The Story about Ping *Penguin*

A little duck finds adventure on the Yangtze River when he is too late to board his master's houseboat one evening.

The Story about Ping *Grosset & Dunlap*

A little duck finds adventure on the Yangtze River when he is too late to board his master's houseboat one evening.

The Story about Ping *Turtleback Books*

A little duck finds adventure on the Yangtze River when he is too late to board his master's houseboat one evening.

Land of Big Numbers

Stories *Mariner Books*

"A debut story collection offering a kaleidoscopic portrait of life for contemporary Chinese people, set between China and the United States"--

Ping Meets Pang: A story of otherness, differences, and friendship *Wyatt-MacKenzie*

Ping and Pang are both Pandas, but they don't look a thing like one another and that's a problem. Each maintains they possess the true qualities of being a Panda; the correct color, the size and shape of their ears, the even fluffiness of their tails. It is only when they realize what they have in common do they slowly appreciate each other's differences. The analogy to today's political and racial climate points to acceptance of the other side's differences and finding common ground. PING MEETS PANG is an educational tool. It is an allegory about inclusiveness and acceptance of "the other" told through two pandas. The story is meant to spark discussions about multiculturalism and body positivity, and inspire the protection and conservation of pandas. Includes conversation starters for further instruction and participation!

Ping *Little, Brown Books for Young Readers*

With the visual ingenuity of *Press Here* and the emotional resonance of *What Do You Do with a Problem?*, this wise and timely book about the fragile art of personal connection will strike a chord with children and adults alike. In the era of social media, communication feels both more anxiety-producing, and more inescapable, than ever before. This clever, comforting picture book debut explores the challenges and joys of self-expression and social connection. Using an imaginative visual metaphor to bring to life how we send out (ping!) and receive (pong!) communications, Ani Castillo's words and pictures will empower and inspire anyone who has experienced the fear of sharing

themselves with the world. With an artful, accessible package, an eloquent message, and a lot of heart, here is a new classic to bring courage and comfort to humans of all ages.

Bend, Not Break

A Life in Two Worlds *Penguin*

Born on the eve of China's Cultural Revolution, Ping Fu was separated from her family at the age of eight. She grew up fighting hunger and humiliation and shielding her younger sister from the teenagers in Mao's Red Guard. At twenty-five, she found her way to the United States; her only resources were \$80 and a few phrases of English. Yet Ping persevered, and the hard-won lessons of her childhood guided her to success in her new homeland. Aided by her well-honed survival instincts, a few good friends, and the kindness of strangers, she grew into someone she never thought she'd be—a strong, independent, entrepreneurial leader. "She tells her story with intelligence, verve and a candor that is often heart-rending." —The Wall Street Journal "This well-written tale of courage, compassion, and undaunted curiosity reveals the life of a genuine hero." —Booklist (starred review) "Her success at the American Dream is a real triumph." —The New York Post

Angus and the Ducks *Square Fish*

When Angus, a very curious young terrier, sees that the door is open one day, he decides to go exploring. Little does he know what neighbors await him! Farrar, Straus and Giroux is proud to reintroduce *Angus and the Ducks*, along with its companion

books, *Angus and the Cat* and *Angus Lost*. These classic tales of the feisty, lovable Angus will once again delight children everywhere.

The Empty Pot *Macmillan*

When Ping admits that he is the only child in China unable to grow a flower from the seeds distributed by the Emperor, he is rewarded for his honesty.

The Bumblebee Queen *Charlesbridge*

Bumblebee queens begin the spring alone, but can create colonies of hundreds throughout the year. Follow one queen as she finds a nest, gathers nectar, lays eggs and tends her colony through spring, summer, and fall.

