A surreal and poignant coming of age on a secretive missile facility, and "an incredible view of...life in a town built for war."--Booklist The China Lake missile range is located in a huge stretch of the Mojave Desert, about the size of the state of Delaware. It was created during the Second World War, and has always been shrouded in secrecy. But people who make missiles and other

weapons are regular working people, with domestic routines and everyday dilemmas, and four of them were Karen Piper's parents, her sister, and--when she needed summer jobs--herself. Her dad designed the Sidewinder, which was ultimately used catastrophically in Vietnam. When her mom got tired of being a stay-at-home mom, she went to work on the Tomahawk. Once, when a missile nose needed to be taken offsite for final testing, her mother loaded it into the trunk of the family car, and set off down a Los Angeles freeway. Traffic was heavy, and so she stopped off at the mall, leaving the missile in the parking lot. Piper sketches in the belief systems--from Amway's get-rich schemes to propaganda in *The Rocketeer* to evangelism, along with fears of a Lemurian takeover and Charles Manson--that governed their lives. Her memoir is also a search for the truth of the past and what really brought her parents to China Lake with two young daughters, a story that reaches back to her father's World War II flights with contraband across Europe. Finally, it recounts the crossroads moment in a young woman's life when she finally found a way out of a culture of secrets and fear, and out of the desert.

No, the last good party you attended, the one where there was a theme with real food and yummy drinks and decorations to match and people actually talked to you. That's the kind of party we are talking about. And sadly, that's the kind of party that is harder and harder to find-until now. Now sorority sisters Kristina "Morgan" Rose and Deandra "Brooksie" Brooks are here with step-by-step party plans, including themes and concepts, decoration designs, menus and recipes, signature cocktails, and tips to make your event the party that everyone's talking about. With "A Word About" specific issues such as how much alcohol to buy per guest, and humorous quizzes, rants, and Top Ten lists, the only thing more fun than this book is the party you'll be inspired to throw because of it.

It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
