puppetry in education and therapy Since the

founding of Puppeteers of America the organization has demonstrated a deep commitment to puppetry in education. Dr Marjorie Batchelder McPharlin, who served as president of PofA, began teaching puppetry at Ohio State University in 1935.

Education and Therapy - Puppeteers of America

A common mistake is that puppetry is just for entertainment.

Psychoanalytic, psychodynamic, jungian, cognitive and narrative theory can stand side by side and be combined with techniques from art therapy, play therapy, drama therapy and psychodrama to make puppetry a viable form of therapy. "Puppets

are sometimes made as conscious self-representations or representations of others, but more often, puppets emerge that embody unconscious dynamics or parts of self that are not as easily or openly ...

Using Puppetry in Children's Therapy

Speaking puppetry in a therapy situation helps to develop tools for understanding others and engaging in an active dialogue, based on curiosity, using the signs and symbols presented by the puppet and the puppet story. Puppetry offers a chance to create a visualization of the thinking process.
