Daughter of the Sun *Ninestar Press, LLC*

Orsina of Melidrie is a paladin of the Order of the Sun, sworn to drive out corruption and chaos wherever she finds it. She has been ordered to leave her home and travel around Vesolda in search of a great evil she is supposedly destined to destroy. But after two years of fighting monsters and demons and evil gods, she does not seem to be any closer to her goal--or ever returning home. Aelia is the Goddess of Caprice, the personification of poor decision-making. The Order of the Sun has classified her as a chaos goddess, meaning that her worship has been outlawed. During a run-in with Orsina, she is trapped in a mortal body, rendering her unable to leave Inthya. Aelia is found by Orsina again, but this time Orsina does not recognize her in her new body. So Aelia pretends to be a mortal woman who is fleeing an abusive family. Aelia plans to use Orsina as protection as she hunts down the magical relic that will free her from her mortal body. As Aelia and Orsina grow closer to one another, Aelia wrestles with her own desire to tell Orsina the truth about who she is, and her fear that Orsina will turn on her if she does. But the decision might not be hers after all, because their actions have not gone unnoticed by Aelia's siblings.

Daughter of the Sun

Seventeen-year-old Hoshi'tiwa had a simple life: The daughter of a humble corn grower, she planned to marry a storyteller's apprentice. Hoshi'tiwa is suddenly thrown into the court of the Dark Lord, and as she struggles for power, she begins an illicit affair with the one man who has the ability to destroy her. Bestselling author Barbara Wood has crafted a sweeping saga of one woman's struggle to survive within the dangerous and exotic world of the Toltec court. The Disobedience of the Daughter of the Sun

A Mayan Tale of Ecstasy, Time, and Finding One's True Form *North Atlantic Books*

Author and illustrator Martín Prechtel is internationally known for his explorations of ancient folklore and uncovering the lessons therein for modern readers. In The Disobedience of the Daughter of the Sun, he revives a hitherto unknown Guatemalan Tzutujil Mayan tale of the beginnings of the world with a poetic retelling of the story, 28 evocative drawings, and a critical analysis that both enlightens and entertains. Having lived with the Mayans and learned their language, Prechtel authoritatively retells the powerful tale of the Tall Girl who weaves the world in a loom, her parents the Sun and the Moon who repudiate her suitors, and the mysterious man who disguises himself as a hummingbird to lure her away. Prechtel expands this archetypal story with five layers of commentary, each teasing out a different wisdom and revealing its relevance to the world today.

Daughter of the Sun and the Moon

The overarching theme in Daughter Of The Sun And The Moon is hope. Through this collection of poems, Hope takes on a human or ethereal form. However, the message conveyed is always the same; encouraging the reader to keep the flame of hope alive even if it's only a tiny spark. In this book, humanized/ ethereal Hope is an idealistic figure who sees the world as no one else does and spreads her magic onto the afflicted. For when one sees beauty in the simplest things, the world indeed becomes magical. We can experience hope in many ways. In my writings, hope is represented by the pleasant sound of a babbling brook, the sweet smell of the first rain, the soothing sound of heavy rain with a hint of thunder after a long dry summer, moonkissed ripples on a serene night full of shimmering stars across a velvet sky.

Bending Toward the Sun

A Mother and Daughter Memoir *Harper Collins*

"A memoir that takes us through many worlds, through heartache and noble hopes, through the mysteries of family love. . . . Read Bending Toward the Sun and enrich your life."——Rabbi David Wolpe, author of Why Faith Matters A miraculous lesson in courage and recovery, Bending Toward the Sun tells the story of a unique family bond forged in the wake of brutal terror. Rita Lurie was five years old when she was forced to flee her home in Poland to hide from the Nazis in a cramped, dark attic with fourteen members of her family. Young Rita watched her younger brother and her mother die before her eyes. But the tragedy of the Holocaust was only the beginning of Rita's story. Decades later, Rita's daughter Leslie began probing the traumatic events of her mother's childhood to discover how Rita's pain has affected not only Leslie's life and outlook but that of her own daughter, Mikaela, as well. The result is Bending Toward the Sun, a collaboration between mother and daughter that brings together the stories of three generations of a family to understand the legacy that unites, inspires, and haunts them all. Leslie Gilbert Lurie has served as president of the Los Angeles County Board of Education. Formerly an executive at NBC, where she worked on such hit shows as Cheers, Family Ties,Saved by the Bell, and The Fresh Prince of Bel Air, Gilbert-Lurie lives in Los Angeles with her husband and two children.

