First, We Make the Beast Beautiful

A New Journey Through Anxiety *Dey Street Books*

The New York Times bestselling author of *I Quit Sugar* transforms cultural perceptions of the mental health issue of our age—anxiety—viewing this widespread condition not as a burdensome affliction but as a powerful spiritual teacher that can deepen our lives. While reading psychiatrist Kay Redfield Jamison's groundbreaking account of bipolar disorder *An Unquiet Mind*, Sarah Wilson discovered an ancient Chinese proverb that would change her life: To conquer a beast, you must first make it beautiful. Wilson, a bestselling author, journalist, and entrepreneur, had spent years struggling with her own beast: chronic anxiety. And the words of this proverb would become the key to understanding her condition. *First, We Make the Beast Beautiful* charts Wilson's epic journey to make peace with her lifetime companion, and to learn to see it as a guide, rather than as an enemy. With intensive focus and investigatory skills, Wilson examines the triggers and treatments, the fashions and fads. She reads widely and interviews fellow sufferers, mental health experts, philosophers, and even the Dalai Lama, processing all she learns through the prism of her own experiences. Pulling at the thread of accepted definitions of anxiety, she unravels the notion that it is a difficult, dangerous disease that must be medicated into submission, and re-frames it as a divine journey—a state of yearning that will lead us closer to what really matters. Practical and poetic, wise and funny, *First, We Make the Beast Beautiful* is a small book with a big heart. It will encourage the myriad souls who dance with this condition to embrace it as a part of who they are, and to explore the possibilities it offers for a richer, fuller life.

first, we make the beast beautiful

A New Story About Anxiety *Macmillan Publishers Aus.*

"Probably the best book on living with anxiety that I've ever read" Mark Manson, bestselling author of *The Subtle Art of Not Giving a F*ck* Sarah Wilson is a New York Times and Amazon #1 bestselling author, entrepreneur and philanthropist. She's the founder of IQuitSugar.com, whose 8-Week Program has been completed by 1.5 million people in 133 countries. A former news journalist and editor of *Cosmopolitan*, she was the host of the first series of *MasterChef Australia* and is the author of the international bestsellers *first, we make the beast beautiful*, *I Quit Sugar: Simplicious*, *I Quit Sugar* and *I Quit Sugar For Life*. Her latest book is *I Quit Sugar: Simplicious Flow*. She is ranked as one of the top 200 most influential authors in the world. Sarah blogs in an intimate fashion - on philosophy, anxiety, minimalism and anti-consumerism - at sarahwilson.com, lives in Sydney, Australia, rides a bike everywhere, is a compulsive hiker and is eternally curious. In *first, we make the beast beautiful*, Sarah directs her intense focus and fierce investigatory skills onto this lifetime companion of hers, looking at the triggers and treatments, the fashions and fads. She reads widely and interviews fellow sufferers, mental health experts, philosophers, and even the Dalai Lama, processing all she learns through the prism her own experiences. Sarah pulls at the thread of accepted definitions of anxiety, and unravels the notion that it is a difficult, dangerous disease that must be medicated into submission. Ultimately, she re-frames anxiety as a spiritual quest rather than a burdensome affliction, a state of yearning that will lead us closer to what really matters. Practical and poetic, wise and funny, this is a small book with a big heart. It will encourage the myriad sufferers of the world's most common mental illness to feel not just better about their condition, but delighted by the possibilities it offers for a richer, fuller life. MORE PRAISE FOR FIRST, WE MAKE THE BEAST BEAUTIFUL "at once a nomadic journey, a cri de coeur and a compendium of hard-won wisdom ..." Professor Patrick McGorry AO MD PhD FRCP FRANZCP FAA FASSA, 2010 Australian of the Year "A witty, well-researched and often insightful book about negotiating a new relationship with anxiety." Andrew Solomon, Professor of Clinical Psychology and author of *The Noonday Demon: An Anatomy of Depression*

