Mateo 1 RV1960 - Biblia Reina Valera 1960

The Reina-Valera is a Spanish translation of the Bible originally published in 1602 until United Bible Societies in 1909 revised the earlier translation produced in 1569 by Casiodoro de Reina. This translation was known as the "Biblia del Oso" because the illustration on the title page showed a bear trying to reach a container of honeycombs hanging from a tree. Since that date, it has undergone various revisions notably those of 1602, 1862, 1909, 1960, 1977, 1995, and more recently in 2011.
