In general, the rule of law implies that the creation of laws, their enforcement, and the relationships among legal rules are themselves legally regulated, so that no one—including the most highly placed official—is above the law. The legal constraint on rulers means that the government is subject to existing laws as much as its citizens are. Thus, a closely related notion is the idea of equality before the law, which holds that no “legal” person shall enjoy privileges that are not ...

rule of law | Definition, Implications, Significance ...

While the rule of law means that there’s clarity and consistency in rules and regulations, you still need to learn what the rules are. If you own or work for an Australian business, you have to follow Australian law. When you neglect to do so, there are clearly outlined consequences. For example, Australia has laws governing minimum wage.

The rule of law is defined in the Oxford English Dictionary as "[t]he authority and influence of law in society, especially when viewed as a constraint on individual and institutional behavior; (hence) the principle whereby all members of a society (including those in government) are considered equally subject to publicly disclosed legal codes and processes."

Rule of law - Wikipedia

The rule of law is a fundamental doctrine by which every individual must obey and submit to the law, and not arbitrary action by other people or groups. In essence, no one is above the law. The United Kingdom does not have a written constitution. The rule of law, along with Parliamentary Sovereignty and court rulings, is fundamentally the defining principle of our ‘unwritten constitution’.