Ping-Pong Diplomacy

Ivor Montagu and the Astonishing Story Behind the Game That Changed the World *Simon and Schuster*

It was one of the most significant developments of the post-war era: China finally abandoning its close relationship with the Soviet Union to begin detente with the USA. Astonishingly, the man who helped make it happen was a British aristocrat, Ivor Montagu, a Soviet spy who knew Stalin and dined with Trotsky. Even more remarkably, the means to this rapprochement was table tennis, a sport loved by both Chairman Mao and Montagu. For years, Montagu had lived a dual life, working to spread communism and also table tennis around the world. Surprisingly, the two strands of his career would come together in an event of global

significance. Nicholas Griffin weaves a compelling story to reveal the background to the famous occasion in 1971, when the USA's Glenn Cowan, a 19-year-old hippie, befriended China's world champion Zhuang Zedong, who was imprisoned during the Cultural Revolution. Within days, the Americans would be playing the Chinese in front of 18,000 fans in Beijing, with the whole world watching. It was the beginning of a thaw in Sino-US relations that forced the Soviets into a crippling arms race that acted as a catalyst to pressuring them into errors that would draw the Cold War to an end. Sometimes sport truly can have the biggest consequences.

Karsten's Way

The Remarkable Story of Karsten Solheim; Pioneer in Golf Club Design and the Founder of PING *Moody Publishers*

Golf, anyone? Karsten's Way tells the story of an ingenious man who took a long shot to improve his game and the game of millions of golfers around the world. His goal: to help golfers play their best and enjoy the game. Read the dramatic life story of Karsten Solheim, inventor of the PING golf club—the club that revolutionized the game of golf. Solheim's rise from shoemaker to world-recognized golf club designer and manufacturer is one of American industry's greatest success stories. Understand how Karsten Solheim's faith in God propelled him toward success. His passion for quality and belief in himself and his ideas became the hallmarks of his success and that of his business, the Karsten Manufacturing Company. An inspiring read for anyone with ambitious dreams and a love for the exciting game of golf.

Angus Lost *Square Fish*

Always curious, Angus runs away from his house to seek new adventures. Find them he does, but will Angus make it back home?

Weekly Reader Children's Book Club Presents *The Story about Ping***Ping****A Frog in Search of a New Pond**

A parable about adapting to change in the tradition of *Who Moved My Cheese?* and *Fish!* follows the transformative journey a frog in search of a pond that will help him with his long-distance jumping ambitions, a quest that is aided by a wise owl mentor. By the author of *Dragon Spirit*. 25,000 first printing.

Ping-Pong Diplomacy**The Secret History Behind the Game That Changed the World *Simon and Schuster***

Combining the insight of Franklin Foer's *How Soccer Explains the World* and the intrigue of Ben Affleck's *Argo*, *Ping Pong Diplomacy* traces the story of how an aristocratic British spy used the game of table tennis to propel a Communist strategy that changed the shape of the world. THE SPRING OF 1971 heralded the greatest geopolitical realignment in a generation. After twenty-two years of antagonism, China and the United States suddenly moved toward a détente—achieved not by politicians but by Ping-Pong

players. The Western press delighted in the absurdity of the moment and branded it “Ping-Pong Diplomacy.” But for the Chinese, Ping-Pong was always political, a strategic cog in Mao Zedong's foreign policy. Nicholas Griffin proves that the organized game, from its first breath, was tied to Communism thanks to its founder, Ivor Montagu, son of a wealthy English baron and spy for the Soviet Union. *Ping-Pong Diplomacy* traces a crucial intersection of sports and society. Griffin tells the strange and tragic story of how the game was manipulated at the highest levels; how the Chinese government helped cover up the death of 36 million peasants by holding the World Table Tennis Championships during the Great Famine; how championship players were driven to their deaths during the Cultural Revolution; and, finally, how the survivors were reconvened in 1971 and ordered to reach out to their American counterparts. Through a cast of eccentric characters, from spies to hippies and Ping-Pong-obsessed generals to atom-bomb survivors, Griffin explores how a neglected sport was used to help realign the balance of worldwide power.

Life of Miracles Along the Yangtze and Mississippi *University of Georgia Press*

There are only two ways to live our life, according to Albert Einstein: one is as if nothing is a miracle; the other, as if everything is a miracle. *Life of Miracles along the Yangtze and Mississippi* is a book about how the impossible became possible--about things that happened in China and America to the people Wang Ping grew up with, met, and befriended along her journeys between these two distant rivers. This is also a story about water,

alive with spirits and energy, giving birth to all sentient beings. We are water. The river runs through us. Those who live in harmony with water can ride the current of the universe--the secret of Tao, reaching all the way to the sea of miracles, one story, one droplet, and one wave at a time. A miracle is a state of mind, a way of living: how we face hardship, pain, and tragedies, how we transform them into fuels for our journey and transcend them into joy and hope. This is a book about how ordinary people perform miracles every day; how we are touched, touching, all the time, across oceans and continents, across time and space, through our stories.

