Understanding the Stages of Child Development

Three to four years physical development. July 04, 2017. Preschoolers are all about the physical - they love to jump, skip, run, climb and dance. In fact, anything that's new and that won't require them to sit still for too long. But they're also like puppies - running full steam until they completely run out of energy, at which point they'll

collapse somewhere utterly exhausted.

Physical development for three to four year olds - Kidspot
