2004 Cadillac XLR for Sale |

**ClassicCars.com |
CC-1328284**

When the Cadillac XLR

entered the market for
2004, it was the
brand's first two-seater
(and first convertible)
since the Allanté was
retired in 1993. That
final year of the Allanté
used a 4.6-liter Cadillac
Northstar V-8, just like
the XLR, but the
similarities end there.

2004-2009 Cadillac XLRs might never be more affordable ...

The XLR was the first
two-door convertible
Cadillac produced
since the Allante, a
future classic in its own
right. Like its
predecessor, the XLR
would be powered by a
4.6-liter NorthStar V8
making 320
horsepower and
featured a retractable
hard-top and heads-up
display.
