The Demon Cycle 5-Book Bundle

The Warded Man, The Desert Spear, The Daylight War, The Skull Throne, The Core *Del Rey*

One of the most exciting new sagas in epic fantasy, The Demon Cycle became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. Now start from the beginning with all five novels in one convenient ebook bundle: THE WARDED MAN THE DESERT SPEAR THE DAYLIGHT WAR THE SKULL THRONE THE CORE As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will do the unthinkable, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night. “Inspired, compelling, [The Demon Cycle is] the most significant and cinematic fantasy epic since The Lord of the Rings.”—Paul W. S. Anderson, director of Alien vs. Predator

The Core: Book Five of the Demon Cycle *Del Rey*

New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close. For time out of mind, bloodthirsty demons have stalked the night, culling the human race to scattered remnants dependent on half-forgotten magics to protect them. Then two heroes arose--men as close as brothers, yet divided by bitter betrayal. Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat--and emerge victorious. JarDir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka--the final war against demonkind. But in their efforts to bring the

war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear--a swarm. Now the war is at hand, and humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen's wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core, where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Renna, and Jardir set out on a desperate quest into the darkest depths of evil--from which none of them expects to return alive. Look for Peter V. Brett's complete Demon Cycle: THE WARDED MAN | THE DESERT SPEAR | THE DAYLIGHT WAR | THE SKULL THRONE | THE CORE Praise for The Core "Thoroughly addicting . . . a thrilling adventure that is, without question, [Brett's] greatest achievement yet."--Bookreporter "Rewarding . . . Congratulations to Peter Brett on completing a fantastic series."--SFFWorld

The Daylight War *Del Rey*

As reluctant savior Arlen Bales denies he is the Deliverer, the one prophesied to unite the remnants of humanity against the army of demons that rises each night, Ahmann Jardir initiates a bitter rivalry with Arlen when he claims the title for himself.

The Desert Spear *Random House Digital, Inc.*

A follow-up to the best-selling The Warded Man continues the adventures of reluctant savior Arlen Bales, who wonders at the identity of a spear-wielding figure that emerges from the desert and leads a vast army intent on a holy war. Reprint.

Barren *HarperCollins*

New York Times bestselling author Peter V. Brett returns to his groundbreaking Demon Cycle series with this enthralling novella—the latest story set in his much-loved fantasy world. Each night, the world is overrun by bloodthirsty demons. For centuries, humanity survived only by hiding behind defensive wards—magical symbols with the power to repel the demons. Now, the rediscovery of long-forgotten combat wards has given them the magic they need to fight back. In Tibbet’s Brook, the fighting wards have brought change, but the factions and grudges of a troubled past remain. Selia Square, the woman they call Barren, has long been the force that holds the Brook together. As a terrifying new threat emerges, she rallies her people once again. But Selia has a past of her own. And in a small community the personal and the political can never be divided. If Tibbet’s Brook is to survive, Selia must uncover memories she has buried deep—the woman she once was, the woman she once loved—and retell their story.

The Desert Prince *Del Rey*

A brand-new epic fantasy adventure set in the beloved world of the Demon Cycle, following a new generation of heroes, from New York Times bestselling author Peter V. Brett “Heart-wrenching, smart, and modern . . . The Desert Prince has set a new standard for fantasy.”—Wesley Chu, #1 New York Times bestselling author of The War Arts Saga Fifteen years have passed since the end of

the war with demons, creatures of darkness who have hunted the night and plagued humanity since time out of mind. The heroes of humanity’s hour of need have become legend, and those who remain struggle to escape their shadows. Olive Paper and Darin Bales have grown up in this new peaceful world. Demons have been all but destroyed, but dangers still lurk for the children of heroes. Olive, princess of Hollow, has her entire life planned out by her mother, Duchess Leesha Paper: a steady march on a checklist to prepare her for succession. The more her mother writes the script, the more Olive rails against playing the parts she is assigned. Darin faces challenges of a different kind. Though free to choose his own path, the weight of legacy hangs heavy around his shoulders. It isn’t easy being the son of the man people say saved the world. Everyone expects greatness from Darin, but the only thing he’s ever been great at is hiding. But when Olive and Darin step across the wards one night, they learn the demons are not all gone, and those that remain hunger for revenge. Events are set in motion that only prophecy can foresee as Olive and Darin seek to find their own places in the world in time to save it again.

The Skull Throne *Del Rey*

"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.