First, We Make the Beast Beautiful

A new story about anxiety *Random House*

'I loved this book.' MATT HAIG _____ If you have anxiety, this book is for you. If you love someone who is anxious, this book is for you. *I Quit Sugar* founder and New York Times bestselling author Sarah Wilson has lived through high anxiety - including bipolar, OCD and several suicide attempts - her whole life. Perhaps like you, she grew tired of seeing anxiety as a disease that must be medicated into submission. Could anxiety be re-sewn, she asked, into a thing of beauty? So began a seven-year journey to find a more meaningful and helpful take on anxiety. Living out of two suitcases, Sarah travelled the world, meeting with His Holiness The Dalai Lama, with Oprah's life coach, with major mental health organizations and hundreds of others in a quest to unravel the knotted ball of wool that is the anxious condition. She emerged with the very best philosophy, science and hacks for thriving with the beast. *First, We Make the Beast Beautiful* is a book with a big heart, paving the way for richer, kinder and wiser conversations about anxiety. _____ 'Probably the best book on living with anxiety that I've ever read.' MARK MANSON, author of *The Subtle Art of Not Giving a F*ck*

This One Wild and Precious Life

The Path Back to Connection in a Fractured World *HarperCollins*

As seen in USA Today's hottest releases and The Washington Post's 10 New Books Spotlight "Sarah Wilson is a force of nature - quite literally. She has taken her pain and grief about our sick and troubled world and alchemized it into action, advocacy, adventure, poetry, and true love." — ELIZABETH GILBERT Wake up and reclaim your one wild and precious life. New York Times bestselling author Sarah Wilson shows you how in this radical spiritual guidebook, the book we need NOW. Many of us are living with the sense that things are not right with the world and are in a state of spiritual PTSD. We have retreated, morally and psychologically; we are experiencing a crisis of disconnection—from one another, from our true values, from joy, and from life as we feel we are meant to be living it. Sarah Wilson argues that this sense of despair and disconnection is ironically what unites us—that deep down, we are all feeling that same itch for a new way of living. Drawing on science, literature, philosophy and the wisdom of some of the world's leading experts, and her

personal journey, Wilson offers a hopeful path forward to the life we love. En route, she shows us how to wake up and reconnect with life using “wild practices” that include: · Hike. Embrace the “walking cure” as great minds throughout history have. · Go to your edge. Do what scares you and embrace discomfort daily. · #Buylesslivemore. Break the cycle of mindless consumption and get light with your life. · Become a soul nerd. Light up your intellect with the arts. · Get “full-fat spiritual”. Have an active practice and use it to change the world. · Practice wild activism. Through sustained, non-violent protest we can create our better world. The time has come to boldly, wildly imagine better. We are being called upon, individually and as a society, to forge a new path and to find a new way of living. Will you join the journey?

Bookish and the Beast *Quirk Books*

A tale as old as time is made new in Ashley Poston's fresh, geeky retelling of Beauty and the Beast—now with a bonus Starfield story! In this third book of the Once Upon a Con series, Rosie Thorne is feeling stuck—on her college application essays, in her small town, and on that mysterious General SOND cosplayer she met at ExcelsiCon. Most of all, she's stuck in her grief over her mother's death. Her only solace was her late mother's library of rare Starfield novels, but even that disappeared when they sold it to pay off hospital bills. On the other hand, Vance Reigns has been Hollywood royalty for as long as he can remember—with all the privilege and scrutiny that entails. When a tabloid scandal catches up to him, he's forced to hide out somewhere the paparazzi would never expect to find him: Small Town USA. At least there's a library in the house. Too bad he doesn't read. When Vance's and Rosie's paths collide, sparks do not fly. But as they begrudgingly get to know each other, their careful masks come off—and they may just find that there's more risk in shutting each other out than in opening their hearts.

May Cause Miracles

A 40-Day Guidebook of Subtle Shifts for Radical Change and Unlimited Happiness *Harmony*

Offering a plan for releasing fear and embracing gratitude, reveals how simple, consistent shifts in our thinking and actions can lead to miraculous changes in daily life.

The Beast Is an Animal *Simon and Schuster*

Raised by strict, devout people after soul eaters attacked her village and spared only the children, Alys grows up longing for the freedom of the forest while hiding a gift that would mark her as a witch.

