Traguese Ese Sapo! Ed. Revisada *Urano*

For people who are overwhelmed by tasks of all sizes, this book provides the 21 most effective methods for conquering procrastination. By identifying and tackling their most unpleasant task first -- the philosophy of eating a frog -- readers learn to plan and organize each day and complete jobs faster.

Traguese Ese Sapo *Ediciones Urano*

Sencillamente no hay tiempo suficiente para hacer todo lo que figura en nuestra lista de cosas pendientes. La gente que tiene éxito sabe que es imposible hacerlo todo. Pero lo que es determinante, sabe cómo priorizar las tareas, a fin de completar cada día las más importantes. Según un viejo dicho, si la primera cosa que tiene que hacer cada mañana es tragarse un sapo, entonces le queda la satisfacción de saber que eso probablemente sea lo peor que hará en todo el día. Brian Tracy ataca directamente los factores que determinan una eficaz administración personal del tiempo: decisión, disciplina y resolución. Detalla veintiún pasos lógicos, acompañados de ejercicios específicos, que le ayudarán a terminar con la postergación de las tareas importantes hoy mismo y a definir sus objetivos y metas globales.

Resumen De "Traguese Ese Sapo: 21 Estrategias Para Tomar Decisiones Rápidas Y Mejorar La Eficacia Personal - De Brian Tracy" *Sapiens Editorial*

¿Estás abrumado por tus tareas? ¿Tienes tantas cosas por hacer que no sabes por dónde empezar? ¿No logras organizarte? Adopta las 21 estrategias para mejorar la eficacia personal. En esta obra se presentan estrategias que ayudan a priorizar las tareas a fin de completar las más importantes cada día. Según un antiguo dicho, la primera cosa que hay que hacer cada día es "tragarse un sapo", expresión que se refiere a que la persona sentirá la satisfacción de saber que seguramente eso será lo peor que hará en todo el día. Los principios desarrollados en este libro alivian las tensiones de la vida agitada del mundo actual. ¿QUÉ APRENDERÁS? - Conocerás los factores que determinan una eficaz administración del tiempo. - Aprenderás los veintiún pasos que te ayudarán a priorizar las tareas importantes para tus metas. - Desarrollarás hábitos fundamentales para tener una carrera exitosa y sentirte feliz contigo mismo. - Lograrás organizar cada uno de tus días y te sentirás aliviado y satisfecho. ACERCA DE BRIAN TRACY, EL AUTOR DEL LIBRO ORIGINAL: Brian Tracy es presidente de una empresa especializada en la formación y desarrollo de las personas y de las organizaciones. El

objetivo de su trabajo es ayudar a la gente a alcanzar sus metas personales y de negocios de forma rápida y sencilla.

El objetivo de su trabajo es ayudar a la gente a alcanzar sus metas personales y de negocios de forma rápida y sencilla. ACERCA DE LIBROS MENTORES, EL AUTOR DEL RESUMEN: LOS LIBROS SON MENTORES. Pueden guiar lo que hacemos en nuestras vidas y cómo lo hacemos. Muchos de nosotros amamos los libros mientras los leemos y hasta resuenan con nosotros algunas semanas después, pero luego de 2 años no podemos recordar si lo hemos leído o no. Y eso no está bien. Recordamos que, en el momento, aquel libro significó mucho para nosotros. ¿Por qué es que tiempo después nos hemos olvidado de todo? Este resumen toma las ideas más importantes del libro original. A muchas personas no les gusta leer, solo quieren saber qué es lo que el libro dice que deben hacer. Si confías en el autor no necesitas de los argumentos. La gran parte de los libros son argumentos de sus ideas, pero muy a menudo no necesitamos argumentos si confiamos en la fuente. Podemos entender la idea de inmediato. Toda esta información está en libro original. Este resumen hace el esfuerzo de reducir las redundancias y convertirlas en instrucciones directo al grano para las personas que no tienen intención de leer el libro en su totalidad. Esta es la misión de LIBROS MENTORES.

