The Search For Social Entrepreneurship PDF

A social entrepreneur is an entrepreneur who works to increase social capital by founding social ventures, including charities, for-profit businesses with social causes, and other non-government organizations. These types of activities are distinct from work of non-operating foundations and philanthropists who provide funding and other support for them.

Why Social Entrepreneurship Is Good For People And Business

Social entrepreneurship is an approach by individuals, groups, start-up companies or entrepreneurs, in which they develop, fund and implement solutions to social, cultural, or environmental issues. This concept may be applied to a wide range of organizations, which vary in size, aims, and beliefs. For-profit entrepreneurs typically measure performance using business metrics like profit, revenues

and increases in stock prices. Social entrepreneurs, however, are either non-profits, or they blend f
