Ideology and Inscription: "Cultural Studies" after Benjamin, de Man, and Bakhtin Kawash, Samira 2000-03-01 00:00:00 est is the question of the human, and a relentless scrutiny of the humanist presupposition of the signifying and representational function of language. For where "theory" called into question such sacred humanist certainties as meaning, agency, intention, or subjectivity, Cohen argues that the return to history is in fact a return to the human, a reassertion of the priority ...

Ideology and Inscription: "Cultural Studies" after ...

I have followed the insights of several theorists such as Tom Cohen who works in Ideology and Inscription to overcome the bind between the textualization of history in 'Theory' and the mimetic bias of Cultural Studies by returning to the materiality of language as a socially determined and historically situated practice. Language is only opposed to history if we imagine history as centered on interiorized and mimetically conceived models of the subject and community.

Book Description. In this thorough update of one of the classic texts of media and cultural studies, Douglas Kellner argues that media culture is now the dominant form of culture that socializes us and provides and plays major roles in the economy, polity, and social and cultural life. The book includes a series of lively studies that both illuminate contemporary culture and society, while providing methods of analysis, interpretation, and critique to engage contemporary U.S. culture.