Unclean Spirits

Book One of the Black Sun's Daughter Simon and Schuster

In a world where magic walks and demons ride, you can't always play by the rules. Jayné Heller thinks of herself as a realist, until she discovers reality isn't quite what she thought it was. When her uncle Eric is murdered, Jayné travels to Denver to settle his estate, only to learn that it's all hers -- and vaster than she ever imagined. And along with properties across the world and an inexhaustible fortune, Eric left her a legacy of a different kind: his unfinished business with a cabal of wizards known as the Invisible College. Led by the ruthless Randolph Coin, the Invisible College harnesses demon spirits for their own ends of power and domination. Jayné finds it difficult to believe magic and demons can even exist, let alone be responsible for the death of her uncle. But Coin sees Eric's heir as a threat to be eliminated by any means -- magical or mundane -- so Jayné had better start believing in something to save her own life. Aided in her mission by a group of unlikely companions -- Aubrey, Eric's devastatingly attractive assistant; Ex, a former Jesuit with a lethal agenda; Midian, a two-hundred-year-old man who claims to be under a curse from Randolph Coin himself; and Chogyi Jake, a self-styled Buddhist with mystical abilities -- Jayné finds that her new reality is not only unexpected, but often unexplainable. And if she hopes to survive, she'll have to learn the new rules fast -- or break them completely....

The King's Daughter Open Road Media

Winner of the Nebula Award and now a major motion picture: “A luminous, radiant novel” (Ursula K. Le Guin, author of the Earthsea series). During the late seventeenth century, Louis XIV’s natural philosopher and explorer, Father Yves de la Croix, does what no one has done for four hundred years: he brings a living sea monster to land. Thus begins a stunning fantasy, a journey into science and superstition, and an alternate history in which Yves and his sister, Marie-Josèphe—a lady-in-waiting with her own finely tuned intelligence and insatiable curiosity—struggle to learn from and protect the sea woman. As Marie-Josèphe translates the sea woman’s songs into stories, she hopes to stave off the creature’s inevitable execution—for Louis XIV believes the wondrous being holds the secret to the immortality he craves, a twisted obsession that will force brother and sister to choose between their conscience and their loyalty to king and country . . . The basis for the movie starring Pierce Brosnan, The King’s Daughter is “a dazzling and spirited evocation of the passions, intrigues, and preconceptions of the age, along with a dandy pair of misfit, star-crossed

lovers: an enchanting slice of what-if historical speculation” (Kirkus Reviews). “A wonderful book! Adventure, love, history, magic.” —Diana Gabaldon, bestselling author of Outlander “A plot that sings, enchanting romance, and a depth of insight into human nature.” —SF Site “A marvelous alternative-history fable about greed and goodness, power and pathos set at the 17th century court of Louis XIV, France’s glittering Sun King . . . [McIntyre’s] imaginings enliven her history with wonder, but, as in the best fantasy, they serve less to dazzle by their inventiveness than to illuminate brilliantly real-world truths—here, humanity’s responses, base and noble, when confronting the unknown.” —Publishers Weekly, starred review “Combines two demanding genres, with some remarkable twists unlike anything I’ve seen before. It is a science fiction story of first contact with an alien race, but told in a setting more often associated with fantasy. It is also historical romance at its best, the type of meticulously researched work that brings another era to life. McIntyre infuses it all with her marvelously unique style.” —Catherine Asaro, award-winning author Previously published as The Moon and the Sun

Vicious Grace Simon and Schuster

When you’re staring evil in the eye, don’t forget to watch your back . . . For the first time in forever, Jayné Heller’s life is making sense. Her next job might just rob her of all of them. At Grace Memorial Hospital in Chicago, something is stirring. Patients are going AWOL and research subjects share the same sinister dreams. Half a century ago, something was buried under Grace in a terrible ritual, and it’s straining to be free. Jayné is primed to take on whatever’s about to be let loose. Yet the greatest danger now may not be the huge, unseen force lurking below, but the evil that has been hiding in plain sight all along—taking her ever closer to losing her body, her mind, and her soul. . . .

To possess the Mandate of Heaven, the female monk Zhu will do anything “I refuse to be nothing...” In a famine-stricken village on a dusty yellow plain, two children are given two fates. A boy, greatness. A girl, nothingness... In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family’s eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family’s clever and capable second daughter, on the other hand, is only as expected. When a bandit attack orphans the two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate. After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu takes the chance to claim another future altogether: her brother's abandoned greatness. Half of a Yellow Sun Vintage Canada

With her award-winning debut novel, Purple Hibiscus, Chimamanda Ngozi Adichie was heralded by the Washington Post Book World as the “21st century daughter” of Chinua Achebe. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra’s impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo’s beautiful mistress, Olanna, a sociology teacher, is running away from her parents’ world of wealth and excess; Kainene, her urbane twin, is taking over their father’s business; and Kainene’s English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, Half of a Yellow Sun is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