And the Putter Went ... PING

The Lost Art of Reading

Why Books Matter in a Distracted Time *Sasquatch Books*

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in

contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.

Ping Vs Pong *Nobrow Press*

Two cute edamame beans play the ping pong game of their lives and learn about friendship and the satisfaction of trying your best no matter what! Two edamame beans dream of becoming world table tennis champions. They train night and day until no one is able to defeat them... but who is the better of the two players? A playful and visually engaging book about the joys of sport and team playing. In the end, it's the taking part that counts!

Ping and the Missing Ring: A Bloomsbury Reader *Bloomsbury Publishing*

An exciting contemporary mystery set in a Thai family in London, by Emma Shevah, author of *Dream On*, *Amber*. When Ping visits her Auntie Lek and her cousins Tong and Taptim it usually isn't long before they're on an adventure. Auntie Lek's precious ring is missing, and she's sure it's been stolen. Will Ping, Tong and Taptim be able to solve the case of the missing ring? This contemporary story features black-and-white illustrations by Izzy Evans. The Bloomsbury Readers series is packed with book-banded stories to get children reading independently in Key Stage 2 by award-winning authors like double Carnegie Medal winner Geraldine McCaughrean and Waterstones Prize winner Patrice Lawrence. With black-and-white illustrations and online guided reading notes written by the Centre for Literacy in Primary Education (CLPE), this series is ideal for home and school. For

more information visit www.bloomsburyguidedreading.com. Book Band: Dark Red (Ideal for ages 10+)

The Metaphysics of Ping-Pong

Table Tennis as a Journey of Self-Discovery *Quest Books*

When a mortifying defeat to his teenage son rekindles his lifelong passion for table tennis, keen philosopher Guido Mina di Sospiro sets out to learn the game properly. Guido's love for spinning a feather-weight ball takes him from his local Ping-Pong club, populated by idiosyncratic players with extraordinary stories to tell, to training drills with a world-class coach. This seemingly harmless game also leads him into sticky situations in the CIA headquarters and the ganglands of Washington, D.C. Woven throughout his Ping-Pong epiphany are philosophical ruminations on Plato and Aristotle, metaphysicians and empiricists, Jung's dark shadow, Sun Tzu's war tactics, the I Ching, and much more. As Guido's journey takes him from Big Sur to a nail-biting showdown in China against a string of elite players, he finds that Ping-Pong can teach us a surprising amount about life.

The Legend of Doc Ping

One Man's Remarkable Journey from Chinese Immigrant to NFL Agent

Reviews Reviewed by Jordan Raanan, ESPN reporter A fascinating look at the life of an incredible man. Who else has gone from communist China to representing players in the NFL? The journey is jaw-dropping, but it still pales in comparison to the man he has become. A lot of lessons to be learned from these pages. Reviewed by Tom Pellisero, NFL Network host and reporter From a near-death experience as a boy in Bangkok to representing pro football players and putting on charity events, Doc Ping's story is an inspiring one - a reminder that anyone can make a difference in this world. Reviewed by David Birkett, Detroit Free Press, Lions NFL reporter Doc Ping is the NFL agent's version of Forrest Gump, a genuine man who has been connected to some remarkable events over the course of his extraordinary life. t's a fascinating story, and one that gives the reader a glimpse into what's made him so successful. Reviewed by Aaron Wilson, Houston Chronicle, Texans NFL reporter The Legend of Doc Ping is an apt description of his life's story and provides an outstanding peek behind the curtains of both the NFL and Doc's life. Well-done! Book Summary After witnessing the beheading of his Uncle, a very young Doc Ping and his family escaped from China on foot in fear for their lives. They left everything behind, including his father's position