The Anti-Anxiety Diet

A Two-Week Sugar Detox That Tackles Anxiety (For Good) *HarperCollins*

From the New York Times bestselling author of *I Quit Sugar* and *First, We Make the Beast Beautiful* comes this proven 2-week plan for reducing anxiety and beating one of its leading causes—sugar

addiction—using 8 simple, sustainable dietary shifts. Eating more than 6 teaspoons of sugar a day? No wonder you're anxious. Anxiety has a lot to do with lifestyle choices, including what you put in your mouth. Sarah Wilson is an expert on sugar addiction and its connection to the most widespread mental health concern—chronic anxiety—affecting millions worldwide today. One in six people in the West alone suffer from an anxiety-related illness. While scientists know that anxiety is a chemical imbalance in the brain, recent studies have linked this condition to sugar consumption and inflammation in the gut. In *The Anti-Anxiety Diet*, Wilson unravels the cutting-edge science linking sugar addiction, inflammation, and gut health to mental health. “If you have fire in the gut,” Sarah advises, “you have fire in the brain.” And sugar is the primary culprit. The Anti-Anxiety Diet is her simple, 2-week jumpstart plan for eliminating sugar from your diet. Packed with delicious, easy-to-prepare recipes, 4-color photos, and detailed meal plans, it shows you how to replace the bad stuff (sugar) with the good stuff (whole, unprocessed foods), to soothe—and ultimately tame—the anxious beast.

The Little Book of Cottagecore

Traditional Skills for a Simpler Life *Adams Media*

Layoverland *Penguin*

Awakening on a flight to purgatory after hurting her beloved younger sister, Bea is charged with saving thousands of souls to secure her place in heaven before discovering that one of her first assignments involves helping the boy who caused her fatal accident.

Laurent and the Beast *Acerbi&Villani Ltd*

--- Nothing can stop true love. Not time. Not even the devil himself. --- 1805. Laurent. Indentured servant. Desperate to escape a life that is falling apart. 2017. Beast. Kings of Hell Motorcycle Club vice president. His fists do the talking. Beast has been disfigured in a fire, but he's covered his skin with tattoos to make sure no one mistakes his scars for weakness. The accident not only hurt his body, but damaged his soul and self-esteem, so he's wrapped himself in a tight cocoon of violence and mayhem where no one can reach him. Until one night, when he finds a young man covered in blood in their clubhouse. Sweet, innocent, and as beautiful as an angel fallen from heaven, Laurent

pulls on all of Beast's heartstrings. Laurent is so lost in the world around him, and is such a tangled mystery, that Beast can't help but let the man claw his way into the stone that is Beast's heart. In 1805, Laurent has no family, no means, and his eyesight is failing. To escape a life of poverty, he uses his beauty, but that only backfires and leads him to a catastrophe that changes his life forever. He takes one step into the abyss and is transported to the future, ready to fight for a life worth living. What he doesn't expect in his way is a brutal, gruff wall of tattooed muscle with a tender side that only Laurent is allowed to touch. And yet, if Laurent ever wants to earn his freedom, he might have to tear out the heart of the very man who took care of him when it mattered most. POSSIBLE SPOILERS: Themes: time travel, servitude, serial killer, cruelty, motorcycle club, alternative lifestyles, disability, demons, tattoos, impossible choices, deception, crime, self-discovery, healing, virginity, black magic, gothic Genre: Dark, paranormal romance Scorching hot, emotional, explicit scenes Length: ~135,000 words (Book 1 in the series, can be read as a standalone) WARNING: This story contains scenes of violence, offensive language, and morally ambiguous characters.

The Beast's Heart

A Novel of Beauty and the Beast Penguin

A luxuriously magical retelling of Beauty and the Beast set in seventeenth-century France—and told from the point of view of the Beast himself. I am neither monster nor man—yet I am both. I am the Beast. He is a broken, wild thing, his heart's nature exposed by his beastly form. Long ago cursed with a wretched existence, the Beast prowls the dusty hallways of his ruined château with only magical, unseen servants to keep him company—until a weary traveler disturbs his isolation. Bewitched by the man's dreams of his beautiful daughter, the Beast devises a plan to lure her to the château. There, Isabeau courageously exchanges her father's life for her own and agrees to remain with the Beast for a year. But even as their time together weaves its own spell, the Beast finds winning Isabeau's love is only the first impossible step in breaking free from the curse....

Beauty and the Beast Lulu.com

This is the first published version of Beauty and the Beast, written by the French author Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planché. It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions of the now classic fairy tale.

