categories to choose from, the opportunities are unlimited. Happy reading!

Not a Good Day to Die *Penguin*

Award-winning combat journalist Sean Naylor reveals a firsthand account of the largest battle fought by American military forces in Afghanistan in an attempt to destroy al-Qaeda and Taliban forces. At dawn on March 2, 2002, America's first major battle of the 21st century began. Over 200 soldiers of the 101st Airborne and 10th Mountain Division flew into Afghanistan's Shah-i-Kot Valley—and into the mouth of a buzz saw. They were about to pay a bloody price for strategic, high-level

miscalculations that underestimated the enemy's strength and willingness to fight. Naylor, an eyewitness to the battle, details the failures of military intelligence and planning, while vividly portraying the astonishing heroism of these young, untested US soldiers. Denied the extra support with which they trained, these troops nevertheless proved their worth in brutal combat and prevented an American military disaster.

Alexander and the Terrible, Horrible, No Good, Very Bad Day *Simon and Schuster*

On a day when everything goes wrong for him, Alexander is consoled by the thought that other

people have bad days too.

A Really Good Day *Anchor*

The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue,

and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month--bursts of productivity, sleepless nights, a newfound sense of equanimity--she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling.

Not a Very Good Day at All *Createspace Independent Publishing Platform*

Genny S. Davis is not having a very good day at all. She made a couple of big messes and even forgot her cookie for her lunch. To top it all off, she had to wear her boots all day in school. Still, Genny makes the best of it and we get to see how she handles it.

A Good Day to Bake *Hardie Grant Publishing*

A Good Day to Bake is full of 70 sweet and savoury baking recipes for any day of the week, led by flavour. Going through the ritual of bringing out the measuring scales, pouring out flour, whipping up the eggs, stirring the batter and impatiently slicing up

warm cake is a beautiful thing that deserves to be enjoyed all year round no matter the day, season or occasion. This is a cookbook that embraces simplicity, mindfulness and the therapeutic comforts of baking. The Great British Bake Off's 2016 contestant Benjamina writes so warmly about cakes and her recipes speak to a natural, seasonal and down-to-earth way of baking. Chapters include Herbs & Tea, Stone Fruit & Berries, Vegetables, Best of Beige, Spice Cupboard, and Chocolate. Because every day is a good day to bake.

Today is Not a Good Day for War

The Blue Book of Grammar and

Punctuation *John Wiley & Sons*

Good Day, Good Night *HarperCollins UK*

A never-before-published picture book from Margaret Wise Brown, the bestselling author of *Goodnight Moon*, brought to life by Loren Long, #1 New York Times bestselling illustrator.

The Last Good Day of the Year
Bloomsbury Publishing USA

Ten years after Samantha and her next door neighbor Remy watched as a man broke into Sam's home and lifted her younger sister, Turtle, from her sleeping bag, Sam's shattered family returns to her childhood home in an effort to heal, and the more they re-examine the events of that fateful night, the more questions they have about what really happened to Turtle.

How to Have a Good Day
Currency

In *How to Have a Good Day*, economist and former McKinsey partner Caroline Webb shows readers how to use recent findings from behavioral economics, psychology, and neuroscience to transform our approach to everyday working life. Advances in behavioral sciences are giving us an ever better understanding of how our brains work, why we make the choices we do, and what it takes for us to be at our best. But it has not always been easy to see how to apply these insights in the real world--until now. In *How to Have a Good Day*, Webb explains exactly how to apply this science to our daily tasks and

routines. She translates three big scientific ideas into step-by-step guidance that shows us how to set better priorities, make our time go further, ace every interaction, be our smartest selves, strengthen our personal impact, be resilient to setbacks, and boost our energy and enjoyment. Through it all, Webb teaches us how to navigate the typical challenges of modern workplaces—from conflict with colleagues to dull meetings and overflowing inboxes—with skill and ease. Filled with stories of people who have used Webb’s insights to boost their job satisfaction and performance at work, *How to Have a Good Day* is the book so

many people wanted when they finished *Nudge*, *Blink* and *Thinking Fast and Slow* and were looking for practical ways to apply this fascinating science to their own lives and careers. A remarkable and much-needed book, *How to Have a Good Day* gives us the tools we need to have a lifetime of good days.

