The Elephant: It means you have no idea what the future will be. The bird has flown away. The bird has flown away. No one knows where it is or if it will come back.

The Elephant and the Bird - Chris Skinner's blog

The Bird and The Elephant starts with an introduction and is then broken up into 10

discussions. A bird is flying high one day when he decides he needs to take a rest. He glances down below and aims for a large rock. But it isn't a rock! He shockingly discovers he's landed on an elephant's back. They begin having a conversation.

The small birds also went to the water and met a frog and asked the frogs to help. "Please croak away from the water and the elephant will come, thinking there is water." So they did it at the edge of a big ditch. The elephant came, following their croaks and the elephant fell into the ditch.

The Little Bird and the Elephant - Ethiopian Folktales

Elephant birds are members of the extinct ratite family Aepyornithidae, made up of large to enormous flightless birds that once lived on the island of Madagascar. They became extinct, perhaps around 1000–1200 CE, probably as a result of human activity. Elephant birds comprised the genera *Mullerornis*, *Vorombe* and *Aepyornis*. While they were in close geographical proximity to the ostrich, their ...

The Elephant - a poem by daftweejimmy - All Poetry

The supposed dinosaur bones, discovered by chance during the search for sapphires, actually were bones of giant lemurs, hippos, giant tortoises, crocodiles, and elephant birds. When the bones were examined in 2016, zoologists made an important discovery. Some of the 10,500-year-old bones showed grooves made by stone tools.