I Quit Sugar: Simplicious Flow Macmillan

Sarah Wilson encourages us to be the change we want. She liberated us from the health costs of processed food by helping us to quit sugar. She inspired us to reframe anxiety as an opportunity for personal transformation rather than as a frailty. Now she emboldens us to adopt 'zero-waste' cooking as the path to good health, creativity and an altogether more elegant life. Inside this book you will find the most instructive, practical and useful kitchen advice that you are ever likely to

encounter. Sarah reacquaints us with Flow, an intricately crafted kitchen process that shows us how to cook gut-healing, nutritionally dense, delicious food in less time, for less money and with virtually no waste. I Quit Sugar: Simplicious Flow is more than its 348 recipes, stunning food photography and intensely useful instruction. It is a manifesto for change, a challenge to us all to take charge of our kitchen, our expenditure, our time, our own health and the health of the planet.

The Beast In Me Lulu Press, Inc

Meg has vanished from Jay's life and not even Peter knows what has happened to her, what White has done to her or - even worse - is currently doing to her. Without having Meghan to keep him sane, Jay struggles to keep the upper hand and control over his body, and to face not only his new everyday life, but also the scattered memories of his encounters with the woman who brought back his humanity to the surface. Eventually, he knows that he has to face the beast within, because this time it's his turn to save her.

Beauty and the Beast: Lost in a Book Disney Electronic Content

Smart, bookish Belle, a captive in the Beast's castle, has become accustomed to her new home and has befriended its inhabitants. When she comes upon Nevermore, an enchanted book unlike anything else she has seen in the castle, Belle finds herself pulled into its pages and transported to a world of glamour and intrigue. The adventures Belle has always imagined, the dreams she was forced to give up when she became a prisoner, seem within reach again. The charming and mysterious characters Belle meets within the pages of Nevermore offer her glamorous conversation, a life of dazzling Parisian luxury, and even a reunion she never thought possible. Here Belle can have everything she ever wished for. But what about her friends in the Beast's castle? Can Belle trust her new companions inside the pages of Nevermore? Is Nevermore's world even real? Belle must uncover the truth about the book, before she loses herself in it forever.

Brazen and the Beast

The Bareknuckle Bastards Book II HarperCollins

New York Times Bestselling Author Sarah MacLean returns with the next book in the Bareknuckle Bastards series about three brothers bound by a secret that they cannot escape—and the women who bring them to their knees. The Lady's Plan When Lady Henrietta Sedley declares her twenty-ninth year her own, she has plans to inherit her father's business, to make her own fortune, and to live her own life. But first, she intends to experience a taste of the pleasure she'll forgo as a confirmed spinster. Everything is going perfectly...until she discovers the most beautiful man she's ever seen tied up in her carriage and threatening to ruin the Year of Hattie before it's even begun. The Bastard's Proposal When he wakes in a carriage at Hattie's feet, Whit, a king of Covent Garden known to all the world as Beast, can't help but wonder about the strange woman who frees him—especially when he discovers she's headed for a night of pleasure . . . on his turf. He is more than happy to offer Hattie all she desires...for a price. An Unexpected Passion Soon, Hattie and Whit find themselves rivals in business and pleasure. She won't give up her plans; he won't give up his

power . . . and neither of them sees that if they're not careful, they'll have no choice but to give up everything . . . including their hearts.

I Quit Sugar

Your Complete 8-Week Detox Program and Cookbook *Clarkson Potter*

NEW YORK TIMES BESTSELLER • A week-by-week guide to quitting sugar to lose weight, boost energy, and improve your mood and overall health, with 108 sugarfree recipes. "Life without sugar is much sweeter than I ever imagined it would be."—Shauna Ahern, Gluten-Free Girl Sarah Wilson thought of herself as a relatively healthy eater. She didn't realize how much sugar was hidden in her diet, or how much it was affecting her well-being. When she learned that her sugar consumption could be the source of a lifetime of mood swings, fluctuating weight, sleep problems, and thyroid disease, she knew she had to make a change. What started as an experiment to eliminate sugar—both the obvious and the hidden kinds—soon became a way of life, and now Sarah shows you how you can quit sugar too: • Follow a flexible and very doable 8-week plan. • Overcome cravings. • Make food you're excited to eat with these 108 recipes for detox meals, savory snacks, and sweet treats from Sarah Wilson and contributors including Gwyneth Paltrow, Curtis Stone, Dr. Robert Lustig (The Fat Chance Cookbook), Sarma Melngailis (Raw Food/Real World), Joe "the Juicer" Cross, and Angela Liddon (Oh She Glows). I Quit Sugar makes it easy to kick the habit for good, lose weight, and feel better than ever before. When you are nourished with delicious meals and treats, you won't miss the sugar for an instant.

