But David, the youngest, is determined that somehow he will educate himself and work to ameliorate the lives of his comrades who ruin their health to dig the nation's coal. It is, perhaps, a typical tale of the era in which it was written - there were many novels about coal mining, but Cronin, a doctor turned author, had a gift for storytelling, and in his time wrote several very popular and successful novels In the magnificent narrative tradition of The Citadel, Hatter’s Castle and Cronin’s other novels, The Stars Look Down is deservedly remembered as a classic of its age.

Taking material directly from his own life, he tells of the early struggles of a poor medical student in Scotland, the cruel crushing of all hopes of becoming a surgeon, the years as a ship’s doctor and, later, life in the country practice that was the real Tannochbrae. There are many strange twists and turns – not the least of them the dramatic move from the world of medicine into that of literature when a novel ‘written despairingly on twopenny exercise books, thrown out and rescued from the rubbish heap’ was accepted by a publisher. And with Hatter’s Castle a new career was born.

Lady with Carnations *Boxtree*

Lady with Carnations is not only the traditional name of a famous Holbein miniature which unexpectedly comes into a London salesroom in the mid-thirties: it is also the soubriquet by which some of her close friends think of the antique-dealer who buys it. Katharine Lorimer, by hard work, flair and courage, has worked her way to the top of a trade that traditionally belongs to men. Yet, having acquired the Holbein despite fierce competition, she feels not triumph but a terrible anxiety and desolation. The antique business is going through the doldrums, and she herself is reaching the limit of her resources. Worse still, she feels appallingly alone in the world. Reserved and fastidious, she keeps a certain distance from even her dearest friends, and the person she loves most, her niece Nancy, is bound up in her own ambitions to become a famous actress. Katharine has bought the miniature as a gigantic gamble, hoping to sell it to a wealthy American collector, and she sets off for New York with Nancy and her niece’s fiancé. What happens to them all there, and how their lives are altered, makes an engrossing tale, a delightful love story, showing at its best Dr Cronin’s gifts as a novelist.