**A Good Day to Die:
Inside a suicidal
mind** *Marshall
Cavendish*

*International Asia Pte
Ltd*

In 2019, Singapore had 400 reported suicides, with an increasing number of young people choosing to take their lives. Synopsis It is estimated that 800,000 people globally kill themselves every year. Our post pandemic

world, with its numerous disruptions, has also forced more people to seek help for mental health issues. While much has been said about the toll on mental health, there is little understanding of why people choose to kill themselves, especially when many, like celebrities Anthony Bourdain and Kate Spade had so much to live for. Author Mahita Vas has battled suicidal thoughts for all her adult life. She even lost one of those battles and tried to kill herself, only to be rescued within seconds of breathing her last. It is difficult for those left behind to understand why their loved one would choose to die. *A Good Day to Die* offers readers an intimate exploration of an anguished mind,

weaving personal experience with academic reports.

Atomic Habits *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves

again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual

who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The (Not So) Perfect Day *Maggie Dallen*

Ellie's planned the perfect wedding, just...with the wrong groom. Bride-to-be Ellie Thatcher is in the final stages of preparing for her wedding day, and it's supposed to be perfect, right? But it isn't. It can't be. Not without her best friend Ian by her side. Her perfect day would be ruined if he's not there to share it with her. The invitations all went out weeks ago, and the clock is ticking. So where is he already? And more importantly, why are all her thoughts about Ian when she's on the verge of marrying another man? It's too

late to RSVP when photojournalist Ian Ferris receives the invitation to his best friend's wedding. Still, it's not too late to pop in on an old friend and check out the fiancé—for Ellie's sake. Ian tries to put a nice face on it, to be there and show his support for Ellie and her choice. But the truth is, he's going crazy because he can't imagine Ellie with anyone but himself. Will Ian allow Ellie to take her journey down the aisle on the arm of another man and make the biggest mistake of her life? Or will he tell her the truth about his feelings, and help her see that he's more than just her best man...he might just be the love of her life.

Ruthie and the (Not So) Teeny Tiny Lie

*Bloomsbury Publishing
USA*

Ruthie loves tiny things and when she finds a tiny camera on the playground she is very happy, but after she lies and says the camera belongs to her, nothing seems to go right. 25,000 first printing.

A Good Day to Die

*Open Road +
Grove/Atlantic*

"Mr. Harrison's perceptions are jagged and cutting . . . a remarkably well-plotted story."—Christopher Lehmann-Haupt, *The New York Times* The New York Times bestselling author of thirty-nine books of fiction, non-fiction, and poetry—including *Legends of the Fall*, *Dalva*, and *Returning to Earth*—Jim Harrison

was one of our most beloved and acclaimed writers, adored by both readers and critics. His novel *A Good Day to Die* centers on an unlikely trio: a poet with a tendency to lapse into beatific reveries of superb fishing in cold, fast streams; a Vietnam vet consumed by uppers, downers, and violence; and a girl who loved only one of them—at first. With plans conceived during the madness of one long drunken night, the three of them leave Florida, driving west to buy a case of dynamite, determined to save the Grand Canyon from a dam they believe is about to be built. *A Good Day to Die* is an unrelenting tour de force, and a dark exploration of what it means to live

beyond the pale in contemporary America.

The Subtle Art of Not Giving a F*ck

HarperCollins

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it

like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises

us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining

stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

The 5AM Club *HarperCollins*

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-

rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for

exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever.

