The Ship Who Sang

A Novel Del Rey

Helva had been born human, but only her brain had been saved—saved to be schooled, programmed, and implanted into the sleek titanium body of an intergalactic scout ship. But first she had to choose a human partner—male or female—to share her exhilarating escapades in space! Her life was to be rich and rewarding . . . resplendent with daring adventures and endless excitement, beyond the wildest dreams of mere mortals. Gifted with the voice of an angel and being virtually indestructable, Helva XH-834 antipitated a sublime immortality. Then one day she fell in love!

Restoree

A Novel *Del Rey*

A classic sci-fi novel from the beloved author of the Dragonriders of Pern® series She was a restoree, kidnapped. Torn from Earth by a bizarre and nameless black force, Sara had no idea where she was or why she was in a beautiful new body. Controlled by brutal guards and tamed by terror, she could not comprehend her role as a nurse for a man who appeared to be an idiot. But once she discovered that the planet she had been brought to was Lothar and that the man she was caring for was its regent, Sara knew the restorees had to escape—and fast. And when they did, they became fugitives on a world of multiple evils—bound together on a daring adventure that would either join them for all time . . . or separate them forever.

The City and the Ship *Baen Publishing Enterprises*

Two novels in one large volume, both set in the same universe as The Ship Who Sang: The City Who Fought: Simeon was bored with running the mining and processing station that made up his "body." If anyone was to survive, somehow he must transform his wargaming hobby into the real thing and become The City Who Fought. The Ship Avenged: Ten years later, Joat, the eleven year old techno-demon heroine of the first novel is now an adult

herself. She and her ship are on the trail of the Kolnari space raiders, trying to stop them before they can spread an infectious, mind-destroying disease among the inhabited stars and destroy civilization throughout the galaxy. At the publisher's request, this title is sold without DRM (Digital Rights Management). "Anne McCaffrey and S.M. Stirling have, in The City Who Fought, combined her brain-ships and his military expertise to produce a superior book." ^¾Chicago Sun-Times "McCaffrey and Stirling create vivid heroes and villains in a complex and deadly game." ^¾Publishers Weekly "Intriguing . . . McCaffrey and Stirling have produced a book that expands the boundaries of the series to which it belongs, yet remains consistent with the cycle's overall design. Fans of both writers should be more than pleased." ^¾Dragon "[The Ship Avenged is a] compelling story of resourcefulness and politics in space." ^¾Midwest Book Review

Illegal Alien *Penguin*

When a disabled spaceship enters Earth's atmosphere, seven members of the advanced Tosok race are welcomed by the world. Then a popular scientist is murdered, and all evidence points to one of the Tosoks. Now, an alien is tried in a court of law-and there may be far more at stake than accounting for one human life.

The Ship Who Saved the Worlds *Baen Publishing Enterprises*

Two complete novels in one huge volume: The Ship Who Won: Like Helva, the Ship Who Sang, Cerialle was born severely physically disadvantaged; and like Helva, Cerialle decided she would strap on a spaceship. Her brawn is a guy named Keff. Searching the galaxy for intelligent beings, they found fuzzy little aliens, polite and eager to please. Unfortunately, they were slaves to a race of sorcerers, who possess powers of frightening potency, and who were neither polite nor the least bit eager to please. The Ship Errant: Cerialle and Keff had succeeded in liberating the "globe-frogs" from their servitude to dictatorial humans, but now they must return them from whence they came. And to get there, they must transit a sector where Cerialle was stopped and boarded, experiencing a trauma so intense it nearly destroyed her mind. And it's beginning to look as if the beings who caused this are the very globe-frogs they have just made friends with. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management). "Fast, furious and fun." ^¾Chicago Sun-Times "Bright and bubbly entertainment." ^¾Kirkus Reviews "Oodles of fun." ^¾Locus "Readers will find themselves riveted by the nonstop action adventure that constantly surpasses even the most jaded reader's expectations, and by a relationship as beautiful as it is indestructible." ^¾Affaire de Coeur

The Death of Sleep *Baen Publishing Enterprises*

At the publisher's request, this title is sold without DRM (Digital Rights Management).

