The Influence of Religion on Health - Inquiries Journal

Abstract. Religion and spirituality have been linked to medicine and to healing for centuries. However, in the early 1900's the Flexner report noted that there was no place for religion in medicine; that medicine was strictly a scientific field, not a theological or philosophical one. In the mid to the latter 1900's there were several lay movements that started emphasized the importance of religion, spirituality and medicine.