Believe It to Achieve It

Overcome Your Doubts, Let Go of the Past, and Unlock Your Full Potential *Penguin*

From the bestselling author of *Eat That Frog!*, a motivational guide to using the Psychology of Achievement to banish negative thoughts and behaviors and unlock your full potential for success. Letting go of negative thoughts is one of the most important steps to living a successful, fulfilling life, but also often the most difficult. In this practical, research-based guide, bestselling authors Brian Tracy and psychotherapist Christina Stein present their "Psychology of Achievement" program to help you identify and overcome detrimental patterns and ideas preventing you from achieving your goals or feeling happy and satisfied in your life. Whether this negativity stems from a past relationship that ended badly, a childhood trauma, a business or career failure, or general insecurity, Tracy and Stein help you recognize how conscious--and more oftentimes unconscious--negativity affects your personality, your outlook and your decisions. Along the way, they show you how to regain control of your thoughts, feelings, and actions, turn negatives into positives, and learn to accept unexpected life changes without falling back into old negative patterns. Essential reading for anyone feeling stuck, *BELIEVE IT TO ACHIEVE IT* offers an important roadmap to conquer negativity and embrace the power of positive thinking to live a happy, successful life.

The 100 Absolutely Unbreakable Laws of Business Success

Easyread Large Bold Edition *ReadHowYouWant.com*

The best news of all regarding business success is that nature is neutral. If you do what other successful people do, you will get the results that other successful people get. And if you don't, you won't. It is as simple as that. Some of these laws may seem simplistic or self-evident. Some repeat themselves in different ways in different categories. Don't be fooled into discounting or dismissing them on that account. Great success and mastery in any field always go to those who are brilliant on the basics. As you read, take a few moments with each law and honestly evaluate your own conduct and behavior with regard to that law. One insight or new idea that you did not have before can be all that it takes to change the direction of your life. When you apply *The 100 Absolutely Unbreakable Laws of Business Success* and you live your business life in harmony with them, you will gain a distinct advantage over those who do not. You will enjoy levels of success and satisfaction you may never have imagined possible. You will accomplish more in a few months or years than many

people accomplish in a lifetime! . Brian Tracy, Solana Beach, California, March 2000

Delegation and Supervision (The Brian Tracy Success Library) *AMACOM*

21 Great Ways to Get Ahead in Your Career: Easyread Large Bold Edition *ReadHowYouWant.com*

Enchantment

The Art of Changing Hearts, Minds, and Actions *Penguin*

Enchantment, as defined by bestselling business guru Guy Kawasaki, is not about manipulating people. It transforms situations and relationships. It converts hostility into civility and civility into affinity. It changes the skeptics and cynics into the believers and the undecided into the loyal. Enchantment can happen during a retail transaction, a high-level corporate negotiation, or a Facebook update. And when done right, it's more powerful than traditional persuasion, influence, or marketing techniques. Kawasaki argues that in business and personal interactions, your goal is not merely to get what you want but to bring about a voluntary, enduring, and delightful

change in other people. By enlisting their own goals and desires, by being likable and trustworthy, and by framing a cause that others can embrace, you can change hearts, minds, and actions. For instance, enchantment is what enabled . . . • A Peace Corps volunteer to finesse a potentially violent confrontation with armed guerrillas. • A small cable channel (E!) to win the TV broadcast rights to radio superstar Howard Stern. • A seemingly crazy new running shoe (Vibram Five Fingers) to methodically build a passionate customer base. • A Canadian crystal maker (Nova Scotian Crystal) to turn observers into buyers. This book explains all the tactics you need to prepare and launch an enchantment campaign; to get the most from both push and pull technologies; and to enchant your customers, your employees, and even your boss. It shows how enchantment can turn difficult decisions your way, at times when intangibles mean more than hard facts. It will help you overcome other people's entrenched habits and defy the not-always-wise "wisdom of the crowd." Kawasaki's lessons are drawn from his tenure at one of the most enchanting organizations of all time, Apple, as well as his decades of experience as an entrepreneur and venture capitalist. There are few people in the world more qualified to teach you how to enchant people. As Kawasaki writes, "Want to change the world? Change caterpillars into butterflies? This takes more than run-of-the-mill relationships. You need to convince people to dream the same dream that you do." That's a big goal, but one that's possible for all of us.