in the nationalist Chinese government and all of their possessions, and fled the country--first to Bangkok, and then to Taiwan. When Doc was nine, his father secretly arranged for him to travel on a freighter with 15 other civilians to the USA to live with the woman who helped resuscitate him from drowning a few years prior. Instead of offering him a better life, the woman was abusive, and after leaving her home, Doc lived in four more foster homes before joining the US Marine Corps after high school. In the Marines, Doc played football in Japan before deploying to Vietnam to fight for his country. Following his time in the Corps, Doc earned a Master's degree, coached Little League baseball, worked as an assistant principal, became a master of Jishukan-Ryu Jujitsu, and founded his own professional sports agency representing NFL players. As a result of the (highly) eventful life he's led, more than one of Doc's friends have referred to him as a "real life" Forrest Gump--and they might be right. Both overcame difficult childhoods, achieved athletic glory, fought for their country in Vietnam and shook JFK's hand. Both then went on to achieve great things in life, including finding love and having a family. The main difference here is that Forrest Gump is a work of fiction. Doc's stories, on the other hand, are actual accounts of his real life. This memoir contains some of the compelling stories from his remarkable journey.

The Biggest Bear *Houghton Mifflin Harcourt*

Johnny hunts for a bearskin for his barn door, but returns with a live bear cub instead.

To Survive is Victory

One Man's Struggle to Forge a New China 1918-1980

Unbound Publishing

'In those days we dedicated our whole lives to The Party. We put it first, before anything else, whether that was family, love, or even life itself. I will tell you a fact about the path my life has taken - to survive is victory!' This is the true account of the life of Lin Xiangbei, during a century of tumultuous changes in China. Lin was born in 1918 in Yunan, a small town in north-east Sichuan Province. In 1938, under the influence of a remarkable figure later known as 'The Double Gun Woman', Lin became a committed Communist. He worked tirelessly as an underground agent, believing the ideals of Communism would bring a better, fairer society to the people of China. But in 1957 Lin was accused of being a 'Rightist', spent several years in and out of labour camps, and was almost broken by the experience. Then came the decade-long nightmare that was the Great Proletarian Cultural Revolution. And yet, through it all, Lin Xiangbei remains committed to the principles of Communism and is proud of his country today. His account gives us not only a glimpse into the lives of ordinary people in twentieth-century China, but also an insight into the hardship, fear and insecurity of those years - and the comradeship, self-sacrifice and heroism of the people around him.

Ping Pong, Vol. 2 *VIZ Media LLC*

Things have changed since the last inter-high tournament. Peco has quit the game, and "Smile" Tsukimoto's desire to play is gone. Even "Demon" Sakuma has been kicked off the Kaio team. But Coach Koizumi isn't going to let all that talent go to waste

and launches a plan to get Tsukimoto back on the team and into top condition. Every great athlete needs a great rival to push them past their limits, and Peco and Smile—friends since they were children—must now challenge each other to become the heroes they always dreamed they could be. -- VIZ Media

Ping Pong Pig *Simon & Schuster Children's UK*

The animals of Apple Tree Farm just don't know what to do with Ping Pong Pig. He's far too busy learning to fly to help with any of the farmyard chores, and he keeps making such a mess! Then they have an idea - they make Ping Pong a trampoline! Surely now there will be no more trouble from Ping Pong - will there?

Ping-Li's Kite *Lemniscata USA*

The Story about Ping *Arrow*

"The Story About Ping" covers the concepts Family and Problem Solving. This classic children's book was first published in 1933 and is still as delightful and relevant as ever. Ping's owner takes him and his siblings to the river for dinner. When it's time to go, Ping is the last duck in the water and, as such, will receive a spanking. To avoid punishment, he hides--only to be captured the next morning by a young boy for his family's dinner. Finally Ping is set free, and when he sees his master's boat, the last thing he fears is a spanking--he's just thankful to be home

Ping-Ping Panda *Silver Dolphin Books*

As Ping-Ping Panda searches for the bamboo leaves she loves to eat, she discovers other Asian animals and their favorite foods.

The Snail with the Right Heart

A True Story *Enchanted Lion Books*

Based on a real scientific event and inspired by a beloved real human in the author's life, this is a story about science and the poetry of existence; about time and chance, genetics and gender, love and death, evolution and infinity -- concepts often too abstract for the human mind to fathom, often more accessible to the young imagination; concepts made fathomable in the concrete, finite life of one tiny, unusual creature dwelling in a pile of compost amid an English garden. Emerging from this singular life is a lyrical universal invitation not to mistake difference for defect and to welcome, across the accordion scales of time and space, diversity as the wellspring of the universe's beauty and resilience.
