Qualitative health research With a dual background in health care and in anthropology, Morse launched the field of qualitative health research, the practice of using qualitative research methods to study health care and health settings.

Janice M. Morse - Wikipedia

If REF 2014 is indeed a true reflection of the high-quality qualitative health research being conducted by UK universities, then this indicates either that other types of qualitative research (methodological, mixed methods research and reviews/syntheses) are not frequently taking place or that this research is not considered to be of sufficient quality to be submitted to REF.