Sergio Sees the

Good: The Story of a Not So Bad Day

Tilbury House Publishers and Cadent Publishing

Sergio is amazed to discover that even on a day that felt awful, the good outweighed the bad. When a downcast Sergio gets home from a bad day at school, his wise mother listens sympathetically to his tale of woe and then suggests an experiment. Placing a bowl of marbles next to Grandfather's old balance scale, she asks him to go back to the beginning of his day and remember each good and bad thing that happened. For each bad thing, he places a marble on the right-hand pan of the scale; for each good thing he places a marble on the left-hand pan. Sergio is amazed

to discover that even on a day that felt awful, the good outweighed the bad.

This Is Me Letting You Go

Createspace Independent Publishing Platform

Letting go is not a process that comes naturally to us. In a world that teaches us to cling to what we love at all costs, there is an undeniable art to moving on - and it's one that we are constantly relearning. In this series of honest and poignant essays, Heidi Priebe explores the harsh reality of what it means to let go of the people and situations we love most - often before we are ready to - and how to embrace what comes next.

Have a Nice Day Is

**Not Thank You, and
No Problem Is Not
You're Welcome**

*Debbie Lundeberg
Incorporated*

Easy and insightful tips for life's everyday etiquette, communication, behaviors and relationships. It is interesting, and even sad, to see how society has minimized the close of an interaction or transaction to "Have a Nice Day" and/or "No Problem." Even though some see these forms of appreciation, and hearing these things is better than nothing, there is more to interacting than thoughtless, meaningless direction or responses such as these. Considerations such as those, along with approaches to everything from voicemails to emails,

gift giving to coaching, and more, are highlighted in this 2007 book that are based on training sessions conducted, and the monthly newspaper columns, the author has written in 2006 and 2007. The quick 17 tips for immediate use is perfect for a college student, active parent, young professional or seasoned leader, as it is what some reviewers refer to as common sensical and well stated for any and all who get the chance to gobble up these ideas and implement them!

**A Bad Day for
Sunshine** *St. Martin's
Press*

New York Times bestselling author Darynda Jones is back with the first novel in the brand-new snarky, sassy, wickedly fun

Sunshine Vicram series—A Bad Day for Sunshine! "Laugh-out-loud funny, intensely suspenseful, page-turning fun."—New York Times bestselling author Allison Brennan "A Bad Day For Sunshine is a great day for the rest of us."—New York Times bestselling author Lee Child Sheriff Sunshine Vicram finds her cup o' joe more than half full when the small village of Del Sol, New Mexico, becomes the center of national attention for a kidnapper on the loose. Del Sol, New Mexico is known for three things: its fry-an-egg-on-the-cement summers, strong cups of coffee—and, now, a nationwide manhunt? Del Sol native Sunshine Vicram has returned to town as the elected sheriff—thanks to her adorably meddlesome parents who nominated her—and she expects her biggest crime wave to involve an elderly flasher named Doug. But a teenage girl is missing, a kidnapper is on the loose, and all of this is reminding Sunshine why she left Del Sol in the first place. Add to that the trouble at her daughter's new school, plus and a kidnapped prized rooster named Puff Daddy, and, well, the forecast looks anything but sunny. But even clouds have their silver linings. This one's got Levi, Sunshine's sexy, almost-old-flame, and a fiery-hot US Marshal. With temperatures rising everywhere she turns, Del Sol's normally cool-minded sheriff is finding herself

knee-deep in drama and danger. Can Sunshine face the call of duty—and find the kidnapper who's terrorizing her beloved hometown—without falling head over high heels in love...or worse?

Norwegian Wood *Vintage*

A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and

the ethos that were the sixties with a young man's hopeless and heroic first love. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

Great Day for Up!
*Random House Books
 for Young Readers*
 The meanings of "up"

are conveyed with merry verse and illustrations in a happy book that celebrates the joy of life.