Crystal Singer

A Novel *Del Rey*

"No dragons, but [Crystal Singer] has all of [Anne] McCaffrey's gifts for world-building and characterization . . . an excellent book."—Chicago Sun-Times Her name was Killashandra Ree; and after ten grueling years of musical training she was young, beautiful—and still without prospects. Then she heard of the

mysterious Heptite Guild on the planet Ballybran, where the fabled Black Crystal was found. For those qualified, the Guild was said to provide careers, security, and the chance for wealth beyond imagining. The problem was, few people who landed on Ballybran ever left. To Killashandra the risks were acceptable . . .

The Ship who Won

Like Helva, the Ship Who Sang (and Nancia from PartnerShip and Tia from The Ship Who Searched), Cerialle was born so physically disadvantaged that her only chance for life was as a shellperson. And like those others, Cerialle decided she would strap on a spaceship. Now she is on a mission to search the galaxy for intelligent beings.

To Ride Pegasus *Del Rey*

"McCaffrey's world of the Talented is as vivid as that of Pern and its dragons."—Publishers Weekly When a freak accident furnishes solid scientific proof of paranormal mental abilities, the world reacts with suspicion and fear. How can ordinary people coexist with a minority able to read minds, heal with a touch, peer into the future, or move objects with a thought? How can anyone with such power be trusted not to abuse it? Harsh repression seems the only answer Gifted with precognitive talent, Henry Darrow has other ideas, foreseeing a future in which the Talents are accepted for what they are and not what they can offer their fellow humans. But the road to that future will not be easy. Darrow and the powerful telepath Daffyd op Owen must win the public's trust while overcoming the threat of rogue Talents like Solange Boshe, a young girl so consumed with hatred that her thoughts can kill, and the singer known as Amalda, whose telepathic prowess can unite a thousand strangers in joyful harmony—or mold them into a bloodthirsty mob. . . .

Get Off the Unicorn

Stories *Ballantine Books*

A splendid selection of stories from the lady who taught dragons to fly and rockets to sing . . . Lady in the Tower The Rowan was one of a select group of telepaths—a complete Prime, one of only five. Then one day, another Prime appeared mysteriously from the outer boundaries of space, asking for help in a savage battle against evil! Finder's Keepers Young Peter had a unique gift which earned him and his mother a little money and gave pleasure to others. Then, one day, an unscrupulous man forced Peter to use his precious gift in a crooked scheme—and Peter grew up fast! Honeymoon Helva and her new brawn were sent on an especially urgent mission . . . a mission that not only put them both in great danger, but a mission that also caused them to break the ultimate taboo! The Smallest Dragon Boy The only thing Keevan wanted in life was to be a dragonrider, just like his father . . . but everything seemed to stand in his way!

Generation Warriors *Baen Publishing Enterprises*

Helva had been born human, but only her brain had been saved and implanted into the titanium body of an intergalactic scout ship. But first she had to choose a human partner, to soar with her through the daring adventures and exhilarating escapades in space.

The City Who Fought *Baen*

A SCIENCE FICTION CLASSIC BACK IN PRINT! Simeon was a shell-person—the brain who ran Space Station SSS-900 on the fringes of human space. But things hadn't been going too well lately, and he was more than a little discontented. Though normally he enjoyed his work, these days it seemed boring. To make matters worse, his long-time partner had just retired and he was having a hard time adjusting to his newly assigned brawn—a strong-willed woman named Channa Hap who seemed to feel it her duty to keep him in line. He's buried himself in his favorite pastime—wargaming. Simeon's hobby would find unexpected uses when the brutal Kolnari attack the nearby colony planet Bethel. Sheltering the colony's refugees brought "the city" an invitation to serious trouble with Kolnari pirates. And only Simeon and Channa working together can save the city. About Death of Sleep by Anne McCaffrey and Jody Lynn Nye: "McCaffrey has created a feisty, likable character in Lunzie Mespil." —Publishers Weekly About S.M. Stirling: "Rousing . . . a stirring tale." —John Ringo

