[PDF] Contending Theories Of International Relations Full ...

Since the field of International Relations was established almost a century ago, many different theoretical approaches have been developed, each offering distinctive accounts of the world, why it has come to be the way it is, and how it might be made a better place. In this illuminating textbook, leading IR scholar, Stephanie Lawson, examines each of these theories in turn, from political ...

Theories of International Relations, Contending Approaches ...

The "English School" of international relations theory, also known as International Society, Liberal Realism, Rationalism or the British institutionalists, maintains that there is a 'society of states' at the international level, despite the condition of "anarchy", i.e., the lack of a ruler or world state. Despite being called the English School many of the academics from this school were neither English nor from the United Kingdom.