Someday Is Not a Day in the Week *St. Martin's Press*

"Inspired me to ask myself why and to stop postponing the forgotten dreams."
 —Geneen Roth, #1 New York Times bestselling author of *Women Food and God* and *This Messy Magnificent Life Full of inspirational insights and advice, lifehacks, and real-world examples*, *Someday is Not a Day in the Week* is CEO Sam Horn's motivational guide to help readers get what they want in life today rather than "someday."
 Are you: • Working, working, working? • Busy taking care of

everyone but yourself?

- Wondering what to do with the rest of your life?
- Planning to do what makes you happy someday when you have more time, money, or freedom?

What if someday never happens? As the Buddha said, “The thing is, we think we have time.” Sam Horn is a woman on a mission about not waiting for SOMEDAY ... and this is her manifesto. Her dad’s dream was to visit all the National Parks when he retired. He worked six to seven days a week for decades. A week into his long-delayed dream, he had a stroke. Sam doesn’t want that to happen to you. She took her business on the road for a Year by the Water. During her

travels, she asked people, “Do you like your life? Your job? If so, why? If not, why not?” The surprising insights about what makes people happy or unhappy, what they’re doing about it (or not), and why...will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It’s time to put yourself in your own story. The good news is, there are “hacks” you can do right now to make your life more of what you want it to be. And you don’t have to be selfish, quit your job, or win the lottery to do them. Sam Horn offers actionable, practical advice in short, snappy chapters to show you how to get started on your best life — now.

Ups and Downs

Horse Soldiers *Simon and Schuster*

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Miracle Morning

A Good Day To Die

Lulu.com

Not a Day Care

Simon and Schuster

"You must read this book. Everett Piper is a man of courage and conviction. He stands nearly alone as an academic leader confronting the ideological fascism of the snowflake

rebellion. His call for intellectual freedom must be heard."—GLENN BECK

What has happened to the American spirit? We've gone from "Give me liberty, or give me death!" to "Take care of me, please." Our colleges were once bastions of free speech; now they're bastions of speech codes. Our culture once rewarded independence; now it rewards victimhood. Parents once taught their kids how to fend for themselves; now, any parent who tries may get a visit from the police. In *Not a Day Care*, Dr. Everett Piper, president of Oklahoma Wesleyan University and author of the viral essay, "This Is Not a Day Care. It's a University!", takes a hard look at what's

happening around the country—including the demand for "safe spaces" and trigger warnings at universities like Yale, Brandeis, and Oberlin--and digs in his heels against the sad and dangerous infantilization of the American spirit.

Every Day *Knopf Books for Young Readers*

THE NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson--about a teen

who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new

novel, David Levithan, bestselling co-author of *Will Grayson, Will Grayson*, and *Nick and Norah's Infinite Playlist*, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

Fahrenheit 451
Simon and Schuster

A totalitarian regime has ordered all books to be destroyed, but one of the book

burners suddenly realizes their merit.

Make Your Bed *Grand Central Publishing*

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome

challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves- and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that

will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

A Primer in Positive Psychology *Oxford University Press*

Positive psychology is the scientific study of what goes right in life, from birth to death and at all stops in between. It is a newly-christened approach within psychology that takes seriously the examination of that which makes life most worth living. Everyone's life has peaks and valleys, and positive psychology does not deny the valleys. Its signature

premise is more nuanced, but nonetheless important: what is good about life is as genuine as what is bad and, therefore, deserves equal attention from psychologists. Positive psychology as an explicit perspective has existed only since 1998, but enough relevant theory and research now exist to fill a textbook suitable for a semester-long college course. A Primer in Positive Psychology is thoroughly grounded in scientific research and covers major topics of concern to the field: positive experiences such as pleasure and flow; positive traits such as character strengths, values, and talents; and the social institutions that enable these subjects as well

as what recent research might contribute to this knowledge. Every chapter contains exercises that illustrate positive psychology, a glossary, suggestions of articles and books for further reading, and lists of films, websites, and popular songs that embody chapter themes. A

comprehensive overview of positive psychology by one of the acknowledged leaders in the field, this textbook provides students with a thorough introduction to an important area of psychology.