The Lady

A Novel *Ballantine Books*

Amidst the grandeur of the emerald countryside, a magnificent story unfolds. . . . They are the Carradynes, who for more than 200 years have bred and trained horses of the finest caliber on Cornanagh—a land so beautiful it inspires the soul. But all is not idyllic at hearth and home. At the center of the conflict is Catriona, the youngest child, a girl who dreams of riding her family's big jumpers and show horses. Her father, Michael, is keenly aware of her immense talent, and he urges her on—only to lock wills with his insufferably pious and overbearing wife, Isabel, a woman who cannot bear horses, who cannot bear his touch. Her goal is to put stiff dresses, tight shoes, and perfect manners on Catriona. It is a stalemate of pride and passion—until the day Lady Selina Healy enters their lives. Poised, beautiful, and warm, she too knows imprisonment in a loveless marriage, she too admires good horses, she too finds enchantment in Cornanagh. She falls in love . . . with Catriona, who becomes the child she never had; with the splendid lush land; and with Michael, the consummate horseman and gentleman.

Cats in Space and Other Places

Baen Books

Space. The Feline Frontier. It has been said (by Mark Twain) that "If man could be crossed with the cat it would improve man, but it would deteriorate the cat." In this volume we explore the many and manifest reasons why humans should voluntarily accord first place in space to their feline brethren. From Robert A. Heinlein's "Ordeal in Space" in which the merest kitten confers the gift of courage on his human, to Cordwainer Smith's "Ballad of Lost C'mell," which answers the very question of what would be the outcome of the melding of human and cat, we offer here sixteen

reasons why cats are Number One in our book. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Pegasus in Flight *Del Rey*

"[Anne] McCaffrey's world of the Talented is as vivid as that of Pern and its dragons."—Publishers Weekly Earth has reached its darkest moment. In subterranean warrens, the poor eke out precarious lives where jobs are scarce and children are sold for labor—while on the surface, a privileged few enjoy lives of luxury. As the population surges and unrest spreads, a disaster of epic proportions seems inescapable. The only hope: a platform under construction in space from which starships will be launched to colonize distant planets. But the project is critically behind schedule. In the midst of the chaos, Rhyssa Owen and her fellow Talents—telepaths who read minds, kinetics who manipulate matter, and precogs to whom the future is an open book—struggle to survive. Then two children are discovered whose extraordinary psychic gifts have the potential to avert the looming catastrophe—or hasten its ominous arrival. . . .

The Moon Is a Harsh Mistress *Macmillan*

A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

Dragonsong *Simon and Schuster*

The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which had an indigenous life form that attempted to land on Pern when it came within reach. These silver "threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.

Orphans of the Sky

Ancient myths told of a place called Earth, but the modern world knew it was nonsense. Science knew the Ship was all the Universe, and as long as the sacred Converter was fed, lights would glow and air would flow through the miles of metal corridors. Hugh never questioned these truths until a despised mutie showed him the Control Room and he learned the true nature of the Ship and its mission.

Alchemy and Academe *Ballantine Books*

An enchanting collection of tales, enchantments, things magical

and strange, devils and demons, professors of potent powers, witchcraft and wizardry, and more. Master fantasy writer Anne McCaffrey has chosen 20 short tales and poems of wonder and awe, written by the finest writers of fantasy today, including: Robert Silverberg, L. Sprague de Camp, R.A. Lafferty, Gene Wolfe, Carol Emshwiller, Sonya Dorman, and others.

The Girl Who Fell Beneath Fairyland and Led the Revels There *Macmillan*

Returning to Fairyland after a long period away following her first adventure there, September discovers that her stolen shadow has become the Hollow Queen, the new ruler of Fairyland Below, who is stealing the magic and shadows from Fairyland folk and refusing to give them back.

