The Road *Vintage*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

New Shoes *Holiday House*

But at the shoe store, Ella Mae and her mother have to wait until there are no white customers to serve first. She doesn't get to try anything on, either—her mother traces her feet onto a sheet of paper, and the salesman brings them a pair he thinks will fit. Disappointed by her treatment, Ella Mae and her cousin Charlotte hatch a plan to help others in their community find better-fitting shoes without humiliation. Eric Velasquez' realistic oil paintings bring life to this story of a young girl's determination in the face of injustice. The Last Enforcer**Outrageous Stories From the Life and Times of One of the NBA's Fiercest Competitors** *Simon and Schuster*

In this “incredible read on some incredible days and nights in the old association” (Adrian Wojnarowski, ESPN senior NBA insider) Charles Oakley—one of the toughest and most loyal players in NBA history—tells his unfiltered stories about his basketball journey and his relationships with Michael Jordan, LeBron James, Charles Barkley, Patrick Ewing, Phil Jackson, Pat Riley, James Dolan, Donald Trump, George Floyd, and many others. If you ask a New York Knicks fan about Charles Oakley, you better prepare to hear the love and a favorite story or two. But his individual stats weren’t remarkable, and while he helped power the Knicks to ten consecutive playoffs, he never won a championship. So why does he hold such a special place in the minds, hearts, and memories of NBA players and fans? Because over the course of nineteen years in the league, Oakley was at the center of more unbelievable encounters than *Forrest Gump*, and nearly as many fights as Mike Tyson. He was the friend you wish you had, and the enemy you wish you’d never made. If any opposing player was crazy enough to start a fight with him, or God forbid one of his teammates, Oakley would end it. “I can’t remember every rebound I grabbed but I do have a story—the true story—of just about every punch and slap on my resume,” he says. In *The Last Enforcer*, Oakley shares one incredible story after the next—all in his signature “unflinchingly tough, honest, and ultimately endearing” (Harvey Araton, New York Times bestselling author) style—about his life in the paint and beyond, fighting for rebounds and respect. You’ll look back on the era of the 1990s NBA, when tough guys with rugged attitudes, unflinching loyalty, and hard-nosed work ethics were just as important as three-point sharpshooters. You’ll feel like you were on the court, in the room, can’t

believe what you just saw, and need to tell everyone you know about it.
