Honor Harrington books now number nearly 20 although in the later ones her role is reduced and in my view are not always so good or consistent. However my recommendation is read the series in order and make your own mind up. The earlier books are much more action and as we are about to discover there is no such thing as a "Short Victorious War".

But the ruling class knows what they need to keep in power: a "short victorious war" to unite the people and fill the treasury once more. It's a card they've played often in the last half-century, always successfully, and all that stands in their way is the Star Kingdom of Manticore and its threadbare allies: enemies in the past who have always backed down.