Killashandra *Del Rey*

A Crystal Singer novel—a captivating blend of adventure, intrigue and romance. Killashandra Ree's life was one of catastrophic changes. She had joined the Heptite Guild to become a crystal singer, get rich, and forget her past. And at first everything went just as she had hoped. In one season on the deadly beautiful world of Ballybran, she had sung Black Crystal, grown wealthy, and met a man who made her sorrows seem unworthy of notice. But then, a year later, a devastating storm turned her claim to useless rock. In short order she was broke, she had crystal sickness so bad she thought she'd die, and the only way she could be true to the man she loved was to leave him. . . .

Lyon's Pride *Penguin*

A DESTRUCTIVE SPECIES The Hive acts as a single entity, relentlessly swarming the galaxy, endlessly propagating on every habitable world they encounter—destroying native populations in the process. They do not recognize any sentience but their own. They do not acknowledge any attempt to communicate with them. They do not understand they leave countless numbers of dead in their wake. A FAMILY LEGACY The Prime Talents of the Raven-Lyon clan—telepaths, teleporters, and telekinetics—have protected the Alliance from the Hive breeding contagion for years. Now a fleet orbits the alien homeworld to prevent them from leaving, and a Hive queen and her eggs are in captivity and quarantined. And unless the Raven-Lyons break the language barrier between Human and Hive, the Alliance may have no choice but to eliminate their entire race...

Crystal Line *Del Rey*

Crystal had destroyed Killashandra's memory, and only crystal could restore it—if she dared! When Killashandra Ree joined the mysterious Heptite Guild, she knew that she would be forever changed. Crystal singing brought ecstasy and pain, near-eternal life . . . and gradual loss of memory. What she hadn't counted on was the loneliness she felt when her heart still remembered what her mind had forgotten. Fortunately, someone still cared enough to try to salvage what was left of Killashandra's mind. But she would have to learn to open herself—to another person, and to all her unpleasant memories. "A treat for long-time McCaffrey fans, a good read and a satisfying look at one of the most haunting facets of the crystal singers' profession."—Locus

The Finest Hours

The True Story of the U.S. Coast Guard's Most Daring Sea Rescue *Simon and Schuster*

Documents the 1952 Coast Guard mission to save the crews of two oil tankers that were torn in half by the force of one of New England's worst nor'easters.

So Long, and Thanks for All the Fish *Del Rey*

Now celebrating the 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of *The Hitchhiker's Guide to the Galaxy* all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out

what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe

The Ship who Searched *Orbit Books*

A tale of courage and adventure, set in the same universe as *The Ship Who Sang* . A precocious seven-year-old girl has been afflicted by a paralyzing alien virus, and cannot survive outside a mechanical support system. She straps on a spaceship and sets out to find what it was that laid her low.

Acorna

The Unicorn Girl *Harper Collins*

"Something's Alive In There!" She was just a little girl, with a tiny horn in the center of her forehead, funny-looking feet, beautiful silver hair, and several curious powers: the ability to purify air and water, make plants grow, and heal scars and broken bones. A trio of grizzled prospectors found her drifting in an escape pod amid the asteroids, adopted her, and took her to the bandit planet Kezdet, a place where no questions are asked and the girl might grow up free. But Kezdet has its own dark secret. The prosperity of the planet is based on a hideous trade in child slave labor, administered by "The Piper" -- a mystery man with special plans for Acorna and her powers. But free little girls have a way of growing into freedom-loving young women, and Acorna has special plans all her own. . .

Freedom's Landing *Penguin*

Kristin Bjornsen lived a normal life, right up until the day the spaceships floated into view above Denver. As human slaves were herded into the maw of a massive vessel, Kristin realized her normal life was over and her fight for freedom was just beginning... The alien Catteni value strength and intelligence in their slaves—and Kristin has managed to survive her enslavement while hundreds of other humans have not. But her trial has just begun, for now she finds herself part of a massive experiment. The aliens have discovered a new world, and they have a simple way of finding out if it's habitable: drop hundreds of slaves on the surface and see what happens. If they survive, colonization can begin. If not, there are always more slaves.
