It's a predicament he understands all too well, now that his brother and mom are gone and his friends have deserted him, leaving Aaron and his shambolic father alone in a moldering bookstore in a crusty mountain town where no one seems to read anymore. So when Aaron sees the opportunity to sell the store, he jumps at it, thinking this is the only way out. But he doesn't account for Chad, a "best life" bro with a wheelchair and way too much optimism, or the town's out-of-work lumberjacks taking on the failing shop as their pet project. And he certainly doesn't anticipate meeting Hannah, a beautiful, brave musician who might possibly be the kind of inevitable he's been waiting for. All of them will help Aaron to come to terms with what he's lost, what he's found, who he is, and who he wants to be, and show him that destruction doesn't inevitably lead to extinction; sometimes it leads to the creation of something entirely new.

And the counselors at Red Rock? They're completely insane. Britt's horror at the "therapy"—vicious name-calling and grueling physical labor—is second only to her hatred for the backstabbing patients, who win privileges by ratting each other out. But when V, Bebe, Martha, and Cassie, the four girls who keep Britt from going over the edge, help her sneak out to go see Jeb, her maybe-more-than-friends bandmate, she starts to believe that there may actually be people who can help her—and people that she can help by taking down Red Rocks. Sisters in Sanity perfectly captures the feeling of being trapped in a world that refuses to understand you—and fighting back.

Licensed Psychologist --- Helping Howard explores the fraught lifetime marriage of a straight older man, his younger gay wife, and the daughter that survives them. An anti-romantic romance, this book tells the tale of The Author who awakens Howard into consciousness in order to become her accomplice in figuring out what happens next. Their ongoing dialogue pushes the story forward through quarrelsome, humorous, psychological cliffhangers. Playing with, and exposing, the creative process adds another dimension to the narrative as The Author creates a relationship with her main character, which in turn, reflects on who she is. Helping Howard is about people struggling with understanding their own barriers to achieving and sustaining intimacy. It's a complex story of human longing and unmet desire.

Saving Francesca *Knopf Books for Young Readers*

Before there was Eleanor and Park, there was Francesca and Will. A compelling story of romance, family, and friendship, with humor and heart, perfect for fans of If I Stay, The Spectacular Now, and Looking for Alaska. Francesca is stuck at St. Sebastian’s, a boys' school that pretends it's coed by giving the girls their own bathroom. Her only female companions are an ultra-feminist, a rumored slut, and an impossibly dorky accordion player. The boys are no better, from Thomas, who specializes in musical burping, to Will, the perpetually frowning, smug moron that Francesca can't seem to stop thinking about. Then there's Francesca's mother, who always thinks she knows what's best for Francesca—until she is suddenly stricken with acute depression, leaving Francesca lost, alone, and without an inkling of who she really is. Simultaneously humorous, poignant, and impossible to put down, this is the story of a girl who must summon the strength to save her family, her social life, and—hardest of all—herself. Melina Marchetta is the Printz-winning author of Jellicoe Road, as well as Looking for Alibrandi and Finnikin of the Rock.

When You Were Here Hachette UK

Filled with humor, raw emotion, a strong voice, and a brilliant dog named Sandy Koufax, When You Were Here explores the two most powerful forces known to man-death and love. Daisy Whitney brings her characters to life with a deft touch and resonating authenticity. Danny's mother lost her five-year battle with cancer three weeks before his graduation-the one day that she was hanging on to see. Now Danny is left alone, with only his memories, his dog, and his heart-breaking ex-girlfriend for company. He doesn't know how to figure out what to do with her estate, what to say for his Valedictorian speech, let alone how to live or be happy anymore. When he gets a letter from his mom's property manager in Tokyo, where she had been going for treatment, it shows a side of a side of his mother he never knew. So, with no other sense of direction, Danny travels to Tokyo to connect with his mother's memory and make sense of her final months, which seemed filled with more joy than Danny ever knew. There, among the cherry blossoms, temples, and crowds, and with the help of an almost-but-definitely-not Harajuku girl, he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going. Perhaps, the secret of how to live lies in how she died.