The Nature of the Beast

A Chief Inspector Gamache Novel *Minotaur Books*

The Nature of the Beast is a New York Times bestselling Chief Inspector Gamache novel from Louise Penny. Hardly a day goes by when nine year old Laurent LePage doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins

a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Armand Gamache, the former head of homicide for the Sûreté du Québec, must face the possibility that, in not believing the boy, he himself played a terrible part in what happens next.

Who Is the Beast? *Houghton Mifflin Harcourt*

When a tiger suspects he is the beast the jungle animals are fleeing from, he returns to them and points out their similarities.

Beauty & the Beast

A Pop-up Book of the Classic Fairy Tale *Simon & Schuster Books For Young Readers*

The classic fairy tale is illustrated with pop-up castles and characters.

The Beast Side

Living and Dying While Black in America *Simon and Schuster*

A New York Times Best Seller! To many, the past 8 years under President Obama were meant to usher in a new post-racial American political era, dissolving the divisions of the past. However, when seventeen-year-old Trayvon Martin was shot by a wannabe cop in Florida; and then Ferguson, Missouri, happened; and then South Carolina hit the headlines; and then Baltimore blew up, it was hard to find any evidence of a new post-racial order. Suddenly the entire country seemed to be awakened to a stark fact: African American men are in danger in America. This has only become clearer as groups like Black Lives Matter continue to draw attention to this reality daily not only online but also in the streets of our nation's embattled cities. Now one of our country's quintessential urban war zones is brought powerfully to life by a rising young literary talent, D. Watkins. The author fought his way up on the eastside (the "beastside") of Baltimore, Maryland—or "Bodmore, Murderland," as his friends call it. He writes openly and unapologetically about what it took to survive life on the streets while the casualties piled up around him, including his own brother. Watkins pushed drugs to pay his way through school, staying one step ahead of murderous business rivals and equally predatory lawmen. When black residents of Baltimore finally decided they had had enough—after the brutal killing of twenty-five-year-old Freddie Gray while in police custody—Watkins was on the streets as the city erupted. He writes about his bleeding city with the razor-sharp insights of someone who bleeds along with it. Here are true dispatches from the other side of America. In this new paperback edition, the author has also added new material responding to the rising tide of racial resentment and hate embodied by political figures like Donald Trump and Ted Cruz, and the impact this has had on issues of race in America. This book is essential reading for anyone trying to make sense of the chaos of our current political moment.

My Age of Anxiety

Fear, Hope, Dread, and the Search for Peace of Mind *Vintage*

A riveting, revelatory, and moving account of the author's struggles with anxiety, and of the history of efforts by scientists, philosophers, and writers to understand the condition. As recently as thirty-five years ago, anxiety did not exist as a diagnostic category. Today, it is the most common form of officially classified mental illness. Scott Stossel gracefully guides us across the terrain of an affliction that is pervasive yet too often misunderstood. Drawing on his own long-standing battle with anxiety, Stossel presents an astonishing history, at once intimate and authoritative, of the efforts to understand the condition from medical, cultural, philosophical, and experiential perspectives. He ranges from the earliest medical reports of Galen and Hippocrates, through later observations by Robert Burton and Søren Kierkegaard, to the investigations by great nineteenth-century scientists, such as Charles Darwin, William James, and Sigmund Freud, as they began to explore its sources and causes, to the latest research by neuroscientists and geneticists. Stossel reports on famous individuals who struggled with anxiety, as well as on the afflicted generations of his own family. His portrait of anxiety reveals not only the emotion's myriad manifestations and the anguish anxiety produces but also the countless psychotherapies, medications, and other (often outlandish) treatments that have been developed to counteract it. Stossel vividly depicts anxiety's human toll—its crippling impact, its devastating power to paralyze—while at the same time exploring how those who suffer from it find ways to manage and control it. *My Age of Anxiety* is learned and empathetic, humorous and inspirational, offering the reader great insight into the biological, cultural, and environmental factors that contribute to the affliction.