Creativity and Problem Solving (The Brian Tracy Success Library) AMACOM

Recent research has revealed a direct causality between ideas and profitability, which means that in today's ultra-competitive and technology-rich work environment, the most crucial element separating an exceptional career from a lackluster one is . . . creative thinking skills. While that may be scary news to hear for many businesspeople and entrepreneurs, it shouldn't be for you! Because inside this concise, easy-to-read book, one of the world's premiere success experts, Brian Tracy, reveals 21 proven, practical techniques readers can use to immediately begin generating a stream of productive ideas, including how to: • Stimulate the three primary triggers to creativity • Inspire a creative mindset in staff through recognition, rewards, and environment • Use methods such as Brainstorming, Zero-Based Thinking, Nominal Group Technique, and Lateral Thinking to solve problems, improve systems, devise new products, and come up with fresh, exciting marketing angles • Ask focused questions to generate elegant solutions • Understand the difference between mechanical and adaptive thinking • Rigorously evaluate new ideas . . . without shutting down the creative impulse Containing mind-stimulating exercises and down-to-earth strategies, *Creativity & Problem Solving*, an eye-opening book, will help anyone tap into the root source of their own intuitive genius--and gain the winning edge they've been missing all this time.

Summary Of "Go Pro: 7 Steps To Becoming A Network Marketing Professional - By Eric Worre" Sapiens Editorial

ORIGINAL BOOK DESCRIPTION: Go Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self-management for both time and decisions. The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a

salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income. In these lines, we present the best of these ideas. - ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blabs into themes for the people who are just not going to read the whole book. All this information is in the original book.

Stampede

Gold Fever and Disaster in the Klondike *Doubleday*

A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897-98. One hundred thousand men and women rushed heedlessly north to make their fortunes; very few did, but many thousands of them died in the attempt. In 1897, the United States was mired in the worst economic depression that the country had yet endured. So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon, a mob of economically desperate Americans swarmed north. Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet--in winter yet--woefully unprepared, with no experience at all in mining or mountaineering. It was a mass delusion that quickly proved deadly: avalanches, shipwrecks, starvation, murder. Upon this stage, author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it. A young Jack London, who would make his fortune but not in gold. Colonel Samuel Steele, who tried to save the stampedeers from themselves. The notorious gangster Soapy Smith, goodtime girls and desperate miners, Skookum Jim, and the hotel entrepreneur Belinda Mulrooney. The unvarnished tale of this mass migration is always striking, revealing the amazing truth of what people will do for a chance to be rich.

Leadership *Brian Tracy Success Library*

Great leadership isn't a mystery, but a skill that can be learned. Throughout your life, you've always recognized "it" when you saw it--that indescribable, appealing quality that tells you loud and

clear this person is a leader, someone you should trust, follow, and learn from. And you've always told yourself, if only you had that "it factor" inside you that could inspire, motivate, and lead others in the same way. Well, you do . . . and you can! Nobody--not even the greatest you have ever seen--comes into the world a natural leader. But somewhere along the way, these people who entered the world in the same you did transformed into the kind of magnetic individuals who inspire others to follow their lead. Success expert Brian Tracy has spent years studying the world's greatest leaders and believes that everyone has it inside them to: Inspire trust, confidence, and loyalty Instill a sense of meaning and purpose in your organization Tap into the motivation and enthusiasm that compels others to commit to your vision Clearly communicate goals and strategies and gain buy-in Build winning teams Elicit extraordinary performance from ordinary people Become the person seen as most likely to lead the organization to victory And more Don't fall for the lie that says some are born leaders and the rest of us are simply their followers. You are just as capable as anyone! Packed with practical, proven methods, *Leadership*, a indispensable little guide will help you unlock your leadership potential.

The Power Of Simplicity: A Management Guide to Cutting Through the Nonsense and Doing Things Right *McGraw Hill Professional*

The Columbia

Epicenter Press

The Columbia commemorates the disciplining and conversion of a wilderness river from a water passageway to a powerhouse and a source of irrigation. Here is the story of its explorers who came by boat and by foot: the bickering and battles between Hudson's Bay Company and Astor's fur trappers, the settlers that turned politicians to keep the Oregon Territory in the U.S. and to make two states out of it, the coming of steamboats, the potent force of the railways, and later the highways. The Columbia follows the story of the canals, locks, and dams which flooded old landmarks to give new pioneers farm lands and electricity, and the story of the settlement of the Pacific Northwest.