The Skull Throne: Book Four of The Demon Cycle *Del Rey*

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED The first three novels in Peter V. Brett’s groundbreaking Demon Cycle series—The Warded Man, The Desert Spear, and The Daylight War—set a new standard for heroic fantasy. The powerful saga of humans winnowed to the brink of extinction by night-stalking demons, and the survivors who fight back, has kept readers breathless as they eagerly turned the pages. Now the thrilling fourth volume, The Skull Throne, raises the stakes as it carries the action in shocking new directions. The Skull Throne of Krasia stands empty. Built from the skulls of fallen generals and demon princes, it is a seat of honor and ancient, powerful magic, keeping the demon corelings at bay. From atop the throne, Ahmann Jardir was meant to conquer the known world, forging its isolated peoples into a unified army to rise up and end the demon war once and for all. But Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel he could not in honor refuse. Rather than risk defeat,

Arlen cast them both from a precipice, leaving the world without a savior, and opening a struggle for succession that threatens to tear the Free Cities of Thesa apart. In the south, Inevera, Jardir’s first wife, must find a way to keep their sons from killing one another and plunging their people into civil war as they strive for glory enough to make a claim on the throne. In the north, Leesha Paper and Rojer Inn struggle to forge an alliance between the duchies of Angiers and Miln against the Krasians before it is too late. Caught in the crossfire is the duchy of Lakton—rich and unprotected, ripe for conquest. All the while, the corelings have been growing stronger, and without Arlen and Jardir there may be none strong enough to stop them. Only Renna Bales may know more about the fate of the missing men, but she, too, has disappeared. . . . Look for Peter V. Brett’s complete Demon Cycle: THE Warded Man | THE Desert Spear | THE Daylight War | THE Skull Throne | THE CORE Praise for Peter V. The night now belongs to voracious demons that prey upon a dwindling population forced to cower behind half-forgotten symbols of power. Legends tell of a Deliverer: a general who once bound all mankind into a single force that defeated the demons. But is the return of the Deliverer just another myth? Perhaps not. Out of the desert rides Ahmann Jardir, who has forged the desert tribes into a demon-killing army. He has proclaimed himself Shar'Dama Ka, the Deliverer, and he carries ancient weapons—a spear and a crown—that give credence to his claim. But the Northerners claim their own Deliverer: the Warded Man, a dark, forbidding figure. Once, the Shar'Dama Ka and the Warded Man were friends. Now they are fierce adversaries. Yet as old allegiances are tested and fresh alliances forged, all are unaware of the appearance of a new breed of demon, more intelligent—and deadly—than any that have come before. Look for Peter V. The Daylight War: Book Three of The Demon Cycle *Del Rey*

NEW YORK TIMES BESTSELLER With The Warded Man and The Desert Spear, Peter V. Brett surged to the front rank of contemporary fantasy, standing alongside giants in the field such as George R. R. Martin, Robert Jordan, and Terry Brooks. The Daylight War, the eagerly anticipated third volume in Brett's internationally bestselling Demon Cycle, continues the epic tale of humanity's last stand against an army of demons that rise each night to prey on mankind. On the night of the new moon, the demons rise in force, seeking the deaths of two men, both of whom have the potential to become the fabled Deliverer, the man prophesied to reunite the scattered remnants of humanity in a final push to destroy the demon corelings once and for all. Arlen Bales was once an ordinary man, but now he has become something more—the Warded Man, tattooed with eldritch wards so powerful they make him a match for any demon. Arlen denies he is the Deliverer at every turn, but the more he tries to be one with the common folk, the more fervently they believe. Many would follow him, but Arlen's path threatens to lead to a dark place he alone can travel to, and from which there may be no returning. The only one with hope of keeping Arlen in the world of men, or joining him in his descent into the world of demons, is Renna Tanner, a fierce young woman in danger of losing herself to the power of demon magic. Ahmann Jardir has forged the warlike desert tribes of Krasia into a demon-killing army and proclaimed himself Shar'Dama Ka, the Deliverer. He carries ancient weapons—a spear and a crown—that give credence to his claim, and already vast swaths of the green lands bow to his control. But Jardir did not come to power on his own. His rise was engineered by his First Wife, Inevera, a cunning and powerful priestess whose formidable demon bone magic gives her the ability to glimpse the future. Inevera's motives and past are shrouded in mystery, and even Jardir does not entirely trust her. Once Arlen and Jardir were as close as brothers. Now they are the bitterest of rivals. As humanity's enemies rise, the only two men capable of defeating them are

divided against each other by the most deadly demons of all—those lurking in the human heart. Look for Peter V. Salt Water and Spear Tips *Vanguard Press*

A Danish filmmaker, under the apprenticeship of three Papua New Guinean master sailors, set off

from Milne Bay, Papua New Guinea, on the 30th of August 2016 on a world-record circumnavigation of the island of New Guinea in a traditional sailing canoe called the Tawali Pasana. Over the course of 13 months and 21 days - and some 6300 km of high adventure - what became known as 'the fellowship of the Tawali Pasana' created a modern-day odyssey (on a shoestring budget) battling relentless monsoon winds, dangerous seas, pirates and crocodiles. Prevailing against all the odds, the voyage generated enormous media coverage and inspired the young people of New Guinea to celebrate their extraordinary seafaring culture. "Sailing a traditional outrigger canoe around the vast island of New Guinea is a journey through time, across myriad cultures upon the far-flung seas of Arafura, Seram, Bismarck, and the Pacific Ocean. Thor's voyage shows that, in the 21st Century,

there are still great adventures!" Peter Hillary "The very first circumnavigation of New Guinea in a traditional sailing canoe again illustrates, as my father auspiciously once said, "To travel, to experience and learn ... that is to live." Norbu Tenzing Norgay "Thor's adventure is an encouragement to anyone who - dares to do." Sarah Outen