Beauty Dates the Beast *Simon and Schuster*

WANTED Single human female to join charming, wealthy, single male were-cougar for a night of romantic fun—and maybe more. Me: The tall, sensuous, open-minded leader of my clan. You: A deliciously curvy virgin who's intimately familiar with what goes bump in the night. Must not be afraid of a little tail. Prefer a woman who's open to exploring her animal nature. Interest in nighttime walks through the woods a plus. My turn-ons include protecting you from the worst the supernatural world has to offer. Ready for an adventure? Give me a call. Vampires and doppelgangers need not apply.

Revelation *Canongate Books*

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A Wrinkle in Time *GENERAL PRESS*

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are

my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Celiac and the Beast

A Love Story Between a Gluten-Free Girl, Her Genes, and a Broken Digestive Tract

"This book details the struggle through misdiagnosis after misdiagnosis, the search for answers to what "gluten free" really means, additional medical issues along with celiac disease, and a connection between her past life of disordered eating to her new medically restricted diet"--Back cover.

The Beast of Buckingham Palace *HarperCollins*

The UK's #1 bestselling children's author, David Walliams, is back with a fantastical tale of myth and legend, good and evil, and one small boy on a quest to save the world—chock-full of Walliams's unmistakable humor and perfect for fans of Jeff Kinney and Roald Dahl. The kingdom has fallen into darkness. Prince Alfred has never left the safety of Buckingham Palace. But there are strange goings on inside the palace walls—and Alfred's life is about to change forever. In the dead of night something terrible stalks the corridors. When Alfred's beloved mother the queen is dragged off to the Tower of London, the boy must summon all his courage to embark on an epic quest to save her... and the entire world.

Lord of the Flies *Penguin*

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Beauty

A Retelling of the Story of Beauty and the Beast *Open Road Media*

The New York Times–bestselling author of *Rose Daughter* reimagines the classic French fairy tale of Beauty and the Beast. I was the youngest of three daughters. Our literal-minded mother named us

Grace, Hope, and Honour. . . . My father still likes to tell the story of how I acquired my odd nickname: I had come to him for further information when I first discovered that our names meant something besides you-come-here. He succeeded in explaining grace and hope, but he had some difficulty trying to make the concept of honour understandable to a five-year-old. . . . I said: 'Huh! I'd rather be Beauty.' . . . By the time it was evident that I was going to let the family down by being plain, I'd been called Beauty for over six years. . . . I wasn't really very fond of my given name, Honour, either . . . as if 'honourable' were the best that could be said of me. The sisters' wealthy father loses all his money when his merchant fleet is drowned in a storm, and the family moves to a village far away. Then the old merchant hears what proves to be a false report that one of his ships had made it safe to harbor at last, and on his sad, disappointed way home again he becomes lost deep in the forest and has a terrifying encounter with a fierce Beast, who walks like a man and lives in a castle. The merchant's life is forfeit, says the Beast, for trespass and the theft of a rose—but he will spare the old man's life if he sends one of his daughters: "Your daughter would take no harm from me, nor from anything that lives in my lands." When Beauty hears this story—for her father had picked the rose to bring to her—her sense of honor demands that she take up the Beast's offer, for "cannot a Beast be tamed?" This "splendid story" by the Newbery Medal-winning author of *The Hero and the Crown* has been named an ALA Notable Book and a Phoenix Award Honor Book (Publishers Weekly).

Pity the Beast

Beauty Tempts the Beast

A Sins for All Season Novel *HarperCollins*

Lorraine Heath ends her bestselling *Sins for All Seasons* series with the hero readers have been waiting for! She wants lessons in seduction Althea Stanwick was a perfect lady destined to marry a wealthy lord, until betrayal left her family penniless. Though she's lost friends, fortune, and respectability, Althea has gained a scandalous plan. If she can learn to seduce, she can obtain power over men and return to Society on her terms. She even has the perfect teacher in mind, a man whose sense of honor and dark good looks belie his nickname: Beast. But desire like this can't be taught Benedict Trewlove may not know his parentage but he knows where he belongs—on the dark side of London, offering protection wherever it's needed. Yet no woman has ever made such an outrageous request as this mysterious beauty. Althea is out of place amongst vice and sin, even if she offers a wicked temptation he can't resist. But as the truth of his origin emerges at last, it will take a fierce, wild love to overcome their pasts.

