In the MA in Second Language Education, you'll study with students from around the world, bringing a wide range of perspectives to enrich learning. You'll spend time investigating second language education case studies from a range of countries and exploring research related to second language, pedagogy, curriculum development and policy-making. Through reading and analysing existing research, you'll develop skills to critically appraise current issues in second language education.

MA Second Language Education - UEA

Someone's second language is a language which is not their native language but which they use at work or at school. Lucy teaches English as a second language. French remained her second language for the rest of her life. COBUILD Advanced English Dictionary.

Second language definition and meaning | Collins English ...

A person's second language, or L2, is a language that is not the native language of the speaker, but is learned later. A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. The second language can also be the dominant one. For example, the Canadian census defines first language for its purposes as "the first language learned in childhood and still spoken", recognizing that for some, the earliest lang

Second language - Wikipedia

Abstract In this study of the placement of sentence negation in third language acquisition (L3), we argue that there is a qualitative difference between the acquisition of a true second language (L2) and the subsequent acquisition of an L3.

The role of the second language in third language ...

This best-selling textbook provides an engaging and user-friendly introduction to the study of

language. Assuming no prior knowledge in the subject, Yule presents information in short, bite-sized sections, introducing the major concepts in language study – from how children learn language to why men and women speak differently, through all the key elements of language.