The House on Mango Street
Vintage

NATIONAL BESTSELLER

- A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-

sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

The Elements of Journalism *Crown*

In July 1997, twenty-five of America's most influential journalists sat down to try and discover what had happened to their

profession in the years between Watergate and Whitewater. What they knew was that the public no longer trusted the press as it once had. They were keenly aware of the pressures that advertisers and new technologies were putting on newsrooms around the country. But, more than anything, they were aware that readers, listeners, and viewers — the people who use the news — were turning away from it in droves. There were many reasons for the public's growing lack of trust. On television, there were the ads that looked like news shows and programs that presented gossip and press releases as if they were news. There were the "docudramas,"

television movies that were an uneasy blend of fact and fiction and which purported to show viewers how events had "really" happened. At newspapers and magazines, celebrity was replacing news, newsroom budgets were being slashed, and editors were pushing journalists for more "edge" and "attitude" in place of reporting. And, on the radio, powerful talk personalities led their listeners from sensation to sensation, from fact to fantasy, while deriding traditional journalism. Fact was blending with fiction, news with entertainment, journalism with rumor. Calling themselves the Committee of Concerned Journalists, the twenty-five

determined to find how the news had found itself in this state. Drawn from the committee's years of intensive research, dozens of surveys of readers, listeners, viewers, editors, and journalists, and more than one hundred intensive interviews with journalists and editors, *The Elements of Journalism* is the first book ever to spell out — both for those who create and those who consume the news — the principles and responsibilities of journalism. Written by Bill Kovach and Tom Rosenstiel, two of the nation's preeminent press critics, this is one of the most provocative books about the role of information in society in more than a generation and one of

the most important ever written about news. By offering in turn each of the principles that should govern reporting, Kovach and Rosenstiel show how some of the most common conceptions about the press, such as neutrality, fairness, and balance, are actually modern misconceptions. They also spell out how the news should be gathered, written, and reported even as they demonstrate why the First Amendment is on the brink of becoming a commercial right rather than something any American citizen can enjoy. The Elements of Journalism is already igniting a national dialogue on issues vital to us all. This book will be the starting point for

discussions by journalists and members of the public about the nature of journalism and the access that we all enjoy to information for years to come.

**Day of the Dead
Coloring Book:**
*Createspace
Independent Publishing
Platform*

Here's the perfect Day of the Dead coloring book you've been searching for this autumn! This book not only has delightful sugar skulls and tattoos, but it also has interesting facts about the historical significance of this event dating back hundreds of years. Since the 007 Spectre's movie opened with the famous scene in Mexico, the popularity of the festival and

costumes have spurred intrigue and interest with the annual celebration. Is the Day of the Dead festival the same holiday as Halloween? Do you know what tattoos represent to loved ones? These quotes and facts will bring new meaning to one of our favorite festivals! These delightful images, chosen from a variety of our favorite artists have been placed on one side of the page to prevent bleeding. Place a sheet of paper behind the image, if you press hard when you color. PLEASE NOTE: This book contains the same illustrations as the Day of the Dead Anti-Stress Coloring Book by Florabella Publishing.

Someday Is Not a

Day of the Week

Sleeping Bear Press

We've all wished for Someday to get here, and now it is. Follow the tale of the young beaver, Max, and his quest to spend quality time with his parents and family. The tale for the ages and ageless will bring a happy tear of joy and love and a smile to the face of every child who undoubtedly heard the answer "Someday" after having asked "When?" An inspiring read for all of us, Someday finds Max looking for "Someday" on his calendar and realizing if it did exist, it would surely be the busiest day of the week. Don't pass on the chance to share this tale of love and the importance of family. Illustrator Kevin O'Malley and author

Denise Brennan-Nelson bring *Someday* to frolicking life by setting aside their somedays as the days to make a difference. Parents, teachers, family and friends can do the same by picking up the book and let that special little one in their life know that they are more important and every moment together is a gift to be cherished today.