How to Come Alive Again

A guide to killing your monsters *Unbound Publishing*

It doesn't matter that you've lived in shadows, that you've slept through years of your life, that you've done things you're ashamed to admit even to yourself. It doesn't matter that you're an

anxious, depressed, spaghetti-brained mess with a shouty monster brain that keeps you from conforming to society's definition of normal. Beth McColl has been there – sometimes she still is there – but in this book she shares what's worked for her and what hasn't, what's gotten her into trouble and then back out of it again, and what she wishes she'd known from the start: How to get through a bad day Questions to ask your doctor The truth about medication Ways to practise self-care and mindfulness What to expect from a partner How to forgive your past self, and so much more... How to Come Alive Again is a relatable, honest, at times joyous and above all practical guide for anyone who has a mental illness – or anyone who knows and loves someone who does. It's the basics for mending your life, accepting yourself, changing what doesn't work, killing the worst of it and learning to live again.

She Is a Beast

A collection of feminist fairy tales.

Beauty of the Beast *Createspace Independent Publishing Platform*

Experience the world's most enchanting and timeless love story-retold with a dark and realistic twist. A BEAST LIVING IN THE SHADOW OF HIS PAST Reclusive and severely scarred Prince Adam Delacroix has remained hidden inside a secluded, decrepit castle ever since he witnessed his family's brutal massacre. Cloaked in shadow, with only the lamentations of past ghosts for company, he has abandoned all hope, allowing the world to believe he died on that tragic eve twenty-five years ago. A BEAUTY IN PURSUIT OF A BETTER FUTURE Caught in a fierce snowstorm, beautiful and strong-willed Isabelle Rose seeks shelter at a castle-unaware that its beastly and disfigured master is much more than he appears to be. When he imprisons her gravely ill and blind father, she bravely offers herself in his place. BEAUTY AND THE BEAST Stripped of his emotional defenses, Adam's humanity reawakens as he encounters a kindred soul in Isabelle. Together they will wade through darkness and discover beauty and passion in the most unlikely of places. But when a monster from Isabelle's former life threatens their new love, Demrov's forgotten prince must emerge from his shadows and face the world once more... Perfect for fans of *Beauty and the Beast* and *The Phantom of the Opera*, *Beauty of the Beast* brings a familiar and well-loved fairy tale to life with a rich setting in the kingdom of Demrov and a captivating, Gothic voice. * * * *Beauty of the Beast* is the first standalone installment in a series of classic fairy tales reimagined with a dark and realistic twist. Disclaimer: This is an edgy, historical romance retelling of the classic fairy tale. Due to strong sexual content, profanity, and dark subject matter, including an instance of sexual assault committed by the villain, *Beauty of the Beast* is not intended for readers under the age of 18.

First Stories: Beauty and the Beast *First Stories*

"Do you love me, Beauty? Will you marry me?" *First Stories: Beauty and the Beast* is a perfect introduction to this classic fairytale. Push, pull, and turn mechanisms bring the story to life and introduce all the main characters: Beauty, her father, and of course the Beast! This well-loved fairytale is beautifully imagined for a new generation by children's illustrator Dan Taylor.

Beauty and the Beast *Child's World*

Retelling of the classic fairy tale about a girl whose great capacity to love releases a prince from the spell which has made him an ugly beast.

The Beast Player *Henry Holt and Company (BYR)*

Elin's family has an important responsibility: caring for the fearsome water serpents that form the core of their kingdom's army. So when some of the creatures mysteriously die, Elin's mother is

sentenced to death as punishment. With her last breath, she manages to send her daughter to safety. Alone and far from home, Elin soon discovers that she can communicate with both the terrifying water serpents and the majestic flying beasts that guard her queen. This skill gives her great power, but it also involves her in deadly plots that could cost her life. Can she save herself and prevent her beloved beasts from being used as tools of war? Or is there no escaping the terrible battles to come?
