vast universe. Though its cast includes aliens, this charmed and charming book is quintessential Lorna Landvik—less about outer space than about the crowded, complex inner space of the human heart.

The Bookman's Promise

A Cliff Janeway Novel *Simon and Schuster*

Cliff Janeway is back! The Bookman's Promise marks the eagerly awaited return of Denver bookman-author John Dunning and the award-winning crime novel series that helped to turn the nation on to first-edition book collecting. First, it was Booked to Die, then The

Bookman's Wake. Now John Dunning fans, old and new, will rejoice in *The Bookman's Promise*, a richly nuanced new Janeway novel that juxtaposes past and present as Denver ex-cop and bookman Cliff Janeway searches for a book and a killer. The quest begins when an old woman, Josephine Gallant, learns that Janeway has recently bought at auction a signed first edition by the legendary nineteenth-century explorer Richard Francis Burton. The book is a true classic, telling of Burton's journey (disguised as a Muslim) to the forbidden holy cities of Mecca and Medina. The Boston auction house was a distinguished and trustworthy firm, but provenance is sometimes murky and Josephine says the book is rightfully hers. She believes that her grandfather,

who was living in Baltimore more than eighty years ago, had a fabulous collection of Burton material, including a handwritten journal allegedly detailing Burton's undercover trip deep into the troubled American South in 1860. Josephine remembers the books from her childhood, but everything mysteriously disappeared shortly after her grandfather's death. With little time left in her own life, Josephine begs for Janeway's promise: he must find her grandfather's collection. It's a virtually impossible task, Janeway suspects, as the books will no doubt have been sold and separated over the years, but how can he say no to a dying woman? It seems that her grandfather, Charlie Warren, traveled south with Burton in the spring of 1860, just before the Civil

War began. Was Burton a spy for Britain? What happened during the three months in Burton's travels for which there are no records? How did Charlie acquire his unique collection of Burton books? What will the journal, if it exists, reveal? When a friend is murdered, possibly because of a Burton book, Janeway knows he must find the answers. Someone today is willing to kill to keep the secrets of the past, and Janeway's search will lead him east: To Baltimore, to a Pulitzer Prize-winning author with a very stuffed shirt, and to a pair of unorthodox booksellers. It reaches a fiery conclusion at Fort Sumter off the coast of Charleston, South Carolina. What's more, a young lawyer, Erin d'Angelo, and ex-librarian Koko Bujak, have their own reasons for wanting to find the journal. But can

Janeway trust them? Rich with the insider's information on rare and collectible books that has made John Dunning famous, and with meticulously researched detail about a mesmerizing figure who may have played an unrecognized role in our Civil War, *The Bookman's Promise* is riveting entertainment from an extraordinarily gifted author who is as unique and special as the books he so clearly loves.
