17 Book Review Examples to Help You Write the Perfect ...

A critical review refers to the evaluation of an academic text (for example a book, report, article or essay). A critical review requires you to make judgments (using various criteria), about a book, a chapter, or a journal article. The criteria required to evaluate the information and knowledge contained in a text varies according to discipline. This implies that information technology, management, literature or sociology may require different criteria.