Book of the Dead (TombQuest, Book 1) *Scholastic Inc.*

From the team that brought you *The 39 Clues* and *Spirit Animals* comes a brand new epic Egyptian adventure! Nothing can save Alex Sennefer's life. That's what all the doctors say, but his mother knows it's not true. She knows that the Lost Spells of the Egyptian Book of the Dead can crack open a door to the afterlife and pull her son back from the brink. But when she uses the spells, five evil ancients--the Death Walkers--are also brought back to life. An ancient evil has been unleashed. Mummies are awakening. New York is overrun with scorpions. And worst of all for Alex, his mom and the Lost Spells have both disappeared. He and his best friend, Ren, will do anything to find his mom and save the world . . . even if that means going head-to-head with a Death Walker who has been plotting his revenge for 3,000 years. Read the book, then continue the adventure online! Build an Egyptian tomb of your own, hide treasure and protect it with traps, then challenge your friends to play through! In Montparnasse

The Emergence of Surrealism in Paris, from Duchamp to Dalí *Penguin*

"Describes with plenty of colour how surrealism, from Rene Magritte's bowler hats to Salvador Dali's watches, was born and developed." - The Times (UK) As she did for the Modernists In Montmartre, noted art historian and biographer Sue Roe now tells the story of the Surrealists in Montparnasse. In Montparnasse begins on the eve of the First World War and ends with the 1936 unveiling of Dalí's Lobster Telephone. As those extraordinary years unfolded, the Surrealists found ever more innovative ways of exploring the interior life, and asking new questions about how to define art. In Montparnasse recounts how this artistic revolution came to be amidst the salons and cafés of that vibrant neighborhood. Sue Roe is both an incisive art critic of these pieces and a beguiling biographer with a fingertip feel for this compelling world. Beginning with Duchamp, Roe then takes us through the rise of the Dada movement, the birth of Surrealist photography with Man Ray, the creation of key works by Ernst, Cocteau, and others, through the arrival of Dalí. On canvas and in their readymades and other works these artists juxtaposed objects never before seen together to make the viewer marvel at the ordinary—and at the workings of the subconscious. We see both how this art came to be and how the artists of Montparnasse lived. Roe puts us with Gertrude Stein in her box seat at the opening of The Rite of Spring; with Duchamp as he installs his famous urinal; at a Cocteau theatrical with Picasso and Coco Chanel; with Breton at a session with Freud; and with Man Ray as he romances Kiki de Montparnasse. Stein said it best when she noted that the Surrealists still saw in the common ways of the 19th century, but they complicated things with the bold new vision of the 20th. Their words mark an enormously important watershed in the history of art—and they forever changed the way we all see the world.

The Intellectual Devotional

Revive Your Mind, Complete Your Education, and Roam Confidently with the Culture *Rodale Books*

This daily digest of intellectual challenge and learning will arouse

curiosity, refresh knowledge, expand horizons, and keep the mind sharp Millions of Americans keep bedside books of prayer and meditative reflection—collections of daily passages to stimulate spiritual thought and advancement. The Intellectual Devotional is a secular version of the same—a collection of 365 short lessons that will inspire and invigorate the reader every day of the year. Each daily digest of wisdom is drawn from one of seven fields of knowledge: history, literature, philosophy, mathematics and science, religion, fine arts, and music. Impress your friends by explaining Plato's Cave Allegory, pepper your cocktail party conversation with opera terms, and unlock the mystery of how batteries work. Daily readings range from important passages in literature to basic principles of physics, from pivotal events in history to images of famous paintings with accompanying analysis. The book's goal is to refresh knowledge we've forgotten, make new discoveries, and exercise modes of thinking that are ordinarily neglected once our school days are behind us. Offering an escape from the daily grind to contemplate higher things, The Intellectual Devotional is a great way to awaken in the morning or to revitalize one's mind before retiring in the evening.

The Practice of Prophetic Imagination

Preaching an Emancipating Word *Fortress Press*

The necessary context of prophetic preaching, Walter Brueggemann argues, is "a contestation between narratives" the dominant narrative of our time, which promoting self-sufficiency at the national level (through militarism) and the personal (through consumerism), and the countervailing narrative of a world claimed by a God who is gracious, uncompromising--and real. In previous work Brueggemann has pointed us again and again to the indispensability of imagination. Here he writes for those who bear responsibility for regular proclamation in communities of faith, describing the discipline of a prophetic imagination that is unflinchingly realistic and unwaveringly candid.

Three to Get Married *Scepter Publishers*

One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.
