The Black Russian by Vladimir Alexandrov

"In The Black Russian, Vladimir Alexandrov provides a powerful counter-narrative to the conventional Great Migration story of southern blacks migrating North en masse in the decades after the Civil War. He tells instead the tale of Frederick Bruce Thomas, son of a slave, who left the United States to hopscotch through Europe, proceeding from London south to the Riviera and then east to Moscow, before ending his days in Constantinople.

Vladimir Alexandrov's The Black Russian rectifies this oversight, and does so with panache. His tale is the biography of an individual who is wholly remarkable, regardless of race, and whose vitality, guile, and charm led him from Mississippi to Moscow, with plenty of adventures along the way. . . .
