Presentation: Team Andrews by Celeste Knight

The industry in 2011 (round 0) consists of six competitors in very similar positions, holding virtually equal market share. We will use indicators in the industry to help determine our position and build our marketing, production, R&D and financial strategy. The situation

analysis, as outlined by Capsim, will help provide us with a picture of the current conditions of the market and how it will develop in the next 8 years (rounds).