Empress: The Astonishing Reign of Nur Jahan *W. W. Norton & Company*
A Finalist for the 2018 Los Angeles Times Book Prize in History Four centuries ago, a Muslim woman ruled an empire. When it came to hunting, she was a master shot. As a dress designer, few could compare. An ingenious architect, she innovated the use of marble in her parents’ mausoleum on the banks of the Yamuna River that inspired her stepson’s Taj Mahal. And she was both celebrated and reviled for her political acumen and diplomatic skill, which rivaled those of her female counterparts in Europe and beyond. In 1611, thirty-four-year-old Nur Jahan, daughter of a Persian noble and widow of a subversive official, became the twentieth and most cherished wife of the Emperor Jahangir. While other wives were secluded behind walls,

Nur ruled the vast Mughal Empire alongside her husband, and governed in his stead as his health failed and his attentions wandered from matters of state. An astute politician and devoted partner, Nur led troops into battle to free Jahangir when he was imprisoned by one of his own officers. She signed and issued imperial orders, and coins of the realm bore her name. Acclaimed historian Ruby Lal uncovers the rich life and world of Nur Jahan, rescuing this dazzling figure from patriarchal and Orientalist clichés of romance and intrigue, and giving new insight into the lives of women and girls in the Mughal Empire, even where scholars claim there are no sources. Nur’s confident assertion of authority and talent is revelatory. In Empress, she finally receives her due in a deeply researched and evocative biography that awakens us to a fascinating history.

Galileo's Daughter

A Historical Memoir of Science, Faith and Love *Bloomsbury Publishing USA*
Inspired by a long fascination with Galileo, and by the remarkable surviving letters of Galileo's daughter, a cloistered nun, Dava Sobel has written a biography unlike any other of the man Albert Einstein called "the father of modern physics- indeed of modern science altogether." Galileo's Daughter also presents a stunning portrait of a person hitherto lost to history, described by her father as "a woman of exquisite mind, singular goodness, and most tenderly attached to me." Galileo's Daughter dramatically recolors the personality and accomplishment of a mythic figure whose seventeenth-century clash with Catholic doctrine continues to define the schism between science and religion. Moving between Galileo's grand public life and Maria Celeste's sequestered world, Sobel illuminates the Florence of the Medicis and the papal court in Rome during the pivotal era when humanity's perception of its place in the cosmos was about to be overturned. In that same time, while the bubonic plague wreaked its terrible devastation and the Thirty Years' War tipped fortunes across Europe, one man sought to reconcile the Heaven he revered as a good Catholic with the heavens he revealed through his telescope. With all the human drama and scientific adventure that distinguished Dava Sobel's previous book Longitude, Galileo's Daughter is an unforgettable story

Daughter of the Morning Star

A Longmire Mystery *Penguin*

Lolo hopes that having Longmire involved might draw some public attention to the girl's plight, but with this maneuver she also inadvertently places the good sheriff in a one-on-one with the deadliest adversary he has ever faced in both this world and the next.

The Sun in Your Eyes

A Novel *HarperCollins*
A New York Times Book Review Editor's Choice The Wall Street Journal calls The Sun in Your Eyes one of "the season's most exciting fiction reads." One of Vulture's "7 Books You Need to Read This July" Harper's Bazaar picked it as one of "Spring's Hottest Breakout Novels." Ann Hood says it's "the perfect summer book." A witty and winning new voice comes alive in this infectious road trip adventure with a rock-and-roll twist. Shapiro's debut blends the emotional nuance of Elena Ferrante with the potent nostalgia of High Fidelity, in a story of two women—one rich and alluring, the other just another planet in her dazzling orbit—and their fervid and troubled friendship. From the distance of a few yards, there might be nothing distinctive about Lee Parrish, nothing you could put your finger on, and yet, if she were to walk into a room, you would notice her. And if you were with her, I'd always thought, you could walk into any room. For quiet, cautious and restless college freshman Vivian Feld real life begins the day she moves in with the enigmatic Lee Parrish—daughter of died-too-young troubadour Jesse Parrish and model-turned-fashion designer Linda West—and her audiophile roommate Andy Elliott. When a one-night stand fractures Lee and Andy’s intimate rapport, Lee turns to Viv, inviting her into her glamorous fly-by-night world: an intoxicating mix of Hollywood directors, ambitious artists, and first-class everything. It is the beginning of a friendship that will inexorably shape both women as they embark on the rocky road to adulthood. More than a decade later, Viv is married to Andy and hasn’t heard from

Lee in three years. Suddenly, Lee reappears, begging for a favor: she wants Viv to help her find the lost album Jesse was recording before his death. Holding on to a life-altering secret and ambivalent about her path, Viv allows herself to be pulled into Lee’s world once again. But the chance to rekindle the magic and mystery of their youth might come with a painful lesson: While the sun dazzles us with its warmth and brilliance, it may also blind us from seeing what we really need. What begins as a familiar story of two girls falling under each other’s spell evolves into an evocative, and at times irrepressibly funny, study of female friendship in all its glorious intensity and heartbreaking complexity.

A Thousand Splendid Suns *A&C Black*

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Circe *Little, Brown*

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V.
