The New Relationship Marketing - forbes.com

The only way to carry out a relationship marketing strategy in a thoughtful and effective way is to follow a comprehensive marketing plan. Companies must first look at demographic and historical data about their customers to understand who they are, what they buy, and how to provide for them over the long term.

Relationship Marketing | What is Relationship Marketing?

Relationship marketing is a facet of customer relationship management (CRM) that focuses on customer loyalty and long-term customer engagement rather than shorter-term goals like customer acquisition and individual sales. The goal of relationship marketing (or customer relationship marketing) is to create strong, even emotional, customer connections to a brand that can lead to ongoing business, free word-of-mouth promotion and information from customers that can generate leads.

What is Relationship Marketing? - Definition from WhatIs.com
