Latin America And The Asian

However, organized, large-scale Asian immigration to Latin America, consisting almost exclusively of Chinese and Japanese, did not take place until the mid-nineteenth century. Most of the Chinese went to Cuba, Peru, Mexico, and parts of Central America, while the Japanese settled largely in Peru and Brazil, and a much smaller number in Bolivia. Whether forced or free, large-scale Asian movement to Latin America was part of the international labor migration of the late nineteenth and early ...

Asians in Latin America | Encyclopedia.com

Latin American Asians are Asian people of Latin American descent. Latin American Asians have been present in Asia since the 16th century. The timeline of Latin American settlement in Asia mostly occurred from the 1500s to the 19th century when the Spanish used Filipino sailors to bring Latin Americans from across the Pacific to serve as mercenaries and traders either to supplement its Filipino soldiers in the numerous wars the Philippines had with its Muslim or Confucian neighbors which
