Sample Generic Focus Group Topic Guide

A focus group discussion guide (sometimes called a topic guide) is a questionnaire for focus groups, and for other types of qualitative research, such as individual depth interviews. It is called a discussion "guide", rather than a questionnaire, because it is only meant to be a guide. In other words, the moderator might decide to deviate from it during the course of a focus group, perhaps if participants bring up new and interesting areas of discussion.

How to write a focus group discussion guide - MRQual

Use this product-focused checklist for focus group discussions or interviews. Gather the participants' names. Describe the composition of the group and ensure

that (1) the goal of the focus group was defined, (2) all information will remain confidential and (3) respondents introduce themselves to each other before proceeding with the discussion.
